

NUNEATON AND BEDWORTH BOROUGH COUNCIL

INDIVIDUAL CABINET MEMBER DECISION

Councillor: Councillor T. Jenkins
Cabinet Member for: Leisure, Communities and Health
Report by: Parks and Greenspaces Manager
SUBJECT: **Sorrell Road Park Project**
Date Decision made: Thursday 6th September, 2024
Place: Committee Room D, Town Hall, Nuneaton
Officer Present: David Truslove, Parks and Greenspaces Manager

DECISION:

IC01 **RESOLVED** that the project funding structure and partnership working with WCAVA and Hill Top and Caldwell Big Local (HTC) project board be approved.

REASON FOR THE DECISION:

Nuneaton and Bedworth Borough Council (NBBC) have been working informally with the HTC project board for 2 years, discussing what legacy project the group would like to fund, as their 10 year program ends in 2025. HTC have committed £100k to help redevelop Sorrell Road Park in Nuneaton. NBBC has committed match funding of £125k from UKSPF year 3 funding to enable the park to be fully refurbished.

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

- Do not approve the project funding and partnership working, thus reducing the budget available and risk not being able to redevelop the park fully.
