AGENDA

PART I - PUBLIC BUSINESS

1. APPOINTMENT OF CHAIR

2. EVACUATION PROCEDURE

A fire drill is not expected, so if the alarm sounds please evacuate the building quickly and calmly. Please use the stairs and do not use the lifts. Once out of the building, please gather outside Lloyds Bank on the opposite side of the road.

Exit by the door by which you entered the room or by the fire exits which are clearly indicated by the standard green fire exit signs.

If you need any assistance in evacuating the building, please make yourself known to a member of staff.

Please also make sure all your mobile phones are turned off or set to silent.

3. APOLOGIES - To receive apologies for absence from the meeting.

4. DECLARATIONS OF INTEREST

To receive declarations of Disclosable Pecuniary and Other Interests, in accordance with the Members' Code of Conduct.

Declaring interests at meetings.

If there is any item of business to be discussed at the meeting in which you have a disclosable pecuniary interest or non-pecuniary interest (Other Interests), you must declare the interest appropriately at the start of the meeting or as soon as you become aware that you have an interest.

Arrangements have been made for interests that are declared regularly by members to be appended to the agenda (**Page 4**). Any interest noted in the Schedule at the back of the agenda papers will be deemed to have been declared and will be minuted as such. As a general rule, there will, therefore, be no need for those Members to declare those interests as set out in the schedule.

There are, however, TWO EXCEPTIONS to the general rule:

1. When the interest amounts to a Disclosable Pecuniary Interest that is engaged in connection with any item on the agenda and the member feels that the interest is such that they must leave the room. Prior to leaving the room, the member must inform the meeting that they are doing so, to ensure that it is recorded in the minutes.

2. Where a dispensation has been granted to vote and/or speak on an item where there is a Disclosable Pecuniary Interest, but it is not referred to in the Schedule (where for example, the dispensation was granted by the Monitoring

Officer immediately prior to the meeting). The existence and nature of the dispensation needs to be recorded in the minutes and will, therefore, have to be disclosed at an appropriate time to the meeting.

Note: Following the adoption of the new Code of Conduct, Members are reminded that they should declare the existence and nature of their personal interests at the commencement of the relevant item (or as soon as the interest becomes apparent). If that interest is a Disclosable Pecuniary or a Deemed Disclosable Pecuniary Interest, the Member must withdraw from the room.

Where a Member has a Disclosable Pecuniary Interest but has received a dispensation from Standards Committee, that Member may vote and/or speak on the matter (as the case may be) and must disclose the existence of the dispensation and any restrictions placed on it at the time the interest is declared.

Where a Member has a Deemed Disclosable Interest as defined in the Code of Conduct, the Member may address the meeting as a member of the public as set out in the Code.

Note: Council Procedure Rules require Members with Disclosable Pecuniary Interests to withdraw from the meeting unless a dispensation allows them to remain to vote and/or speak on the business giving rise to the interest.

Where a Member has a Deemed Disclosable Interest, the Council's Code of Conduct permits public speaking on the item, after which the Member is required by Council Procedure Rules to withdraw from the meeting.

“Where relevant representations are made, the authority **must**, having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives. The steps are:

- (a) to grant the licence subject to such conditions the authority considers necessary for the promotion of the licensing objectives;
- (b) to exclude from the scope of the licence any of the licensable activities to which the application relates;
- (c) to reject the application.”

If none of these steps are required the application must be granted.

4.2 Members should note that this application has policy implications as detailed in section 5 of this report.

4.3 Members are reminded that all applications must be considered on their own merits, and that findings on any issues of fact should be on the balance of probability. The Sub-Committee is only considering the issues raised in the representations.

4.4 Members are advised to give consideration to the application that has been submitted and to this report.

4.5 Having considered the application, the operating schedule (section 18 of the application) submitted with the application, any representations submitted, the legislative provisions, the Statement of Licensing Policy and the Guidance issued by the Secretary of State, Members have the options set out in the following paragraphs.

4.6 If Members find that crime and disorder/public nuisance/public safety/harm to children as raised in the representation(s) is likely, but are satisfied with the

- 4.7 If Members find that public crime and disorder/public nuisance/ public safety/harm to children as raised in the representation(s) is likely, but determine that the steps needed to promote the licensing objectives proposed by the applicant should be modified, they can grant the licence subject to revised conditions considered necessary to promote the licensing objectives.
- 4.8 If Members find that crime and disorder/public nuisance/public safety/harm to children as raised in the representation(s) is likely, but determine that the promotion of the licensing objective cannot be met through the imposition of conditions on the licence, they can reject the whole or part of the application.
- 4.9 If Members find that crime and disorder/public nuisance/public safety/harm to children as raised in the representation(s) is not likely, the application must be granted.

5. **Licensing Policy and Section 182 Guidance**

- Protection of children from harm

These objectives are the only matters that can be taken into account in determining an application and any conditions attached to licences must be necessary to achieve the licensing objectives.

 - (b) any conditions which must under section 19, 20 or 21 be included in the licence.
- (3) Where relevant representations are made, the authority must -

 - (b) having regard to the representations, take such of the steps mentioned in subsection (4) (if any) as it considers necessary for the promotion of the licensing objectives.
- (4) The steps are -

- (8) Where the authority determines for the purposes of subsection (7)(c) that any representations are frivolous or vexatious, it must notify the person who made them of the reasons for its determination.
- (9) The requirements of this subsection are that the representations -
 - (a) were made by a chief officer of police for a police area in which the premises are situated, and
 - (b) include a statement that, due to the exceptional circumstances of the case, he is satisfied that the designation of the person concerned as the premises supervisor under the premises licence would undermine the crime prevention objective.
- (10) In discharging its duty under subsection (2) or (3)(b), a licensing authority may grant a licence under this section subject to different conditions in respect of –
 - (a) different parts of the premises concerned;
 - (b) different licensable activities.

7. Legal Observations

- 7.1 The purpose of Nuneaton and Bedworth's Statement of Licensing Policy is to make it clear to applicants that wider considerations will be taken into account when determining applications. It is intended to guide the Licensing Committee and sub-committees when considering licence applications. However, the Licensing sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where the circumstances of the application justify allowing an exception. The burden is on the applicant to show that they comply with the policy.
- 7.2 Members must determine, having regard for evidence, whether granting the application for a premises licence will impact adversely on the policy criteria listed in section 5 of this report.
- 7.3 In accordance with the provisions of Part 1 of Schedule 5 of the Act, where a Licensing Authority rejects in whole or part, the applicant may appeal against the decision, to a magistrate's court within 21 days of being notified in writing of the decision.
- 7.4 Similarly, where a person who make relevant representations in relation to the application contends that the licence ought not to have been granted, or that, different or additional conditions should have been imposed on the licence, he may appeal against the decision to a magistrates court within 21 days of being notified in writing of the decision.
- 7.5 The Human Rights Act 1998 incorporates the key articles of the European Convention on Human Rights into domestic law. Decisions on licensing matters are actions of a public authority and must be compatible with Convention rights. Consequently Members of the sub-committee must be aware of the rights contained in the Convention (particularly those set out below) when making licensing decisions.
- (a) Article 6: Right to a fair trial – In the determination of his civil rights and obligations, everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law.
 - (b) Article 8: Right to respect for private and family life -Everyone has a right to respect for his or her private life, his home and correspondence.
 - (c) Article 1 of the First Procedure: Protection of property – Every natural or legal person is entitled to the peaceful enjoyment of his possessions, including a licence. No one shall be deprived of his possessions except in the public interest and subject to the conditions provided for by law and by the general principles of international law.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Re: Off licence - 259 Smorrall Lane

Dear Sir/Madam,

Regarding the above, I would like the council to grand the permit for what they are asking. I have met the people who are going to be running the business and I'm very pleased with their practices. We need a decent corner shop.

Thank you. [REDACTED]

| Please summarise your concerns about this application: |
|---|
| <p>I own a Costcutter down the street from the premises, which already has an alcohol license, so allowing another business to have a 24-hour alcohol license will only increase the risk of antisocial behaviour. In addition, the Costcutter that I own is my main source of income that helps me provide for my family, so having a shop that has a 24-hour alcohol license will only off-put potential customers into coming to my shop to buy necessities, due to the possible public disorder, listed as one of the licensing objectives.</p> |

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

My objection is based on my concern that this new license may increase the possibility of public nuisance for many dwellings and businesses nearby, including my own. The basis for this opposition is that granting a license for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder, and antisocial behaviour.

Granting a 24-hour alcohol license will very likely increase the cumulative stress of noise and nuisance in the Bedworth area. Residents are keen to make sure that Bedworth does not turn into a village of bars, off licenses and take aways. We feel that the licensing objectives would be compromised if this store were granted after-hours alcohol sales.

In addition, it is a bad decision to incur a 24-hour alcohol license on a petrol station as this might encourage people to drink and drive, which goes against the prevention of crime and disorder licensing objective, and it will be a danger to the public living close by. It will go against the protection of children from harm licensing objective, as there are nurseries within the vicinity and to protect the children I strongly object against the alcohol license grant.

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

from this entry mainly consisting of beer cans and 5m bottles of spirits and even plastic glasses from the nearby Pub. There is already an off license not 100yds away that is open until 10 o'clock at night and a pub a little further down the road.

We have already had a shooting by the entry and Smercate road there have been stolen cars left also our car window has be smashed late at night. We have known druggies living in Smercate close that use the entry to exchange drugs. and we do not need any more reasons to entice youths to this area.

Under the Licensing Act 2003 (Hearings) Regulations 2005 we are required to provide the applicant with copies of relevant representations. Therefore, we will be releasing your name and address to the applicant with the details of your representation unless you advise us that you do not wish us to do so for fear of intimidation. If you do not want us to release your details this would mean, however, that your representation would not be put forward as an objection to the licence.

ALCOHOL LICENSING: PETITION OBJECTION LETTER

Date: 3 January 2024

Licensing Section
Nuneaton and Bedworth Borough Council Town Hall
Coton Road
Nuneaton
CV11 5AA

We, the residents of Bedworth, object to the granting of an alcohol licence to Sri Balaji SVC STN, 259 Smorrall Lane, Bedworth, CV12 0LQ.

We have an interest in this application that is greater than the general public because the premises subject to this application are located in the middle of this suburb. Most of our members live within one kilometre from the location.

We object to the application for an alcohol license on the grounds of this is a residential area, and we don't find our self-safe to live in this area because there is no public safety especially for our children. They are exposed to this environment where this will encourage them to smoke and drink at an early age. There are two nurseries within the vicinity of this shop, so having a 24-hour liquor shop seems implausible, as it is putting the young children in an unsafe environment. Furthermore, there is a Bedworth Health Community Centre located down the street, where many elderly people attend and socialize and granting Sri Balaji with a 24 hour alcohol license, will create a public nuisance to the Community Centre.

In addition, there are other local businesses within the vicinity of the shop, a 24-hour liquor shop will affect the business of those shops, as it will become a public nuisance and deter possible customers. As a result, affect small business owners' source of income. This concerns us as residents and small businesses and we believe it could lead to an increase in antisocial behaviour, disturbance to neighbours and increased traffic during night hours.

So, for the prevention of more crimes, for public safety, for the protection of children from harm and to make their future safe, this alcohol license should not be granted.

Listed below are the people who have an objection to the grant of this alcohol license.

I hope you take this petition into consideration when deciding whether to grant an alcohol license.
