

PLANNING APPLICATIONS COMMITTEE

**ADDENDUM
15th September 2020**

Item 1

In Neighbour Responses please add:-

7. Visual impact of trimming trees on one side may cause trees to appear unbalanced and disfigured.

ADD:

Please change number of objections received to a total of three to include 37 Ivanhoe Avenue.

ADD to summary of objections received;

The occupier at 37 Ivanhoe Avenue provided an objection which included concerns regarding the re growth of the trees, concerns that some of the trees are located within their boundary and do not wish to oblige to the works proposed, concerns over the extent of the proposed works. The objector at this address also raised concerns over the regrowth of trees and this impact on the access road, as well as concerns regarding the impact of the tree works on the tree roots and overall stability.
