

THE HOUSE PROJECT is a National Charity.

Our local House Project is commissioned by Warwickshire County Council. We support young people into property and make sure they maintain and sustain their tenancy.

We have supported young people to successfully transition into their own properties and continue to support them with regular meetings and check ins. All our young people are from a care background, and we put a lot of time into making sure they become good tenants.

THE
HOUSE PROJECT
Warwickshire

Warwickshire
County Council

Here are some of the benefits of the House Project:

- Equitable Tenancy Agreement, Guarantor Agreement from Warwickshire County Council (WCC)
- Rent / Damages – Guaranteed from WCC for 12 months – Smooth transfer to Universal Credit at 18yrs (if applicable), with dedicated adviser.
- Ongoing Support from House Project Team once tenant is housed, regular visits and spot checks.
- House Project is based at Portland House, 16 Orchard Street, Nuneaton and have a Countywide remit...
- All our tenants will have had a 6-month 'Independent Living Skills' accredited training course.
- All our tenants will be in Education, Employment or Training or working with us towards it.
- Supporting a successful project with a National presence that is growing in size and reputation!
