OFFICIAL

Dear Jade,

My colleague has made me aware that there are no pressing comments or concerns. On a positive note, we would like to thank you for working with Transport Planning who I understand have been heavily involved in transport requirements relating to active travel, public transport and highways. We believe the Strategic Transport assessment considers the necessary infrastructure requirements to support the plan making process. I can assure you that WCC remains committed to working with the Borough to support the delivery of the Local Plan.

I am so sorry you have had to chase us for this.

Kind regards

Janet

Hi Janet,

I am emailing in relation to our Regulation 19 consultation on the Borough Plan Review which closed yesterday. Having reviewed the responses received we don't seem to have received anything from WCC to date. Please are you able provide any comments you have received from the relevant departments within WCC as we can keen to continue dialogue with you as we gear up for submission to the Planning Inspectorate which are targeting in December 2023.

[@Alan Law](#) I have copied you in as I am conscious Highways submitted separate comments to the Preferred Options consultation.

If you wish to submit a representations, please can you advise when you will be able provide us with comments on this. We are happy to set up a meeting to discuss any comments you may have.

Many thanks
 Sarah

Subject: Consultation notification - Publication version of Borough Plan Review and Main Modifications to Gypsy and Traveller Site Allocations DPD

Dear Sir / Madam,

Nuneaton and Bedworth Borough Council will commence consultation today on the following planning policy documents:

Borough Plan Review Development Plan Document (DPD) – Publication version (Regulation 19 of the Town and Country Planning (Local Planning) (England) Regulations 2012)

The Borough Plan Review sets out the strategy for the Borough for the plan period up to 2039. This is the final opportunity to have your say before the Plan is submitted to a Government Planning Inspector for independent examination. This is different from previous stages as it no longer seeks views on alternative options. This Regulation 19 consultation will require submissions to specifically focus on the following issues:

- Legal Compliance – does the plan meet the legal requirements made under various statutes?
- Duty to Cooperate – has the Council engaged and worked effectively with neighbouring authorities and statutory bodies?
- Soundness – has the plan been positively prepared, justified, effective, and consistent with national policy?

Gypsy and Traveller Site Allocations Development Plan Document (DPD) – Main Modifications

The Gypsy and Traveller DPD plans to provide sufficient sites to meet the Gypsy, Traveller and Travelling Showpeople needs up to 2037. As part of the Examination process, amendments to the DPD have been agreed with the Inspector. 'Main' modifications are those recommended by the Inspector to make the DPD sound and legally compliant, and 'additional' modifications are those which do not materially affect the Policies in the DPD, but which are generally minor factual updates; corrections of any errors or which are considered necessary for clarity.

Taking part

The documents above will be subject to a 6 week public consultation. The consultation documents, supporting documents and response forms can be found on the Council's website at www.nuneatonandbedworth.gov.uk/consult. Hard copies of the documents are also available for inspection at the following: Bedworth Library; Bulkington Community Library; Nuneaton Library and Nuneaton Town Hall, Coton Road, Nuneaton CV11 5AA.

To support the consultation, officers of the Council will be available to answer questions on the consultation at Nuneaton Town, Coton Road, Nuneaton, CV11 5AA on Monday to Friday between 10am and 2pm.

All responses should preferably be sent via email to planning.policy@nuneatonandbedworth.gov.uk or in writing to:

Nuneaton and Bedworth Borough Council
