

Nuneaton and Bedworth Borough Council carried out a consultation exercise with numerous industrial estates within the Borough. The aim of the consultation was to build upon previous work carried out by the Council which has identified issues within the estates. This consultation sought to gain feedback from businesses on what the key issues are on the estates. The aim of which is to assist the Council in creating an evidence base which it is hoped will assist in helping to overcome some of the issues.

Site Description

Haunchwood is located on Haunchwood Park Drive in the west of the Borough. The site extends to around 6ha.

Consultation Response

The Council distributed 18 questionnaires to businesses located at Haunchwood. Two questionnaires were returned giving a response rate of 11%.

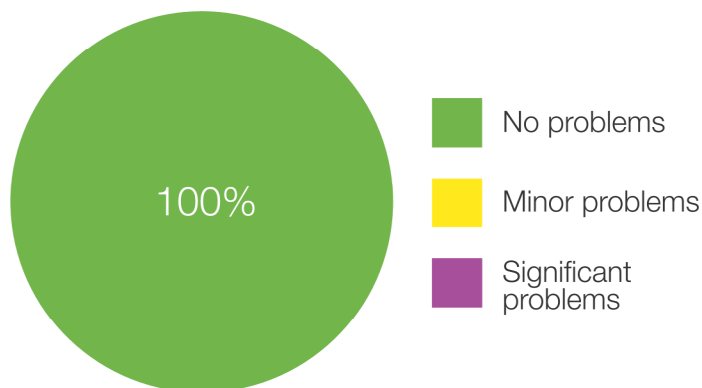

The respondents considered that the road network within and immediately around the industrial estate does not present them or their clients with problems.

Half of respondents considered that accessibility to the site by bus was a major issue – citing the lack of regular bus service to the site as a contributing factor. However, half of respondents considered that the site was easily accessible by bus.

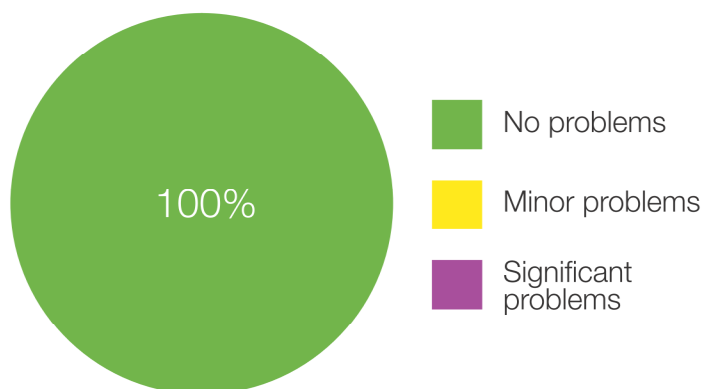

In summary

Accessibility to the estate is the key issue within Haunchwood Industrial Estate. In taking this forward the Council will seek to focus future work on these areas.

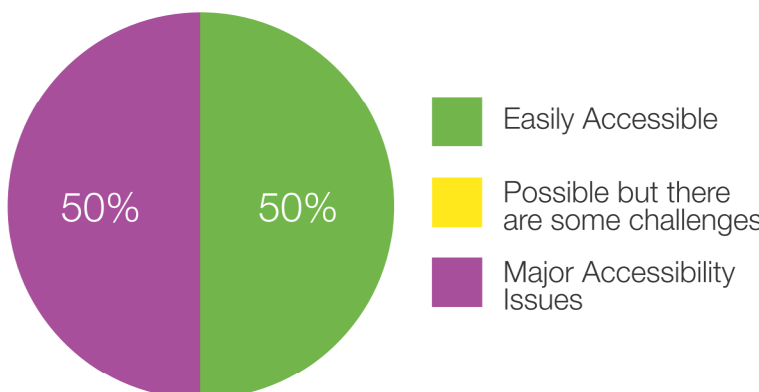

Does the road network within the industrial estate present you or your clients with any problems?

Does the road network, immediately around the industrial estate present you or your clients with any problems?

Do you consider your staff can suitably access the industrial estate by bus?

If you wish to be part of any future discussions, or would like to discuss the results further for

Haunchwood Industrial Estate
