Cabinet Member for: Housing and Communities  
Report by: Head of Home Environment Services  
**SUBJECT: Statement of Intent for Energy Company  
Obligation Funding**  
Date Decision made: Thursday 9<sup>th</sup> November, 2023  
Place: Committee Room D, Town Hall, Nuneaton  
Officer Present: Paul Coopey – Head of Home Environment

**DECISION:**

IC07 **RESOLVED** that the revised Statement of Intent be adopted

**REASON FOR THE DECISION:**

Adopting the Statement of Intent (Sol) will allow local targeting of Energy Company Obligation funding. Private companies will use the Sol to target energy efficiency measures in private housing and will be able to secure funding from energy companies. The Council will sign off individual applications to comply with the rules of the schemes via the Private Sector Housing service.

**ALTERNATIVE OPTIONS CONSIDERED AND REJECTED**

- Not to adopt the Statement of Intent and consider a different version, that would also comply with the guidance and the scheme rules or alternatively not to participate in local flexibility of the criteria for ECO4 funding.
