

NUNEATON AND BEDWORTH BOROUGH COUNCIL

COUNCIL

13th September, 2023

A Council meeting of the Nuneaton and Bedworth Borough Council was held on Wednesday, 13th September which was live streamed and recorded.

Present

The Mayor (Councillor M. Walsh)
The Deputy Mayor (Councillor B. Hammersley)

Councillors R. Baxter-Payne, B. Beetham, D. Brown, C. Cape, J. Clarke, T. Cooper, J. Coventry-Moreton, S. Croft, L. Cvetkovic, L. Downs, K. Evans, C. Golby, M. Green, J. Gutteridge, S. Harbison, K. Kondakor, S. Markham, G. Moreton, B. Pandher, J. Sheppard, T. Sheppard, E. Shiers, J. Singh, R. Smith, M. Tromans, R. Tromans, C. Watkins, K. Wilson, and M. Wright.

Apologies were received for Councillors J. Kennaugh, J. Hartshorn and N. Phillips

CL19 **Minutes**

RESOLVED that the minutes of the Ordinary Council held on 5th July 2023 were confirmed and signed by the Mayor.

CL20 **Declarations of Interests**

RESOLVED that the Declarations of Interests for this meeting are as set out in the schedule attached to these minutes. In addition, the following were declared:

Councillor R. Baxter-Payne declared a pecuniary interest in relation to his change in employment.

Councillor M. Green declared an other interest in relation to being a Director of the Holy Spirit Academy of Schools.

CL21 **Announcements**

The Mayor wished to congratulate Councillor D. Brown on his completion of a 50mile cycle in aid of the Mayor's Appeal raising in excess £1400. In addition, the Mayor announced he is bringing together a team to take part in the 5k inflatable challenge being held on the 14th October at Stratford Racecourse to raise funds for his appeal.

CL22 **Public Participation**

Question 1 – Mr S. Margrave submitted the following question to the Leader of the Council.

Many local people will rightly be concerned at new reports about Reinforced autoclaved aerated concrete (RAAC) in school buildings making them unsafe.

Can the leader of the Council please tell residents and Council if the Council has looked at and discovered if there are any schools or others buildings in Council or others ownership in Nuneaton, Bedworth or Bulkington that contains RAAC, if he will provide a list of those buildings or planned works to resolve this issue, and set out what is this Council doing to keep residents safe (in respect of the use of any Reinforced autoclaved aerated concrete buildings in the borough) in the mean time?

Councillor K. Wilson, Leader of the Council, provided the following written response:

Schools are not the responsibility of the Borough Council and it is for Warwickshire County Council as the education lead who will be responsible for them.

In relation to buildings owned by the Borough Council, we are in the process of commissioning surveys to buildings which have been identified with the potential to contain RAAC. The surveys will be undertaken in the coming weeks. The outcomes of those surveys will identify any remedial works that may be required, and the Council will undertake those works as necessary.

The safety of our tenants, be they residential or commercial, is of paramount importance.

Question 2 – Mrs Michele Kondakor asked the following question to the Leader of the Council:

Many towns have permanent Covid memorials in areas such as parks. The Council is planning extensive works to the destination parks in both the towns in the Borough. Is the Council still considering plans to have a suitable memorial in the Borough to those who lost their lives from the pandemic?

Councillor K. Wilson, Leader of the Council, responded as follows:

The plans are still developing for Riversley Park and Miners Park as we work to refurbish and upgrade them as we go along, which is ably being led by Councillor Gutteridge in charge of the Parks Department. He will review the situation as and when, because obviously we do have a budget to stick to, and to see whether it is possible to get it within budget.

I'm sure Mrs Kondakor and other Councillors are aware that the economic situation is challenging for everyone at present, and there are cost pressures on every single project across the Country. So, we have to be as responsible as we possibly can, but where it is possible we will endeavour to do so Mr Mayor.

Question 3 – Ms Nicola Ross asked the following question to the Portfolio Holder for Housing and Communities:

Thank you, good evening. As a concerned business in Nuneaton Town I have great concerns on the anti-social behaviour in the Town Centre. This is a daily occurrence and I would like to know what the action plan is to solve the issues. Since the new drink shop has opened by the bus station the situation is unbearable. The behaviour does not encourage footfall into our Town Centre and with the darker nights approaching this is very worrying leaving the workplace for our safety at night.

Councillor C. Golby, Portfolio Holder for Housing and Communities responded as follows:

Thanks for the question. You didn't clarify it was by the bus station so my response is based on the question that I actually received. It's unclear from the question which Town Centre and where within that Town Centre the question refers to. However on a general note the Council has 24-hour CCTV in place and a Public Space Protection Order which allow enforcement action to be taken when alcohol or other substances are consumed, that results in ASB. We work in close partnership with the Police who issue their own measures to address issues of ASB and will continue to do so. We have and we will remove alcohol licenses off establishments should that be necessary. Finally, I'd like to point out that the largest retailers of alcohol in our Town Centres are most likely to be the long-established supermarkets. It would be helpful if you can contact the Community Safety Team and raise the issues with the Community Safety Team. Also if you've got any references from contact with the Police, pass them over and we can work on it for you.

Ms Nicola Ross asked the following supplementary question:

Have we got recordings of any arrests on the Anti-Social Behaviour within the Ring Road this year and has that progressively got worse as the year's gone on?

Councillor C. Golby responded as follows:

This is a Police issue. You'd have to actually ask them on their arrest record for that.

CL23 Questions by Members

Question 1 – Councillor Kyle Evans asked the following question to the Leader of the Council:

Can I ask the Leader of the Council if he will confirm that this Council will continue to be a pro-motorist Council for as long as the Conservatives remain in control?

Councillor K. Wilson, Leader of the Council, responded as follows:

The short answer is yes. Whether people like it or not it is a fact of life that many people, not only within our Borough but across the Country, rely on the car to do their daily activities. Whether it be going to work, going to the shop, going into the town centres etc. We cannot ignore the fact that actually our town centres rely heavily for their business and trade, and indeed the Market Traders Mr Mayor, for people coming in who have come in by car. It is an inconvenient truth to some Mr Mayor, but it is the truth, nevertheless. So wherever possible Mr Mayor, we will endeavour to be as pro-business, which actually means being pro-motors as we can be in this Council.

Where do people think that the shops and traders and businesses within our town centres, and indeed other commercial estates within Nuneaton and Bedworth get their goods? They arrive by car, by van, by lorry etc. Without those things we have no business, without a business we have no economy Mr Mayor, and without an economy more importantly our residents have no jobs. So yes Mr Mayor, we will continue to protect and incentivise people coming into our town centres so that we can breathe life into our economies moving into the future.

Councillor K. Evans asked the following supplementary question:

Thank you for the comprehensive response. We know that there's an ongoing war against the motorist, and we also know that several Labour City Councils have been instructed by the Labor leadership to start introducing ultra-low emission zones. We've seen this in Birmingham, Glasgow and now London. So, my supplementary question to the Leader of the Council is this: Should Labour-controlled Coventry City Council decide to introduce an ultra-low emission Zone in Coventry, which would see Bedworth residents having to pay money to enter the boundary of the City, will the Leader of the Council use every single weapon in his arsenal to put a fight against that?

Councillor K. Wilson responded:

I don't think the Labour Leader of Coventry City Council will pay me much attention, in fact I don't think he likes me very much to be honest, but he would be the latest in a long queue Mr Mayor. But Councillor Evans is absolutely right, an ultra-low emission zone is a tax on homeowners, it is an attack on businesses, it is a tax on shoppers, it is it is a tax on jobs - and that is why ultimately residents up and down the Country are up in arms about it, and we will not support it whether it be in Coventry or in Warwickshire Mr Mayor. And whatever representations we can make to Labour Coventry then we will do so. But of course, my ultimate message to the residents of

Coventry would be if you don't want an ultra-low emission Zone in Coventry, and also to the residents of Bedworth actually, vote Conservative because we will protect those jobs, businesses and homeowners.

Councillor K. Kondakor moved that the above question and answer be referred to the relevant OSP for further consideration.

Councillor M. Wright seconded the motion.

A vote was taken.

The motion was lost.

Question 2 – Councillor Keith Kondakor asked the following question to the Portfolio Holder for Finance and Corporate:

I have been very concerned by the current administration's reckless capital programme since you took control. It seems Bedworth Physical Activity Centre is still millions of pounds underfunded even if we get full Section 106 payments from develops such as Bedworth Woodlands.

Can the Cabinet Member explain how the council is going to pay all the required interest costs of the £20 million pound hotel, interest costs for unfunded cost part of the Bedworth Physical Activity Centre and interest on all the rest of the planned developments like the Cinema until each project could realistically cover its own costs? Thank you, Mr Mayor.

Councillor S. Croft, Portfolio Holder for Finance and Corporate, responded as follows:

Councillor Kondakor has indeed long put on record his opposition to the regeneration program that we're pursuing across our Borough, although I'm still amused to this day that his qualms did not extend to trying to spend one million pounds on windows in this building. Mr Mayor first let me address the Bedworth Leisure Centre, and I can't bring myself to call it a Physical Activity Hub, I'm too old-fashioned I'm afraid. Councillor Kondakor is correct to identify that the Bedworth Leisure Centre was unfunded when we took control, as the previous administration had not even budgeted the full amount for the planning and architectural stages of that project. A throwaway reference in a Cabinet Report to further 'funding needing to be identified' is not the same thing as a plan. Had we not been able to secure, through Councillor Evans - a fantastic intervention, the necessary half a million pounds as part of our levelling up fund bid, one of the earliest decisions we made, that project would have died then.

He must also remember that the status quo with the current Bedworth Leisure Centre, within a very few short years, will also be untenable with millions of

pounds of dilapidations and repair work being needed to keep it simply operational. To halt the project would not improve our financial outlook. Now Mr Mayor, to his comment that the project is currently unfunded, this is untrue. There has always been an element of prudential borrowing to the physical activity hub, the Leisure Centre project, whatever you want to call it. The challenge we faced in 2022-23 is the inflationary pressures which have afflicted the global economy, which increased the original borrowing forecast from the six plus five model, to the six plus five plus six problem that I identified at budget some months ago. Given the changing circumstances we face, we've taken the decision to pause the project and reassess, and we have now rephased our timetables and rescoped the designs to bring it closer in line with our original budget. The results of which we'll come to Planning in the New Year. Under the new project spec, the forecast split remains as it was most recently reported - which is 15 million pounds of funding, two million pounds of Sport England funding, which leaves approximately 12 million pounds of currently projected prudential borrowing. Five million pounds of which will be against the future 106 monies. We do not forecast that the Leisure Centre project will require borrowing until late next year, so will not take place in the current interest rate environment. We will also capitalise the interest rate in the first year, in the interest payments in the first year, on this and all of our projects, to further reduce the impact on the general fund. The project once completed will go out to a contractor to manage along with the Pingles, and this is expected to bring in an income to offset the borrowing costs in future years once the project is live. In terms of the Grayson Place project the funding profile is not altered at Abbey Street, we are still at phase one and that is all we are expecting to do in 2023-24, with phase two still yet to be tendered. Grant funding from the Towns fund the Future High Street fund, Warwickshire County Council, the West Midlands Combined Authority totalling 16.1 million pounds has already been secured, and will be used first before we go out to borrow.

Capital of approximately £224,000 and internal borrowing, which is where we borrow from our own reserves and cash balances rather than going to an external lender where we'd have to pay interest, have been used to fund the project up to the end of this financial year. The remaining balance is currently due to be funded by external borrowing, but it will not all be borrowed at once, and that is subject to the tender process that we are ongoing for the next phase of the project.

Now Mr Mayor, because of the inflationary and the supply situation I referred to a moment ago, several of our regeneration and capital projects are not now scheduled to start or complete in this financial year, which has reduced our capital cost of regeneration for 2023-24. Given that slippage in capital projects due to the economic situation, we are taking the opportunity to conduct a thorough review on the affordability and viability of our capital projects and regeneration schemes, and as part of this review we are examining the potential of the Government's new Pathfinder project which will allow us to move funds between projects, because it was quite a restrictive set of grants that we'd had before, and we are having continual conversations with the West Midlands Combined Authority, Deluxe, Sport England etc. in

the aim of getting more funding for projects. I know that conversations have been had with Ministers and with Government Departments at the very highest level.

I want to reaffirm Mr Mayor that we will not proceed with unviable or unaffordable projects. Neither the Section 151 Officer nor myself, as Finance Portfolio Holder will approve them, and we will not shrink from any decisions however unpopular, to make sure that we are financially viable. Regeneration of our Borough and the financial viability of our Council are the two principles which we will constantly keep in mind, and we will do whatever it takes to achieve those objectives. Thank you very much.

Councillor K. Kondakor asked the following supplementary question:

Thank you very much Mr Mayor. Councillor Croft obviously misheard me and missed that I said the unfunded part of the cost for the physical activity centre, which I think is a £12M part. Interest on that would be about £600k a year. Can he explain, does that mean it's not going ahead at the moment until we get a government that can control inflation and interest rates, and does it also mean none of the other projects are going to go ahead, because you just can't afford all these vanity projects. Is that correct? Thank you.

Councillor S. Croft responded at follows:

Thank you very much Mr Mayor, I rather feel that Councillor Kondakor had his supplementary written before he heard my answer. As I said we will be capitalising the interest in the first year and we will be examining the rate of repayment as we come to the general fund budgeting process at the time. But we are not anticipating borrowing until the end of next year at the very earliest, so I struggle to see his point there.

Question 3 – Councillor Mike Wright submitted the following question to the Leader of the Council:

With regard to the former Woolworths site, which was due to be taken over by Wilko's, can the responsible Cabinet Member clarify to the council what the financial implications of Wilko's collapse are likely to be?

The Leader of the Council, Councillor K. Wilson, responded as follows:

Thank you, Mr Mayor. I think first and foremost what we have to recognise is the human cost of the collapse of Wilko's, that we have a number of residents across our Borough who are at risk, and I think we've all seen in the news Mr Mayor how the situation has been ever changing. I think our thoughts would all go out to the members of staff who are living in greatly uncertain times at the moment, and their priority will be on securing their future in their livelihood and being able to keep the basics going. As I said a moment ago, it is an ever-changing situation, and then as I highlighted to the Chief Executive today, just before Council, it flashed up on my phone actually whilst I was at work, that apparently I think it's The Range have submitted a 5 million pounds bid to purchase the Wilko's brand. What that actually means we do not yet know, it's news which has come out today, Mr Mayor.

It is fair to say that we did, in the budget process, put an element of income in for the Woolworth site being re-let out to Wilko's, because at the time we budgeted there was no indication whatsoever that Wilco's was on its way under. No one would have foreseen that two months ago, or even when we set the budget in February. I have to say as well before anyone gets on the bandwagon saying that the move from its current site down by the library to where it would be in Woolworths is a contributing factor, that is absolute rubbish Mr Mayor. The move was fully funded. It was agreed by its new owner, which is the Warwickshire County Council, to move into our site at Woolworths, and so all the fit out and refurbishment costs would have been borne as part of that process. So, they would have actually had a better site I would have said at Woolworths, right in the heart of the Town Centre rather than on the periphery, which would have actually improved their business model here in Nuneaton Mr Mayor. And I would suspect, and I've heard anecdotally that actually Nuneaton is one of its better or was one of its better performing outlet. Because a lot of our residents across Nuneaton and Bedworth and beyond would come in to use Wilko's because it was good value for money, and lots of our residents would need that, particularly in these difficult times that we are facing due to the global economic situation. So we will be maintaining a watching brief on this Mr Mayor, because obviously I don't have a crystal ball, I don't know what's going to happen. But as soon as we had the news that Wilko's was going under, myself and Councillor Croft, as the responsible Portfolio Holders were in discussions with the Strategic Director for Economy and Transformation, Mr Shardlow, to get in touch with the administrators to see what the implications would be and whether we could get any information out on that. To date there has been very little information coming out, but it is a fast-changing situation Mr Mayor, so as soon as we know anything else we will try and factor that into the budgetary position, and try and see what that means for the wider town centre. Because it is an ecology in our town centre that having good shops helps bring people in, and having good markets helps bring people in and the two will cross over so that is the answer in terms of finances Mr Mayor. But I think the human cost is the one that I am most concerned about at the moment.

CL24 **Special Urgency Decisions**

None

CL25 **Cabinet**

The Leader of the Council submitted the Leaders report on behalf of Cabinet. The report highlighted matters considered at the Cabinet meetings held on 26th July 2023 and 6th September 2023 and details of reports from the West Midlands Combined Authority Board (WMCAB), which has a direct impact on NBBC, namely the WMCA Board meetings held on 21st July 2023.

RESOLVED that the report be noted.

CL26 **Recommendations from Cabinet and Other Committees**

i) **Employee Code of Conduct: Recommended changes by the External Auditor**

At the meeting of Audit and Standards Committee held on 11th July 2023 a report on the above was submitted by the Monitoring Officer, was considered and a recommendation was then put forward to Council for approval. Councillor R. Baxter Payne proposed the recommendation on the report for approval with the following amendment:

Point 5B10 d) be amended to read ‘The Council will hold and maintain a record of all Employee Declarations with proper confidentiality and will publish Employee Declarations on the Council’s website at Head of Service level or above’

This was seconded by Councillor D. Brown.

RESOLVED that the Constitution be amended accordingly and point 5B10 d) be amended to read:

‘The Council will hold and maintain a record of all Employee Declarations with proper confidentiality and will publish Employee Declarations on the Council’s website at Head of Service level or above’

Councillor K. Kondakor requested his vote against the recommendation be recorded in the minutes.

ii) **Recommendations from the Constitution Review Working Party**

At the meeting of Audit and Standards Committee held on 11th July 2023 a report on the above was submitted by the Monitoring Officer and recommendations put forward for Council approval.

Councillor R. Baxter-Payne moved the recommendation for Council approval.

This was seconded by Councillor S. Markham.

RESOLVED that the Constitution be amended accordingly

Councillor K. Kondakor requested his vote against the recommendation be recorded in the minutes.

iii) **Statement of Community Involvement**

At the meeting of Cabinet held on 26th July 2023, a report by the Assistant Director – Planning was submitted and recommendations put forward for Council approval.

Councillor R. Smith moved the recommendation for Council approval

This was seconded by Councillor D. Brown

RESOLVED that the Statement of Community Involvement be adopted

iv) **Capital Outturn 2022/23**

At the meeting of Cabinet held on 26th July 2023, a report by the Strategic Director – Finance and Governance was submitted, and recommendations put forward for Council approval.

Councillor S. Croft moved the recommendation for Council approval.

This was seconded by Councillor C. Golby

Councillor K. Kondakor moved the following amendment:

‘That an updated capital budget for 2023/24 alongside the latest multiyear capital programme are presented to the next normal or extraordinary Council meeting for consideration’

This was seconded by Councillor M. Wright

A recorded vote on the amendment was taken as follows:

FOR: Councillors K. Kondakor and M. Wright

AGAINST: Councillors R. Baxter-Payne, B. Beetham, D. Brown, C. Cape, J. Clarke, T. Cooper, J. Coventry-Moreton, S. Croft, L. Cvetkovic, L. Downs, K. Evans, C. Golby, M. Green, J. Gutteridge, B. Hammersley, S. Harbison, S. Markham, G. Moreton, B. Pandher, J. Singh, R. Smith, M. Tromans, R. Tromans, M. Walsh, K. Wilson

ASTENTIONS: Councillors J. Sheppard, T. Sheppard, E. Shiers, and C. Watkins

The amendment was lost.

A vote was taken on the substantive motion

RESOLVED that the updated capital budget for 2023/24 as detailed in Appendix 2 of the report be approved.

v) **Annual Treasury Management Report 2022/23**

At the meeting of Cabinet held on 26th July 2023, a report by the Strategic Director – Finance and Governance was submitted and recommendations put forward for Council approval.

Councillor S. Croft moved the recommendations for Council approval.

This was seconded by Councillor S. Markham

RESOLVED that

- a) The actual 2022/23 Treasury and Prudential Indicators detailed in the report and summarised in Appendix 1 of the report be approved; and
- b) The Annual Treasury Management Report for 2022/23 be noted.

vi) Corporate Enforcement Policy and Corporate Debt Policy

At the meeting of Cabinet held on the 6th September 2023 a report by the Strategic Director – Finance and Governance was submitted and recommendations put forward for Council approval.

Councillor S. Croft moved the recommendation for Council approval

This was seconded by Councillor K. Wilson

RESOLVED that the Constitution be updated accordingly

vii) Capital Forecast Q1 2023/24

At the meeting of Cabinet held on the 6th September 2023 a report by the Strategic Director – Finance and Governance was submitted and recommendations put forward for Council approval.

Councillor S. Croft moved the recommendation for Council approval

This was seconded by Councillor C. Golby

RESOLVED that the update to the Capital Budget as detailed at part 4.10 of the report be approved.

Councillor K. Kondakor requested his vote against the recommendation be recorded in the minutes.

CL27 Borough Plan Review Regulation 19 and Gypsy and Traveller Site Allocations Main Modifications Consultation

A report by the Assistant Director – Planning was submitted to Council to update on the process of the Borough plan Review Publication Development Plan Document (DPD) and commencement to Regulation 19 Consultation Stage.

Councillor R. Smith moved the recommendation put forward for Council approval.

This was seconded by Councillor K. Wilson

RESOLVED that the current schedule for Regulation 19 Stage of the Borough Plan Review documents and to the Main Modifications and supporting documents currently undergoing consultation to the Gypsy and Traveller Site Allocation DPD be approved.

CL28 **Article 4 Directions – Abbey and Bulkington Conservation Areas**

A report by the Assistant Director – Planning was submitted to Council seeking approval to cancel and renew Article 4(1) Directions in the Abbey and Bulkington Conservation Areas.

Councillor R. Smith moved the recommendation put forward for Council approval.

This was seconded by Councillor K. Wilson

RESOLVED that the cancellation and renewal of Article 4 (1) Directions in the Abbey and Bulkington Conservation Areas be approved.

Mayor

Council - Schedule of Declarations of Interests – 2023/2024

	Name of Councillor	Disclosable Pecuniary Interest	Other Personal Interest	Dispensation
