Summary and Explanation

# CONSTITUTION

Part 1

# **PART 1 - SUMMARY AND EXPLANATION**

## **1.1 THE COUNCIL'S CONSTITUTION**

Nuneaton & Bedworth Borough Council has agreed a new Constitution which sets out how the Council operates, how decisions are made, and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by law, while others are a matter for the Council to choose.

The Constitution includes 15 articles, which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

## **1.2 WHAT'S IN THE CONSTITUTION?**

Article 1 of the Constitution commits the Council to conduct all its business in an efficient, open and transparent way, ensuring that those who take decisions on behalf of the Council are clearly accountable for those decisions.

Articles 2 and 3 respectively, cover the role, rights and duties of Members; and, the rights of citizens.

Articles 4 to 15 set out the key components of the Council, and how it will operate.

These are:

- a) Members of the Council (Article 2)
- b) Citizens and the Council (Article 3)
- c) The Full Council (Article 4)
- d) Chairing the Council (Article 5)
- e) Overview & Scrutiny of Decisions (Article 6)
- f) The Executive (called "the Cabinet" in Nuneaton and Bedworth) (Article 7)
- g) Regulatory, Other Committees and Sub-Committees (Article 8)
- h) The Audit & Standards Committee (Article 9)
- i) Joint Arrangements (Article 10)
- j) Employees (Article 11)
- k) Decision Making (Article 12)
- l) Finance, Contracts and Legal Matters (Article 13)
- m) Review and Revision of the Constitution (Article 14)
- n) Suspension, Interpretation and Publication of the Constitution (Article 15)

### **1.3 HOW THE COUNCIL OPERATES**

The Council is composed of 34 Members, each elected for a four-year term, to represent one of 17 Wards. Members are democratically accountable to residents of their Ward. The overriding duty of Members is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

Members have to agree to follow a Code of Conduct to ensure high standards in the way they undertake their duties. The Audit & Standards Committee trains and advises them on the Code of Conduct.

All Members meet together as the Council. Meetings of the Council are normally open to the public. Here Members decide the Council's overall policies and set the budget each year. The Council elects the Leader for a four year term, lasting from one election to the next. However, the Council may resolve to remove the Leader and elect a replacement during this period. The Leader appoints other members of the Executive (known as Cabinet Members) and also decides on the delegation of executive powers, and, subject to delegation, representatives to outside bodies. Through the year, decision-makers and Committee Chairs report on their work. There will be time set aside for public questions at every Council meeting.

### **1.4 HOW DECISIONS ARE MADE**

The Cabinet is the part of the Council which is responsible for most decisions. The Cabinet is made up of a Leader with four Cabinet Members. When major decisions are to be discussed or made, these are published in the Cabinet's Forward Plan, in so far as they can be anticipated. If these major decisions are to be discussed with Council officers at a meeting of the Cabinet, this will generally be open for the public to attend, except where personal or confidential matters are being discussed. The Cabinet has to make decisions, which are in line with the Council's overall policies and budget. If it wishes to make a decision, which is outside the budget or policy framework, this must be referred to the Council as a whole to decide.

In addition, there are three Regulatory Committees, Planning Applications, Licensing and Appeals Committees that determine applications falling within the remit of those Committees.

### **1.5 OVERVIEW AND SCRUTINY**

There are three Overview & Scrutiny Panels who support the work of the Cabinet and the Council as a whole. They allow citizens to have a greater say in Council matters by holding public inquiries into matters of local concern. These lead to reports and recommendations, which advise the Cabinet and the Council as a whole on its policies, budget and service delivery. Overview & Scrutiny Panels also monitor the decisions of the Cabinet and Cabinet Members. They can 'call-in' decisions made but not yet implemented. This enables them to consider whether the decision is appropriate. They may recommend that the decision maker reconsiders the decision. They may also be consulted by the Cabinet or the Council on forthcoming decisions and the development of policy.

## 1.6 THE COUNCIL'S EMPLOYEES

The Council has people working for it (called 'officers') to give advice, implement decisions, and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A Code of Practice governs the relationships between officers and Members of the Council.

## 1.7 CITIZENS' RIGHTS

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau can advise on individual's legal rights.

Where members of the public use specific Council services, for example as a Council tenant, they have additional rights. These are not covered in this Constitution.

Citizens have the right to:

- a) Vote at local elections if they are registered;
- b) contact their local Member about any matters of concern to them;
- c) obtain a copy of the Constitution;
- d) attend meetings of the Council and its Committees except where, for example, personal or confidential matters are being discussed;
- e) petition to request a referendum on a mayoral form of executive;
- f) participate in the Council's question and comments time and, at the request of the relevant Overview & Scrutiny Panel, contribute to investigations by the Overview & Scrutiny Panels;
- g) find out, from the Executive's Forward Plan, what major decisions are to be discussed by the Cabinet, or decided by the Cabinet or officers, when they attend meetings of the Cabinet;
- h) see reports and background papers, and any record of decisions made by the Council and Cabinet;
- i) complain to the Council if they are unhappy about service delivery or actions taken by the Council. A leaflet describing this process, and a form to fill in, is available at main offices and on our website;
- j) complain to the Ombudsman if they think the Council has not followed its procedures properly. However, they should only do this after using the Council's own complaints process;
- k) inspect the Council's accounts and make their views known to the external auditor, and
- l) request information from the Council pursuant to the Data Protection Act; Freedom of Information Act and the Environmental Information Regulations.

The Leader can determine that executive decisions be taken by Cabinet collectively, by individual Portfolio holders, a Committee of Cabinet, or by an officer of the Council.

This article sets out the basic components of the Cabinet. The Rules of Procedure setting out how the Cabinet will operate are contained in Part 4D of the Constitution.

### **A7.2 ROLE**

### **ARTICLE 12: DECISION MAKING**

#### **A12.1 RESPONSIBILITY FOR DECISION-MAKING**

The Local Government Act 2000 changes the basis of decision making in local authorities fundamentally. It requires the Council to record and keep up to date details of who has responsibility for which decisions, and to make this available to the public.

Some decisions are for the Council to make or to delegate. The Council can delegate to Committees, Sub-Committees and officers, or to joint Committees, joint arrangements or other authorities. Those delegations must be recorded in the Council's Constitution which must be kept up to date.

Other decisions are for the Cabinet to make, and it is for the Cabinet to decide whether to delegate the power to make any of those decisions. Only the Cabinet may decide to delegate executive functions to Area Committees, joint arrangements or other local authorities. Where it does so, those delegations must also be recorded in the Cabinet's Scheme of Delegations in Part 3 of the Constitution. Though changes to the Constitution must be made by the Council, changes to the Scheme of Delegations are for the Leader and Cabinet to decide, and must be reported to the Full Council.

Where the power to take decisions is delegated by the Cabinet, the extent of the delegation must be recorded, as must any limitations on the delegated power. Details of the person, body or forum to which the decision is delegated must be recorded, as must the extent of delegation on to others from them.

The Council will issue and keep up to date a record of what part of the Council or individual has responsibility for particular types of decisions or decisions relating to particular areas or functions. This record is set out in Part 3 of this Constitution.

## A12.2 PRINCIPLES OF DECISION-MAKING

All decisions of the Council will be made in accordance with the following principles:

Good decision-making goes beyond observing the legal requirements to have regard to all relevant considerations and ignore all irrelevant factors. It involves the realistic evaluation of alternatives and due consultation through effective access for the public to decision-making and decision makers.

Decisions are *not* confined to Committees acting on officer reports or officers operating under delegated authority. A range of people and bodies potentially may take binding decisions, from an individual Cabinet Member to a meeting of a Cabinet or an Area Committee.

The following principles will apply:-

- a) Proportionality (i.e. the action must be proportionate to the desired outcome);
- b) due consultation and the taking of professional advice from officers;
- c) respect for human rights (see below for further details);
- d) a presumption in favour of openness;
- e) clarity of aims and desired outcomes;
- f) options offered for consideration will be explained; and
- g) the reasons for the decision will be recorded.

Councils should give particular consideration to ways in which human rights can be considered at an early stage in the decision-making process.

### A12.3 TYPES OF DECISION

#### a) **Decisions Reserved to Full Council**

Decisions relating to the functions listed in Article 4.3 will be made by the Full Council and not delegated.

#### **Key Decisions**

i. A Key Decision is a decision made in the exercise of an Executive function by any person or body that satisfies one or other of the following conditions:

1. The decision is likely to result in the Council incurring expenditure or making savings of £125,000 or more. Excluded from this are all loans to financial institutions made in accordance with the Treasury Management Strategy.

*Commentary:*

*In relation to the letting of contracts, the key decision is the proposed letting of the contract; the subsequent decision to award the contract to a specific contractor will not be a key decision.*

2. The decision is likely to be significant in terms of its effect on communities in any Borough Ward.

*Commentary:*

*In considering whether a decision is likely to be significant, the decision maker will need to consider the strategic nature of the proposal and the extent of its likely impact. In making this assessment the decision maker may wish to consult elected Members of the Ward or Wards affected.*

**NOTE for Guidance:**

**DETR Circular Guidance on the Question of Key Decisions States:**

“7.21 In considering whether a decision is likely to be significant, a decision-maker will need to consider the strategic nature of the decision and whether the outcome will have an impact, for better or worse, on the amenity of the community or quality of service provided by the Authority to a significant number of people living or working in the locality affected. Regard should ... be given to the underlying principles of accountable decision-making in paragraph 7.3 of this guidance to ensure that there is a presumption towards openness. While in broad terms, a key decision for the purpose of this test should be regarded as something which under-traditional arrangements would have been referred to a Committee or Sub-Committee of the Council for decision, rather than being delegated to officers, the Secretary of State recognises that there are large variations in the levels of delegation in decision-making by authorities at present. Local authorities should seek, through consultation with other local authorities of the same type and size, to ensure there are not large variations in the level of openness between authorities in the future, and that any convergence in the practice of authorities is in the direction of greater openness.”

- ii) A decision maker may only make a key decision in accordance with the requirements of the Cabinet Procedure Rules set out in Part 4 of this Constitution.

**A12.4 DECISION-MAKING BY THE FULL COUNCIL**

Subject to Article 12.8, the Council meeting will follow the Council Procedure Rules set out in Part 4 of this Constitution when considering any matter.

**A12.5 DECISION-MAKING BY THE CABINET**

Subject to Article 12.8, the Cabinet will follow the Cabinet Procedures Rules set out in Part 4 of this Constitution when considering any matter.

## **A12.6 DECISION-MAKING BY OVERVIEW & SCRUTINY PANELS**

Overview & Scrutiny Panels will follow the Overview & Scrutiny Procedures Rules set out in Part 4E of this Constitution when considering any matter.

## **A12.7 DECISION-MAKING BY OTHER COMMITTEES AND SUB-COMMITTEES ESTABLISHED BY THE COUNCIL**

Subject to Article 12.8, other Council Committees and Sub-Committees will follow those parts of the Council Procedures Rules set out in Part 4A of this Constitution as apply to them.

## **A12.8 DECISION-MAKING BY COUNCIL BODIES ACTING AS TRIBUNALS**

Many of the licensing and enforcement functions of ordinary Committees will entail them acting in a quasi-judicial capacity. Audit & Standards Committees may also need to be particularly aware of such issues.

When determining or considering any person's civil rights and obligations or criminal responsibility, the Council, a Member or an officer will follow a proper procedure. Such procedure will accord with the requirements of natural justice and the right to a fair trial contained in Article 6 of the European Convention on Human Rights.

## **ARTICLE 13: FINANCE, CONTRACTS AND LEGAL MATTERS**

This Article is to be read in conjunction with the Council's Financial and Contract Procedure Rules, which are contained in Part 5 of this Constitution.

### **A13.1 FINANCIAL MANAGEMENT**

The management of the Council's financial affairs will be conducted in accordance with the financial rules set out in Part 4 of this Constitution.

### **A13.2 CONTRACTS**

Every contract made by the Council will comply with the Contracts Procedure Rules set out in Part 4G of this Constitution.

### **A13.3 LEGAL PROCEEDINGS**

The Head of legal Services is authorised to institute, defend or participate in any legal proceedings in any case where such action is necessary to give effect to decisions of the Council, or in any case where he/she considers that such action is necessary to protect the Council's interests.

### **A13.4 AUTHENTICATION OF DOCUMENTS**

Where any document is necessary to any legal procedure or proceedings on behalf of the Council, it will be signed by the Head of Legal Services or other person authorised by him/her, unless any enactment otherwise authorises or requires.

### **A13.5 COMMON SEAL OF THE COUNCIL**

The common seal of the Council will be kept in a safe place in the custody of the Head of Legal Services. A decision of the Council, or of any part of it, will be sufficient authority for sealing any document necessary to give effect to the decision. The common seal will be affixed to those documents, which in the opinion of the Head of Legal Services should be sealed. The affixing of the common seal will be attested by the Head of Legal Services or some other person authorised by him/her.

## **ARTICLE 14: REVIEW AND REVISION OF THE CONSTITUTION**

It is important that this Constitution is a working document by which both the Council and the people of Nuneaton and Bedworth will be well served. As such, it will need to be monitored, reviewed and amended as necessary in response to changing circumstances and with the benefit of experience.

A formal review of the Constitution shall be conducted by the Audit & Standards Committee at the end of the first year of its operation. Thereafter, a formal review will take place every two years, and the recommendations of the Audit & Standards Committee will be placed before Full Council for decision. However, it is recognised that urgent Constitutional changes may occasionally be necessary in order to respond to changing circumstances. In such cases the matter will be brought before the Audit & Standards Committee for full consideration, and recommendations will be made to Full Council.

### **A14.1 Duty to Monitor and Review the Constitution**

The Audit & Standards Committee will monitor and review the operation of the Constitution to ensure that the aims and principles of the Constitution are given full effect.

A key role for the Audit & Standards Committee is to be aware of the strengths and weaknesses of the Constitution adopted by the Council, and to make recommendations for ways in which it could be amended in order better to achieve the purposes set out in Article 1. In undertaking this task the Audit & Standards Committee may:-

- a) observe meetings;
- b) undertake an audit trail of a sample of decisions;
- c) record and analyse issues raised by Members, officers, the public and other relevant stakeholders; and
- d) compare practices in this Authority with those in other comparable authorities, or national examples of best practice.

### **A14.2 Changes to the Constitution**

Proposals to change from one form of Executive to another require proper consultation, and to change from Leader/Cabinet to an Elected Mayor form, or vice versa, requires a referendum. However, other changes may require limited or no consultation. The consultation required should be proportionate to the scale, scope and extent of the change proposed.

The procedural rules governing proposals to change the Constitution are contained in Part 4 of the Constitution.

**a) Approval**

Changes to the Constitution will only be approved by the Full Council after consideration of the proposal by the Audit & Standards Committee.

**b) Change from a Leader and Cabinet Form of Executive to a Mayoral Form of Executive**

The Council must take reasonable steps to consult with local electors and other interested persons in the area when drawing up proposals, and must hold a binding referendum.

**c) Petition**

Residents can petition for a change from a Leader and Cabinet form of executive to a Mayoral Form of Executive. In response to a petition including signatures from at least 5% of the electorate, the Council will draw up proposals, take reasonable steps to consult with interested persons and hold a binding referendum. Once a referendum has been held, no further referendum can be held for five years. See Part 5K for the Petitions Scheme.

## **ARTICLE 15: SUSPENSION, INTERPRETATION AND PUBLICATION OF THE CONSTITUTION**

### **A15.1 Suspension of the Constitution**

This article ensures that the articles of the Constitution may not be suspended. This provides certainty and stability to the fundamental aspects of the Council's governance. However, it does provide for rules of procedure to be suspended provided this is to achieve an effect consistent with the purposes of the Constitution set out in Article 1.

#### **a) Limit to Suspension**

The articles of this Constitution may not be suspended. The rules specified below may be suspended by the Full Council to the extent permitted within those rules and the law.

#### **b) Procedure to Suspend**

A motion to suspend any rules will not be moved without notice, unless at least one half of the whole number of Members are present. The extent and duration of suspension will be proportionate to the result to be achieved, taking account of the purposes of the Constitution set out in Article 1.

#### **c) Rules Capable of Suspension**

The following rules may be suspended in accordance with Article 15.1:

Any rule within the ambit of Council procedure rule 4A.21.

### **A15.2 Interpretation**

The ruling of the Mayor as to the construction or application of this Constitution or as to any proceedings of the Council shall not be challenged at any meeting of the Council. Such interpretation will have regard to the purposes of this Constitution contained in Article 1.

### **A15.3 Publication**

- a) The Head of Paid Service will provide a printed copy of this Constitution to each Member of the Authority as soon as practicable following the delivery to him/her of that individual's declaration of acceptance of office on the Member first being elected to the Council.

  - ii to leave out words;
  - iii to leave out words and add others; or
  - iv to insert or add words as long as the effect of (ii) to (iv) is not to negate the motion.
- (b) Only one amendment may be moved and discussed at any one time. No further amendment may be moved until the amendment under discussion has been disposed of.
- (c) If an amendment is not carried, other amendments to the original motion may be moved.
- (d) If an amendment is carried, the motion as amended takes the place of the original motion. This becomes the substantive motion to which any further amendments are moved.

- (e) After an amendment has been carried, the Mayor will read out the amended motion before accepting any further amendments, or if there are none, put it to the vote.

#### **4.13.7 Alteration of Motion**

  - (iv) to adjourn a meeting.
- (b) If a motion to proceed to next business is seconded and the Mayor thinks the item has been sufficiently discussed (which shall be minuted), he or she will give the mover of the original motion a right of reply and then put the procedural motion to the vote. If the closure motion is carried, the substantive motion under consideration and any proposed amendment to that substantive motion shall lapse.
- (c) If a motion that the question be now put is seconded and the Mayor thinks the item has been sufficiently discussed, (which shall be minuted), he/she will put the procedural motion to the vote. If it is passed he/she will give the mover of the original motion a right of reply before putting his/her motion or the amended motion to the vote.
- (d) If a motion to adjourn the debate or to adjourn the meeting is seconded and the Mayor thinks the item has been sufficiently discussed, (which shall be minuted), he or she may refuse to accept the closure motions and shall instead move from the Chair a motion “that the question be now put” as at paragraphs 4.13.11(a)(ii) above. Subject to that motion being seconded, paragraph 4.13.11(c) shall apply, and the motion dealt with accordingly.
  - (ii) If the Mayor is of the opinion that the substantive motion has not been sufficiently discussed and cannot reasonably be so discussed on that occasion, (which shall be minuted), he/she will

put the procedural motion to the vote without giving the owner of the substantive motion the right to reply. The motion (if the debate is adjourned) or the remaining business (if the meeting is adjourned) shall then stand over as uncompleted business to the next meeting.

#### **4.13.12 Point of Order**

A Member may raise a point of order at any time. The Mayor will hear them at the end of the speech of the Member speaking at the time the point is raised. A point of order may only relate to an alleged breach of these Council Rules of Procedure or the law. The Mayor shall consider the Point of Order and, if necessary, take advice on the matter from the Monitoring Officer and, shall then rule on the Point of Order raised. There shall be no discussion or challenge to the advice given or the Mayors decision in the meeting. If a Member persistently seeks to raise a Point of Order but is unable to identify the procedure rule or legal principle infringed then, after having being warned by the Mayor, any further abuse of this procedure rule shall not be tolerated and the Mayor shall move that the Member not be heard further pursuant to Procedure Rule 4.19.13. The ruling of the Mayor on the matter will be final.

If there are more than two people nominated for any position to be filled and there is not a clear majority of votes in favour of one person, then the name of the person with the least number of votes will be taken off the list and a new vote taken. The process will continue until there is a majority of votes for one person.

### **4A.16 MINUTES**

#### **4.16.1 Signing the Minutes**

The Mayor will sign the minutes of the proceedings at the next suitable meeting. The Mayor will move that the minutes of the previous meeting be signed as a correct record. The only part of the minutes that can be discussed is their accuracy.

Where in relation to any meeting, the next meeting for the purpose of signing the minutes is a meeting called under paragraph 3 of Schedule 12 to the Local Government Act 1972 (an extraordinary meeting), then the next following meeting (being a meeting called otherwise than under that paragraph) will be treated as a suitable meeting for the purposes of paragraph 41(1) and (2) of Schedule 12 relating to signing of minutes.

##### **4.14.2 Contents of the Forward Plan**

- a) The Forward Plan will contain matters which the Leader has reason to believe will be the subject of a Key Decision or an exempt item to be taken during the period covered by the Plan. It could be a Key Decision to be taken by the Cabinet, individual Members of the Cabinet, officers, Area Committees or under joint arrangements. The Plan will describe the following particulars in so far as the information is available or might reasonably be obtained:

#### **4B.15 GENERAL EXCEPTION**

If a matter which is likely to be a Key Decision has not been included in the Forward Plan, then subject to Rule 4B.16 (special urgency), the decision may still be taken if:

4.16.1 If a decision is so urgently required that Rule 15 (general exception) cannot be followed, then the decision can be taken in the following circumstances. The individual decision taker, or the Chair of the body making the decision, must obtain the agreement of the Chair of a relevant Overview & Scrutiny Panel that the taking of the decision cannot reasonably be deferred. If there is no Chair of a relevant Overview & Scrutiny Panel, or if the Chair of each relevant Overview & Scrutiny Panel is unable to act, then the agreement of the Mayor or in the Mayor's absence, the Deputy Mayor, will suffice.

4.16.2 As soon as possible after the agreement has been obtained under paragraph 11.1 above, the decision-maker must publish a Notice setting out the reasons that the matter is urgent and cannot be deferred

- c) the subject of an agreement with a relevant Overview & Scrutiny Panel Chair, or the Chairman/vice Chairman of the Council under Rule 16;

the Panel may require the Cabinet to submit a report to the Council within such reasonable time as the Panel specifies. The power to require a report rests with the Panel, but is also delegated to the proper officer, who shall require such a report on behalf of the Panel when so requested by (the Chairman or any five Members). Alternatively the requirement may be raised by resolution passed at a meeting of the relevant Overview & Scrutiny Panel.

#### **4.17.2 Cabinet's Report to Council**

The Cabinet will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council is within seven days of receipt of the written Notice, or the resolution of the Panel, then the report may be submitted to the meeting after that. The report to Council will summarise the main reports considered by earlier Cabinet meetings and if appropriate individual Cabinet Members, and the decisions made. A summary of all Key Decisions will be included.

#### **4.17.3 Quarterly Reports on Special Urgency Decisions**

In any event the Leader will submit quarterly reports to the Council on the Executive decisions taken in the circumstances set out in Rule 16 (special urgency) in the preceding three months. The report will include the number of decisions so taken and a summary of the matters in respect of which those decisions were taken.

### **4B.18 RECORD OF DECISIONS**

After any meeting of the Cabinet, whether held in public or private, the proper officer will produce a record of every decision taken at that meeting as soon as practicable. The record will include a statement of the reasons for each decision and any alternative options considered and rejected at that meeting.

### **4B.19 CABINET MEETINGS RELATING TO MATTERS WHICH ARE NOT KEY DECISIONS**

Meetings relating to matters which are not Key Decisions will be held in public save that consideration of confidential or exempt items may be held in private.

## **4B.20 DECISIONS BY INDIVIDUAL MEMBERS OF THE CABINET**

### **4.20.1 Reports Intended to be Taken Into Account**

Where an individual Member of the Cabinet receives a report which he/she intends to take into account in making any Key Decision, then he/she will not make the decision until at least five clear days after receipt of that report.

### **4.20.2 Provision of Copies of Reports to Overview & Scrutiny Panels**

On giving of such a report to an individual decision maker, the person who prepared the report will give a copy of it to the Chair of every relevant Overview & Scrutiny Panel as soon as reasonably practicable, and make it publicly available at the same time.

### **4.20.3 Record of an Individual Decision**

As soon as reasonably practicable after an Executive Decision has been taken by an individual Member of the Cabinet or a Key Decision has been taken by an officer, he/she will prepare, or instruct the proper officer to prepare:

- a) a record of the Decision,
- b) a statement of the reasons for it, and
- c) any alternative options considered and rejected.

The provisions of Rules 7 and 8 (inspection of documents after meetings) will also apply to the making of decisions by individual Members of the Cabinet. This does not require the disclosure of exempt or confidential information or advice from a political assistant.

## **4B.21 ACCESS TO DOCUMENTS BY MEMBERS**

### **4.21.1 Rights to Copies**

Subject to Rule 4.21.2 below, any Member will be entitled to copies of any document which contains material relating to

- b) any decision taken by an individual Member of the Cabinet.
- c) any decision taken by an officer in accordance with Executive arrangements

#### 4.22.2 **Limit on Rights**

An Overview & Scrutiny Panel will not be entitled to:

- a) any document that is in draft form;
- b) any part of a document that contains exempt or confidential information, unless that information is relevant to an action or decision they are reviewing or scrutinising or intend to scrutinise; or
- c) the advice of a political adviser.

#### 4.22.3 **Disclosure**

Where a request is made pursuant to 4.22.1 above, the Cabinet must provide that document as soon as possible and in any case no later than ten clear days after the request is received.

## **4B.23 RECORDING, FILMING, PHOTOGRAPHING AND BROADCASTING NUNEATON & BEDWORTH BOROUGH COUNCIL MEETINGS**

### **4.23.1 General**

Nuneaton & Bedworth Borough Council is committed to good governance, and to open and transparent decision making. The Council welcomes the attendance of the press and public at all of its meetings, whilst they are open to the public. The Council has also introduced a right for the public to speak at its meetings, including on Planning Applications being considered by the Planning Applications Committee.

This Policy provides guidance to the public and press on the use of mobile phones, social media (use of web-based technologies to share information and to interact with online communities, e.g. blogs, Twitter, Facebook, YouTube and SMS text messaging), filming, photographing, recording and broadcasting of Council Committee meetings. The Policy also relates to the Council and any Councillor who wishes to film, photograph or otherwise record Council meetings.

### **4.23.2 Who May Attend Council Meetings To Record Them?**

The press or public may attend any Council meeting whilst that meeting is in open session. They may record, film, photograph and broadcast the proceedings of any of these meetings.

The “press” is widely defined and includes citizen journalists, bloggers, social commentators and people wishing to film proceedings, as well as more traditional print media. There is no requirement for accreditation.

### **4.23.3 What Facilities are Available to the Public and Press under this Policy?**

The Council will make “reasonable” facilities available to assist anyone wishing to record, film, photograph or broadcast proceedings of its meetings. This will include providing a table at each meeting for use by the press to assist with taking their reports.

The Council will also designate an area in the public gallery, typically the front row, for use by anyone wishing to record, film, photograph or broadcast proceedings. The Council will not provide any additional kit or equipment to enable the recording, filming, photographing or broadcasting of proceedings. Nor will the Council facilitate additional internet access.

### **4.23.4 What can be Recorded, Filmed, Photographed or Broadcast?**

Any Council meeting may be recorded, filmed, photographed or broadcast, whilst these meetings are in public session only. However any such activity, broadcast, commentary or expression of views is subject to

the UK legislation, including the laws of defamation, public order, data protection and human rights.

#### **4.23.5 What Restrictions are there on Recording, Filming, Photographing or Broadcasting?**

- (a) Meetings during which the presence of the press and public are excluded: The public and the press may be excluded, by resolution, from a meeting, where the transaction of business on the agenda is likely to involve the disclosure of confidential information.

Where it is resolved to exclude the press and public then all rights to film, record, photograph or broadcast the meeting are rescinded, and recording equipment used for the purpose of reporting the meeting must be removed from the meeting while the meeting is in closed session.

- (b) Members of the public attending the meeting who do not wish to be recorded, filmed, photographed or broadcast.

A separate area in the public gallery has been designated for people who do not wish to be filmed, photographed, recorded, or appear in any broadcast. This area will typically be towards the rear of the public gallery.

Persons who film, photograph, record, or broadcast meetings are required to only focus on Councillors, officers and the public who are directly involved in the conduct of the meeting.

Where a member of the public is permitted to address a meeting (e.g. at the Planning Applications Committee) the Chairman or Senior Officer will ask each individual to give their express permission to being filmed, recorded, photographed or to appear in a broadcast or in any other means used by the press or public for enabling persons not present to see or hear proceedings at the meeting as it takes place, or later. Where permission is refused, the Chairman will instruct that any recording, filming, photographing, etc. ceases with immediate effect, whilst the person is addressing the meeting. Failure to comply with this instruction will be deemed to constitute disruptive behaviour which may result in expulsion from the meeting, under the Council's Standing Orders.

- (c) Use of mobile devices and oral commentary: To minimise disruption to others attending the meeting, all attendees must ensure that their phone or other mobile devices are set to silent mode during the meeting. Whilst written report or written commentary is permitted during a meeting, no oral commentary or oral reporting is permitted by anyone at the meeting, as this could be disruptive to the proceedings of the meeting.

- (d) No flash photography shall be used unless permission is given by the Mayor at the Annual Council meeting during the 'Mayor making' process.

#### **4.23.6 Exclusion from a Meeting on the Grounds of Disruptive or Intrusive Behaviour**

As far as possible, every effort will be made by the Council to ensure that the public and the press are able to exercise their rights to film, etc. However, should this activity become overly intrusive or disruptive to the point where it is considered to interfere with the proceedings or the conduct of business, or the decision making process, then the Mayor (in the case of Council meetings) or the Chairman (in the case of other meetings) will warn the person to desist. If the instruction is not respected, the person may be asked to leave the meeting.

If the activity is disruptive or distracting to the good order and conduct of the meeting, the Mayor or Chairman may rescind permission to record, photograph, film, broadcast or to the use of any other means by the press or public for enabling persons not present, to see or hear proceedings at the meeting as it takes place, or later. The Mayor or Chairman's ruling is final.

Examples of disruptive behaviour include:

- i) moving to areas outside of the designated area within the public gallery for the purpose of recording, filming, photographing or broadcasting the meeting, without the permission of the Mayor or Chairman;
- ii) generating excessive noise in making a recording or during the setting up or resisting of equipment during the meeting;
- iii) intrusive lighting or use of flash photography;
- iv) attempting to address the meeting without permission or asking for statements to be repeated for the purposes of recording;
- v) seeking to record, film, photograph or broadcast members of the public against their wishes. (This list is not exhaustive).

#### **4.23.7 Is Permission Required to Attend a Meeting for the Purpose of Recording Proceedings?**

While no prior permission is required to film, record, photograph or broadcast a meeting in open session, it is advisable that any person wishing to film or audio record a public meeting notify Committee Services in advance, so that reasonable facilities can be provided for the public meeting.

#### **4.23.8 Claims or Liabilities**

Any person or organisation choosing to film, photograph, record or broadcast any Council meeting is responsible for any claims or other liability resulting from their activities, and by choosing to film, photograph, record or broadcast proceedings, they accept that they are required to indemnify the Council, its Members and officers in relation to any such claims or liabilities.

#### **4.23.9 Deemed Acceptance of this Policy's Requirements**

Any person or organisation choosing to film, photograph, record or broadcast any Council meeting is deemed to have accepted the requirements of this Policy, whether they have read the Policy or not.

#### **4.23.10 Review**

This Policy will be reviewed initially one year after its adoption, and then every three years

## **4C BUDGET AND POLICY FRAMEWORK PROCEDURE RULES**

### **4C.1 The Framework for Executive Decisions**

- a) The Council is responsible for the adoption of its Budget and Policy Framework as set out in Article 4. Once a Budget or a Policy Framework is in place, it will be the responsibility of the Executive to implement it.
- b) For the purposes of these rules “Executive” means the Cabinet, a Cabinet Portfolio Holder or an officer as the case may be.

### **4C.2 Process for Developing the Framework**

The process by which the Budget and Policy Framework shall be developed is:

- a) the Executive will publicise by including in the Forward Plan, which is published at the Council’s offices and on its website, a timetable for making proposals to the Council for the adoption of any Plan, Strategy or Budget that forms part of the Budget and Policy Framework, and its arrangements for consultation after publication of those initial proposals. The Chairs of Overview & Scrutiny Panels will also be notified. The consultation period shall in each instance be not less than eight weeks.
- b) At the end of that period, the Executive will then draw up firm proposals having regard to the responses to that consultation. If a relevant Overview & Scrutiny Panel wishes to respond to the Executive in that consultation process then it may do so. As the Overview & Scrutiny Panels have responsibility for fixing their own work programme, it is open to the Overview & Scrutiny Panels to investigate, research or report in detail with Policy recommendations before the end of the consultation period. The Executive will take any response from an Overview & Scrutiny Panel into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the Executive’s response.
- c) Once the Executive has approved the firm proposals, the proper officer will refer them at the earliest opportunity to the Council for decision.
- d) In reaching a decision, the Council may
  - i. adopt the Executive’s proposals,
  - ii. refer them back to the Executive for further consideration,
  - iii. make grammatical, typographical or minor amendments to the proposals,
  - iv. propose substantive amendment or revision to the Executive's proposals.
- e) Any decision mentioned in sub-paragraph (d)(i), (ii) or (iii) above shall have immediate effect.

- f) Where the Council decides the issue in accordance with sub-paragraph (d)(iv) above it shall also require the Leader to reconsider the Executive's proposals in the light of the Council's amendments and revisions within ten working days.
- g) Not later than 15 working days after the Council decision pursuant to sub-paragraph (d)(iv) above, a further meeting of the Council shall occur at which the Leader shall either
  - i. submit revised proposals with the Executive's reasons for any changes; or
  - ii. inform the Council, with reasons, of any disagreement the Executive has with any of the Council's amendments and revisions.

The Council will then, taking account of the Leader's submission or observations, determine the relevant Plan, Strategy or Budgetary provision.

- h) The decision shall then be made public in accordance with Article 4, and shall be implemented immediately.
- i) In approving the Budget and Policy Framework, the Council will also specify the extent of virement within the Budget and degree of in-year changes to the Policy Framework which may be undertaken by the Executive, in accordance with paragraphs 5 and 6 of these rules (virement and in-year adjustments). Any other changes to the Policy and Budgetary framework are reserved to the Council.

#### **4C.3 Decisions Outside the Budget or Policy Framework**

- a) Subject to the provisions of paragraph 4C.5 (virement) and 4C.6 (In-year adjustments) the Executive may only take decisions, which are in line with the Budget and Policy Framework. If any of these bodies or persons wishes to make a decision which is contrary to the Policy Framework, or contrary to or not wholly in accordance with the Budget approved by Full Council, then that decision may only be taken by the Council, subject to paragraph 4C below.
- b) If the Executive want to make such a decision, they shall take advice from the Monitoring Officer or the Chief Financial Officer as to whether the decision they want to make would be contrary to the Policy Framework, or contrary to or not wholly in accordance with the Budget. If the advice of either of those officers is that the decision would not be in line with the existing Budget or Policy Framework, then unless the decision is urgent it must be referred by that body or person to the Council for decision. Where the decision is urgent the provisions in paragraph 4 shall apply.

#### 4C.4 Urgent Decisions Outside the Budget or Policy Framework

- a) The Executive may take a decision which is contrary to the Council's Policy Framework or contrary to, or not wholly in accordance with, the Budget approved by Full Council if the decision is a matter of urgency. However, the decision may only be taken:
  - i. if it is not practical to convene a quorate meeting of the Full Council; and
  - ii. if the Chair of a relevant Overview & Scrutiny Panel agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of Full Council and the Chair of the relevant Overview & Scrutiny Panel's consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chair of a relevant Overview & Scrutiny Panel the consent of three Members of that Panel will be sufficient.

  - Engagement of Legal Counsel
  - Grants from the Council (except where they are to buy services)
  - Public to Public cooperation and 'In House' contracts subject to fulfilling the test criteria in [Regulation 12](#) of the EU Regulations.
  - Engaging entertainment acts and performers where the value is lower than the [EU Regulation threshold](#) (EU threshold).
- 2.3 The use of e-procurement technology and Purchasing Cards does not negate the requirement to comply with all elements of these Contract Procedure Rules.

#### 4G.3 PROCEDURE RULE 3: EXEMPTIONS

- 3.1 Contract Procedure Rules are intended to protect the Council, and only under circumstances which are exceptional and unavoidable, shall authority be given to waive them. All exemptions must be requested using the Exemption Request Form in HPCM/Dash. Exemptions granted shall be recorded on the Contract Database – please contact the Procurement for further information.
- 3.2 Requests for all exemptions and the reasons for accepting or rejecting the request must be in writing (includes e-mail).

Generally, an exemption will only be approved if it is because of an unforeseeable emergency involving immediate risk to persons or property, disruption to council services or in the best interest of the service.

3.3 An exemption to these Contract Procedure Rules may only be made:

- By the Chief Financial Officer in consultation with the Audit & Governance Manager and the Strategic Creditors & Procurement Manager for contracts estimated to be valued up to £C (£125k) or up to the [EU threshold](#) if on the Forward Plan. (If the Chief Financial Officer is applying for an exemption then he/she must consult with the Chief Executive, Audit & Governance Manager and Strategic Creditors & Procurement Manager.)
- In consultation with the relevant Portfolio holder for contracts estimated to exceed £C (£125k) if no decision has been made by Cabinet/Forward Plan;

Exemptions cannot be requested if the value of the contract exceeds the [EU threshold](#). However, an exemption may be allowed if the proposals are non-commercial and satisfy the 'Teckal' tests provided in EU [Regulation 12](#). Advice on the 'Teckal' principle can be obtained from the Procurement Team.

3.4 Under the principles of Value for Money (VFM) the Council should discourage requests for the Council to obtain only one quotation or tender unless there is only one suitable supplier available. Where there is only one suitably qualified supplier such as for education services and embedded software licence renewals, then all reasonable efforts to secure VFM must be made.

### **Collaborative Procurement Framework Arrangements**

3.5 In order to secure VFM, the Council may enter into collaborative procurement arrangements. The Procurement Team must be consulted where a purchase is to be made using collaborative purchasing arrangements with a Local Authority, government department, statutory undertaker or public service purchasing consortium. Where the Council is acting as the lead authority in a consortium for the procurement of goods, works or services, these Contract Procedure Rules will be applicable.

3.6 All purchases made via a Local Authority consortium, such as CSW, ESPO, CCS, PFH or CBC, are deemed to comply with these Contract Procedure Rules and an exemption is not required. However, purchases above the [EU threshold](#) must be let under the EU Regulations, unless the consortium has satisfied this requirement already by letting their contract in accordance with the EU Regulations on behalf of the council as a named customer and other consortium members.

7. Framework agreements, due to their nature, may be comprised of several suppliers, and a robust selection process should be undertaken to ensure that the most economically advantageous is selected. When the price is pre-determined and fixed, with a pre-released pricing tariff which can be referred to, a direct award may be made. In any instance where the cost (or specification) of

the contract requirement is not fixed, then **all** suppliers capable of performing the contract need to be contacted with an opportunity to bid (Further Competition).

8. Access to Frameworks will be defined by the Framework owner. Some may require an access agreement authorised as per Procedure Rule 15.6 (copy to be forwarded to the Procurement Team for recording on the Central Contract Database). Others may require that the framework contract number to be issued on purchase orders. Where neither are offered, the Service Unit should obtain a copy of the original framework contract and attach the Council's Form of Undertaking document, authorised as per Procedure Rule 15.6 (copy to be forwarded to the Procurement Team for inclusion on the Central Contract Database).

**Please contact the Procurement Team for advice on suitable Framework Agreements.**

### **Manual Tender Request**

9. All Request for Quotes (RFQs) and Tenders for £B (£25k) or higher will be required to run through the Electronic process and any resulting Contract must be recorded on the Central Contract Database. If a manual process is preferred, an exemption request in line with Procedure Rules 3.2 and 3.3 will be required. Reasons may include supplier capability or specialist categories.

## **4G.4 PROCEDURE RULE 4: STEPS PRIOR TO PURCHASE**

4.1 Before beginning a purchase the employee responsible for it must appraise the purchase, in a manner commensurate with its complexity and value, by:

- Referring to the Procurement Toolkit on HPRM/Dash or contacting the Procurement Team;
- For Services above [EU threshold](#) consider how the contract might improve the economic, social and environmental wellbeing of the Borough and consider if external consultation is required ([Public Services \(Social Value\) Act 2012](#));
- Checking to ensure that the Procurement Team do not already have a preferred supplier agreement for the product/service or if a local agreement would be suitable;
- Completing the Procurement Checklist located with the Procurement Toolkit on Dash/HPCM.
- Appraising the need for the expenditure and its priority;
- Defining the purpose and objectives of the purchase;
- Assessing the risks associated with the purchase and determine how to adequately manage them;
- Considering what procurement method is most likely to achieve the objectives, including internal or external sourcing, partnering, and collaborative procurement arrangements with another Local Authority, government department, statutory undertaker or public service purchasing consortium;

- Consulting users as appropriate about the proposed procurement method, contract standards and methods of performance and user satisfaction monitoring;
- Selecting the terms and conditions that are to apply to the proposed contract in consultation with the Procurement Team and Legal Services Team;
- Decide if the contract can be awarded in separate Lots and if so how many Lots an economic operator can tender for (contact the Procurement Team for advice).
- Confirming that approval has been given for the expenditure and that an appropriate budget exists;
- Ensuring that EU Regulations have been complied with, including the sending of a Prior Information Notice (PIN) (see Procedure Rule 6.3);
- Identifying the evaluation criteria (see Procedure Rule 10.2);
- Ensuring that the purchase has been reported in the Forward Plan if it is a key decision, i.e. incurring expenditure or creating savings of more than £125k. If it has not been reported as part of the Forward Plan it will be necessary to seek approval from Cabinet for the spend; and
- Ensuring that the Business Case has been approved.

## 4G.5 PROCEDURE RULE 5: FINANCIAL LIMITS

Table 11 – Minimum requirements for inviting competitive offers

Estimated Value of the Whole Contract*	Minimum Number of Suppliers to be Invited	Minimum Advertising Requirements	Procurement Method	Process Records Required	Form of Contract Required
Less than £A (£7.5k)	No minimum numbers, but must demonstrate VFM	Not Mandatory - Supplier selection based on Officer Knowledge	Verbal Quotation, or Written Quote where the contract value exceeds £1,000	Written record documenting the process (Including Written Quote submitted – if applicable)	Purchase Order and Invoice
£A to £B (£7.5k to £25k)	3 Written Quotations (4 if an internal Quotation is included)	Not Mandatory - Supplier selection based on Officer Knowledge	Written Quotation (E-Mail or Fax are also acceptable)	Quotations obtained	Purchase Order (PO) and Invoice
£B to £C or D if Works (25k to £125k or £3.5M if Works)	3 Sealed Quotations (4 if an internal Quotation is included)	Advertisement on the authorised eTendering Portal (and Contracts Finder if Open Advert)	Formal Sealed Written Quotations (Consult the Procurement Team)	Quotations obtained/ Clarification Register	Quotation Schedule, PO and Invoice (Record on Central Contracts Database)
More than £C (£125k) to <a href="#">EU threshold</a> or more than D (£3.5M) if Works	3 Tenders (4 if an internal Tender is included)	Advertisement on the authorised eTendering Portal and Contracts Finder	Sealed Tenders (Consult the Procurement Team)	Tender Schedule, Tenders received and Clarification Register	Formal Sealed Contract (Record on Central Contract Database)
Above <a href="#">EU threshold</a>	Not less than 5	Advertising in OJEU and Contracts Finder	Follow EU Regulations (Consult the Procurement Team)	Complete Log of entire Procedure	Formal Sealed Contract (Record on Central Contract Database)

- Definition of 'Whole Contract' – all capital and revenue costs payable to the supplier over the life of the contract
- Procurement must be consulted if the contract is over £B (£25k) and the contract must be recorded on the Central Contract Database
- Definition of 'Works' - the outcome of any works such as is of itself sufficient to fulfil an economic or technical function – [Part 6 Schedule 2](#) of The Public Contract Regulations 2015 contact the Procurement Team for advice.
- Concession contracts have the same thresholds as 'Works'. In simple terms, a contract is a 'concession' when the economic operator is compensated by the ability to exploit a 'Work' or service on behalf of the authority (i.e. Leisure Centre Operator). However, concession contracts vary from standard service and 'Works' contracts in that, the operator must take a risk that no income is generated and a loss could be incurred. A full definition of what is meant by a 'concession contract' can be found in the [Glossary of Terms](#). If you believe your requirement could be a concession contract, please contact the Procurement Team for advice.
- Identify if the Service can be reserved for certain qualifying organisations such as cooperatives ([EU Regulation 77](#)) contact the Procurement Team for advice.

- 5.2 Quotations must, as far as possible, be comparable by reference to a relevant British or equivalent internationally recognised Industry standard, or to an appropriately detailed specification.
- 5.3 Where it can be demonstrated that there are insufficient suitably qualified economic operators, suppliers or contractors to meet the competition requirement, all known suitably qualified suppliers or contractors must be invited.
- 5.4 For tenders which exceed £C (£125k) or £D (£3.5M) if Works, consideration should be given to re-tendering where two or fewer tenders are received, and where prices are high and VFM cannot be demonstrated.
- 5.5 An employee must not enter into separate contracts nor select a method of calculating the total value in order to minimise the application of these Contract Procedure Rules.
- 5.6 The splitting of contracts to avoid EU Regulations is prohibited. However, we may decide to award a contract as separate Lots as per EU [Regulation 46](#) . Contact the Procurement Team for advice.
- 5.7 Wherever possible, consideration should be given to contract mergers and aggregation with existing preferred contracts to encourage VFM for the Council. It is essential that if a contract already exists for the supply of the same goods, services or works, the existing contract must be used in the first instance.

#### 4G.6 **PROCEDURE RULE 6: EU PUBLIC PROCUREMENT LEGISLATION AND ADVERTISING**

-

1. EU procurement legislation is primarily based on directives. There are four directives, The Supplies Directive, The Services Directive, The Works Directive and The Concessions Directive. Each Directive provides for a threshold sum above which all procurement contracts become subject to stringent EU rules and regulations. For detailed definitions of the activities covered by each directive and the current thresholds please consult the Procurement Toolkit or the Procurement Team.
  2. Services and Works are categorised by the EU via Common Procurement Vocabulary (CPV) Codes. All Services and Works subject to EU Regulation thresholds must follow the OJEU process. However, [Regulations 74 – 77](#) of the EU Regulations provide for a light touch regime on certain Services defined by CPV codes in [Schedule 3](#). Public bodies must still observe general EC Treaty principles so it is advisable to follow the process defined for all contracts valued at more than £C (£125k) or D (£3.5M) if Works.
- 6.3 At the start of each financial year each Director may consider whether there is any likelihood of a particular contract exceeding the financial threshold relating to Prior Information Notices (PIN), as set out in the EU Regulations and if so, notify the Strategic Procurement and Creditors Manager. If a PIN is required it shall be published by the Procurement Team in the Supplement to the Official Journal of the European Union as quickly as possible after the beginning of the financial year to indicate what they plan to tender for in the forthcoming year.
3. If the EU Regulations apply the Council must comply with the following procedures:
    - Not less than 5 economic operators shall be invited to tender in an Open or Restricted procedure;
    - The advertisement must be published in the Official Journal of the European Union before it is advertised in any specialised journals, on the Councils eTendering portal or on any other national portal. Advertising must be proportionate to the total value of the contract or framework agreement and be sufficiently wide enough so as not to give grounds for ineffectiveness. EU [Regulation 110](#) requires the Council to advertise opportunities on Contracts Finder within 24 hours if advertised elsewhere. If below £C (£125k) we may invite a minimum of 3 economic operators without advertising on Contracts Finder where access is by invite only on a Closed basis (i.e. not advertised elsewhere).
    - The timescale for inviting expressions of interest electronically shall be a minimum of 25 days (unless the urgency procedure is used in which case 15 days applies);
    - The timescale for inviting tenders electronically shall be a minimum of 30 days (unless the urgency procedure is used).The Procurement Team shall be contacted for advice on Award letters and the standstill process in line with [Part 3 of the EU Regulations - Remedies](#).
    - A Standstill period is compulsory on all tenders above £C (£125k) including Works sealed bids above £C (£125k);
    - Once the contract has been awarded, the Procurement Team shall place a Contract Award Notice in the Official Journal of the

European Union and Contracts Finder as per EU [Regulation 108](#). By using eTendering, timeframes are shortened and advertising requirements satisfied, please refer to the Procurement Team for information.

- Where a project was not registered with OJEU because it was estimated as being below the EU threshold, but then subsequently breaches the EU threshold, a voluntary Ex-Ante Transparency notice can be raised. Officers must seek advice of the Procurement Team as this is not recommended due to potential scrutiny by the Commission.

4. The penalties for non-compliance with EU Regulations are severe and failure to comply could expose the Council to legal action by contractors possibly resulting in setting aside the contract, fines, re-tendering costs and compensation. The Procurement Team should be notified of all EU tenders to ensure that the process is in line with The Public Contract Regulations 2015.

6.6. Following the UK's departure from the European Union, the EU Public Procurement Directives\* and UK Public Procurement Regulations\*\* (as amended) will continue to apply during the transition period (31 January 2020 until 31 December 2020). Any Procurement let under the Procurement Regulations on the open market during the transition period must comply with the Procurement Regulations throughout the entire process, even if the Award is due to be completed after 31 December 2020.

\*EU Public Procurement Directives (as amended)

- [The Public Contracts Directive 2014](#)
- [The Concessions Contracts Directive 2014](#)
- [The Utilities Directive 2014](#)

#### 4G.7 PROCEDURE RULE 7: ELIGIBILITY AND FRAMEWORK AGREEMENTS

7.1 Procurement Policy Note (PPN) 8/16 sets out the revised standard Selection Questionnaire (SQ). It replaces the current standard Pre-Qualification Questionnaire (PQQ). Use of a PQQ is now prohibited. It is mandatory for a potential supplier to complete Part 1 and Part 2 of the standard Selection Questionnaire, or the ESPD template, for all procurements above EU thresholds.

The standard Selection Questionnaire has been developed to simplify the supplier selection process for businesses, in particular smaller firms, across the public sector. In developing the SQ the opportunity has been taken to make the questionnaire compliant with the European Single Procurement Document (ESPD), and amended the rules on the selection of suppliers.

Supplier selection is a key stage in public procurement where we gather information on and make assessments of the prospective bidders' credentials, before considering tenders. This includes gathering information about companies' track records, financial credentials, whether they have been involved in corruption, whether they meet various selection criteria, and so on.

- 7.2 The standard Selection Questionnaire asks potential suppliers to initially just self-declare their status against the exclusion grounds and selection questions. Usually this will only be checked for the winning supplier.

The standard Selection Questionnaire is structured in 3 separate parts:

Part 1 of the standard Selection Questionnaire covers the basic information about the supplier, such as the contact details, trade memberships, details of parent companies, group bidding and so on.

Part 2 covers a self-declaration regarding whether or not any of the exclusion grounds apply.

Part 3 covers a self-declaration regarding whether or not the company meets the selection criteria in respect of their financial standing and technical capacity

For below EU Threshold tenders the SQ questions can be used as a guide to assess suitability of suppliers in a one stage process (ITT/Sealed Quote). For works contracts valued between the supplies and services threshold and the works threshold we may use a two stage process and make use of the PAS91 PQQ.

European Single Procurement Document (ESPD) – (EU [Regulation 59](#)) The Council shall accept an ESPD as a declaration of preliminary evidence normally required in a PQQ or SQ (EU [Regulation 65](#)). For more details contact the Procurement Team.

**Guidance on the use of Supplier Questionnaires/ESPD can be provided by the Procurement Team.**

### **Framework Agreements ([EU Regulation 33](#))**

7.3 A Framework Agreement means an agreement between one or more contracting authorities or one or more economic operators. An agreement may be entered into with one or more providers and must be awarded in accordance with the EU Regulations.

7.4 Contracts based on Framework Agreements may be awarded by either:

- Applying the terms laid down in the Framework Agreement (where such terms are sufficiently precise to cover the particular call-off) without reopening competition; or
- Where the terms laid down in the Framework Agreement are not precise enough or complete for the particular call-off, by holding a further competition in accordance with the procedure defined in the Framework. This should include the following:
  - Inviting the organisations within the Framework Agreement that are capable of executing the subject of the contract to submit written tenders;
  - Fixing a time limit which is sufficiently long to allow tenders for each specific contract to be submitted, taking into account factors such as the complexity of the subject of the contract;

- Awarding each contract to the tenderer who has submitted the best tender on the basis of the evaluation criteria set out in the specifications of the Framework Agreement.

#### 4G.8 PROCEDURE RULE 8: RECORDS ([EU Regulations 83 and 84](#))

8.1 Where the total value is more than £B (£25k) but less than £C (£125k) the following documents must be kept (electronic records if using the electronic process):-

- Invitations to Quote;
- Quotations received;
- Log of Quotations opened to include date, time, and signatures of those present
- A written record of any exemptions and the reasons for them;
- If the most economically advantageous is not accepted the reasons why; and
- Written records of communications with the successful contractor.
- Award notice posted on Contracts Finder
- All Contracts over £25k must be recorded on the Central Contract Database, please contact the Procurement Team for advice.

8.2 Where the total value exceeds £C (£125k), the following must be recorded:-

- The method for obtaining bids and method of advertising;
- Details of any exemption and the reasons for them;
- Any pre procurement discussions regarding compliance with the Public Services (Social Value) Act 2012 if above EU threshold
- The evaluation criteria in descending order of importance and any weightings used;
- The evaluation results;
- A copy of the SQ (if above EU threshold or Works), the invitation to tender and a list of the contractors invited;
- Tender documents received;
- Details of any pre-tender market research;
- Any clarification or post-tender negotiation (includes any minutes of meetings);
- Name of successful tenderer and reasons for their selection
- Details of unsuccessful tenderers and reasons why they were unsuccessful
- Details of any Financial reports or accounts;
- The contract documents;
- Post contract evaluation and monitoring;
- Details of all approved variations;
- A full reconciliation of the contract sum and the amount(s) paid taking into account any variations to the original specification;
- Communications with contractors and with the successful contractor throughout the period of the contract; and
- Details of any site visits.

The Contract must be signed by an authorised officer of the Council as per the approved signatory list, and a copy of the contract must be forwarded to the Procurement Team to update the Central Contract Database.

**NB** In the event of a legal challenge all communications including e mails, may be requested by a Court as evidence. Therefore it is essential that all documentation is stored securely and all communications/notes are undertaken in a professional manner.

- 8.3 All records must be kept for at least 3 years after the final settlement of the contract, 12 years if the contract is under seal. However, tender documents, which relate to unsuccessful contractors, need only to be kept for a period of 12 months from award of the contract, provided there is no dispute about the award. In some cases it may be desirable to retain documents for a longer period by scanning or using some other suitable method. Where the cost of the contract is to be met in part or in whole, by sources of external funding, the written records shall be retained in accordance with any directions of the external funder.

#### 4G.9 **PROCEDURE RULE 9: PRE-TENDER MARKET RESEARCH AND CONSULTATION**([EU Regulation 40](#))

1. Employees may conduct market consultations prior to the issue of the Contract Notice/Advertisement in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters, provided that this does not prejudice any potential contractor. Informing economic operators of our plans and requirements is acceptable providing it does not distort competition.

2. An employee must not seek or accept technical advice on the preparation of an Invitation to Tender (ITT) or quotation from anyone who may have a commercial interest in them, if this may prejudice the equal treatment of all potential contractors or distort competition. If in doubt seek advice from the Head of Legal Services or the Strategic Creditors and Procurement Manager.

3. Where a Contracting Authority is having difficulty defining a specification or requires an innovative solution, it may decide to enter into a Competitive Dialogue or establish an Innovation Partnership with economic operators. The EU Regulations have established new processes to facilitate this ([EU Regulations 29 -31](#)) please contact the Procurement Team for further information.

#### 4G.10 **PROCEDURE RULE 10: STANDARDS AND AWARD CRITERIA** ([EU Regulation 67](#))

##### **Standards**

- 10.1 Employees must ascertain the relevant British or equivalent International Industry standard that applies to the contract and these must be used to properly describe the

required quality. The Head of Legal Services must be consulted if it is proposed to use a proprietary brand.

Evaluation criteria ([EU Regulation 67](#)) See also Procedure Rule 7.2

10.2 The evaluation criteria must be defined and documented before tenders or quotations exceeding £B (£25k) are sought. The criteria must be designed to secure VFM for the Council. Generally, this shall be the 'most economically advantageous' where considerations other than purchase price or cost apply. If above EU thresholds and a Restricted Procedure is to be used (SQ) then generally criteria used at the SQ stage cannot be repeated during the following Invitation to Tender (ITT) stage.

3. Considerations other than price should be included, and examples of criteria are listed below:-

- Level of service;
- Quality of goods;
- Cost effectiveness;
- Delivery requirements;
- Environmental considerations;
- Functional characteristics, such as security, safety and control features;
- After sales service;
- Technical assistance
- Partnering;
- Long term relationships;
- Cessation of contract clause to recognise the potential of withdrawal costs in the event of cancellation; and
- Where appropriate, contractors will adhere to the Council's Complaints Procedure.

#### **4G.11 PROCEDURE RULE 11: INVITATIONS TO TENDER/QUOTATIONS OVER £B (£25k)**

11.1 The invitation to tender or quote shall state that no tender or quotation will be considered unless it is received by the date and time stipulated in the invitation. No tender or quotation delivered in contravention of this procedure rule shall be considered.

11.2 Every invitation to tender or quotation shall include the following:-

- A specification that describes the Council's requirements in sufficient detail to enable the submission of a competitive offer;
- The goods, services or works required together with the terms and conditions of contract that apply. Under EU Regulations you cannot specify the manufacturer or model of goods required but you can give a detailed description of the specific features required;

- A statement that says that the Council is not bound to accept a tender or quotation;
- A full description of the evaluation criteria, including sub criteria.
- No guarantee of spend where discretionary works apply;
- Reference to the Council's Whistleblowing Policy (Confidential Reporting Code); and
- A signed declaration of non-collusion.
- A statement that the successful tenderer agrees to support our compliance with the [Local Government Transparency Code 2015](#) and the [Freedom of Information Act 2000](#)
- A statement regarding payment of undisputed invoices within 30 days for Contractors and their Sub contractors

11.3 If the contract is valued at over £C (£125k) the Invitation to Tender (or sealed quote for Works contracts) shall also include:-

- Provision for all tenders/quotes to be received electronically in accordance with e-tender procedures approved by the Chief Financial Officer. Faxed or e-mailed tenders shall not be considered;
- Tender/Contract Timeframe;
- The method by which any arithmetical errors discovered in the tender will be dealt with. In particular, whether the overall price prevails over the rates in the tender or vice versa;
- A requirement for tenderers to declare that the tender content, price or other figure or particulars concerning the tender have not been disclosed by the tenderer to any other party (except where such a disclosure is made in confidence for a necessary purpose);
- A requirement for tenderers to complete fully and sign all tender documents including a Form of Undertaking and certificates relating to the Bribery Act 2010;
- Notification that tenders are submitted to the Council on the basis that they are compiled at the tenderer's expense; and
- A description and definition of the evaluation criteria and, weighting;
- Standard and, where appropriate, any Special Terms and Conditions; and
- Any Collaborative partner Councils by name.

11.4 All contractors invited to tender or quote must be issued with the same information at the same time and subject to the same conditions. Any supplementary information must be given on the same basis.

11.5 Contractors must be given an adequate period in which to prepare and submit a proper quotation or tender which is consistent with the urgency of the contract requirement. The EU Regulations lay down specific time periods in [Chapter 2, Section 3 - Procedures](#) (please contact the Procurement Team for advice). It is also best practice to comply with these time periods for all contracts that exceed £C (£125k).

11.6 Electronic tendering systems must be discussed and approved by the Chief Financial Officer and the Audit & Governance Manager . Electronic systems

need to comply with the spirit of these Procedure Rules. Faxed or e-mailed tenders will not be accepted. In addition to the Council's e-tendering portal all tenders over £C (£125k) will be advertised and have contract award notifications posted on Contracts Finder.

11.7 Any shortlisting must have regard to the financial and technical standards relevant to the contract and the evaluation criteria. For example:

This may include mandatory grounds for exclusion

- Members of the organisation's senior management team found guilty of fraud/ corruption
- Non-payment of taxes

Or discretionary grounds for exclusion

- Violation of social/environmental laws
- Grave misconduct
- Anti-competitive agreements
- Persistent deficient performance of Public Contracts

The minimum yearly turnover that operators are required to have shall not exceed twice the estimated contract value as per [EU Regulation 58 \(9\)](#)

**For further information, please contact a member of the Procurement Team.**

#### **4G.12 PROCEDURE RULE 12: RECEIPT AND OPENING OF TENDERS/ QUOTATIONS**

12.1 If a Quotation/Tender is subject to a sealed bid process, Quotes/Tenders received by Fax or e-mail, must be rejected.

12.2 All tenders with an estimated value greater than £B (£25k) but less than £C (£125k) received via the e-tendering portal may be opened by a member of the Procurement Team or the employee managing the contract.

12.3 All Quotations or Tenders valued at £C (£125k) or more received through the Council's authorised e-tendering solution which maintains a secure and fully auditable process, will be opened by a member of the Procurement Team and the employee responsible for managing the contract.

A summary of the tender opening information as detailed below shall be produced and retained with the contract documents:

- Title of the Contract
- Names of all tenderers
- The amount of each tender
- Date and time of opening
- Name of those present at opening
- Verification that all documents are present

12.4 The Procurement Team will download the tender responses and make them available to relevant Members/Officers as required for record/audit/evaluation.

#### **4G.13 PROCEDURE RULE 13: POST TENDER NEGOTIATION\* FOR CONTRACTS VALUED IN EXCESS OF £C (£125k)**

\*Where a preferred bidder has been determined, but the contract has not been formally awarded.

13.1 Providing clarification of an invitation to tender to potential contractors or seeking clarification of a tender, whether in writing or by way of a meeting, is permitted. However, discussions with tenderers after submission of a tender and before the award of a contract with a view to obtaining an adjustment to price, delivery or content (i.e. post tender negotiations) must be the exception rather than the rule. It must not be conducted in procurements above the EU threshold where it might distort competition, particularly with regard to price.

13.2 If post tender negotiations are necessary after a single stage tender or after the second stage of a two stage tender, then such negotiations shall only be undertaken with the tenderer who is identified as having submitted the best tender and after the unsuccessful contractors have been informed. This may be required if tenders are higher than previously estimated or above the available budget. Tendered rates and prices shall only be adjusted in respect of a corresponding adjustment in the scope or quantity included in tender documents. A record of the minutes of negotiation meetings shall be kept on file and the changes agreed by both parties shall be in writing.

13.3 Where post tender negotiation results in a fundamental change to the specification or contract terms, or results in an increase in price of 10% or £50,000 (whichever is the least), the contract must not be awarded but re-tendered.

13.4 The Head of Legal Services must be formally consulted wherever it is proposed to enter into post tender negotiation. Negotiations must be conducted by a team of at least two employees, one of whom must be from the Legal Service Unit.

#### **4G.14 PROCEDURE RULE 14: EVALUATION, AWARD OF CONTRACT AND DEBRIEFING CONTRACTORS (EU Regulations [67](#), [74 – 76](#), [87](#) and [108](#))**

14.1 Apart from the debriefing required or permitted by these Procedure Rules, the confidentiality of quotations, tenders and the identity of contractors must be preserved at all times and the information about one contractors response must not be given to another contractor. Freedom of Information Act 2000 [Sections 43](#) and [44](#) refer to exemptions for confidential and commercially sensitive information.

14.2 Contracts must be evaluated and awarded in accordance with the evaluation criteria by a minimum of two employees who have the technical ability to evaluate the submission. The Procurement Team are able to advise on the process, but shall not undertake the evaluation. During this process, employees shall ensure that submitted tender prices are compared with any pre-tender estimates and that any discrepancies are examined and resolved satisfactorily. If any particularly low bids are received or if there are large discrepancies between the bids received, the Procurement Team

and the Audit & Governance Manager must be informed. Where a bid is considered to be abnormally low the process detailed in [EU Regulation 69](#) shall apply:

- Where tenders appear to be abnormally low in relation to the works, supplies or services sought, the Council ask tenderers to explain the price or costs proposed in the tender.
- The contracting authority may only reject the tender where the evidence supplied does not satisfactorily account for the low level of price or costs proposed.

14.3 Any arithmetic within the tenders must be checked. If any errors are found they should be notified to the tenderer, who should be requested to confirm or withdraw their tender. Alternatively, if the rates in the tender, rather than the overall price, were stated within the invitation to tender as being dominant, an amended tender price can be requested to accord with the rates given by the tenderer.

4. Where the total value of the contract exceeds £C (£125k) all contractors must be informed in writing via the electronic portal simultaneously and as soon as possible of the intention to award the contract, please refer to the Procurement Team for letter templates. Unsuccessful contractors must be given at least 10 calendar days (not ending weekend or bank holiday) in which to challenge the decision before the contract is awarded. If the decision is challenged by an unsuccessful contractor then the contract will not be awarded and advice must be obtained from the Head of Legal Services

14.5 Unsuccessful contractors shall normally be informed in writing through the e-tendering portal of the reason for non-selection. No information, other than the following, should be given without taking the advice of the Head of Legal Services:

- How the evaluation criteria was applied and comparison with the winning tender scores;
- the reasons for the decision, including the characteristics and relative advantages of the successful tender,
- The range of prices submitted for Framework Agreements
- The name of the winning contractor.

The Council operates zero tolerance on fraud and corruption, and all instances will be investigated, and the perpetrator(s) will be dealt with in accordance with established policies. Where necessary, the Council will seek to recover the proceeds of any fraudulent activity from identified offenders.

It does not matter whether the recipient of the bribe receives it directly or through a third party, or whether it is for the recipient’s ultimate benefit (S.2);

- iii. **bribery of a foreign official** – this is where a person, directly or through a third party, offers, promises or gives any financial or other advantage to a foreign public official in an attempt to influence them as a public servant and to obtain or retain business, or any other related advantage in the conduct of business (S.6);
  - iv. **a corporate offence of failure to prevent bribery** – a commercial organisation could be guilty of bribery where a person associated with the organisation, such as an employee, agent or even a sub-contractor, bribes another person intending to obtain or retain business for the organisation or to obtain or retain an advantage in the conduct of business for the organisation (S.7).
- h) Local authorities are explicitly covered by the offences in Sections.1, 2 and 6 but not 7. However, it is the view that as long as the organisation is incorporated it doesn't matter whether it only pursues charitable, educational or purely public functions, and the Act also applies to any incorporated body in which the Council has a significant interest, such as an arm's length trading company.

### **Money Laundering**

- i) Money laundering is defined as:-  
*“the process by which criminals attempt to conceal the true origin and ownership of the proceeds of criminal activities. If successful, the money can lose its criminal identity and appear legitimate.”*
- j) The Council has a separate Policy for dealing with money laundering.

### **Cyber-Crime**

- k) Cyber-crime is any criminal act dealing with computers and networks (called hacking). Additionally, cyber-crime also includes traditional crimes conducted through the Internet.

## **41.4 CULTURE**

- a) The Council is committed to create an environment that is based on the prevention and detection of fraud, corruption and bribery. This is achieved by promoting a culture of openness and honesty in all Council activities. All employees work to values that require us to stay within the law and to act fairly and with integrity in all we do. These values are:
  - i. Service to our customers;
  - ii. Integrity in our actions;
  - iii. Accountability for our performance;
  - iv. Co-operation with Councillors, colleagues and partners;
  - v. Objectivity in our decisions;
  - vi. Efficiency to keep overall costs down; and
  - vii. Confidence to try things out.

- b) The Council's Members, employees and partners play an important role in creating and maintaining this culture, and they are expected to be aware of the Standards of Conduct and the procedures in place to reduce the risk of fraud, corruption and bribery occurring.
- c) The Confidential Reporting Code positively encourages them to raise concerns regarding fraud, corruption and bribery, immaterial of seniority, rank or status, in the knowledge that such concerns will be investigated, and wherever possible will be treated in confidence. Suppliers and contractors to the Council and the public also have a part to play in this process, and should inform the Council if they feel that fraud, corruption or bribery may have occurred.
- d) The Council will ensure that all reported allegations will be taken seriously and investigated in an appropriate manner.

#### 4.1.5 PREVENTION

##### **The Role of Members**

- a) As elected representatives, all Members have a duty to the citizens of the Borough to protect the Council and public money from acts of fraud, corruption and bribery. This is reflected through the adoption of this Anti-Fraud, Corruption and Bribery Strategy and compliance with the Council's Code of Conduct for Members, the Council's Procedure Rules and Standing Orders, and relevant legislation.
- b) Elected Members undertake to observe the Code of Conduct when they take office to ensure that they undertake their duties in a transparent manner, with consistency and free from allegation of impropriety.
- c) Members are required by law to disclose interests and keep that information up to date. In addition, members are required to disclose their interests at all committee meetings and where the interest is prejudicial, (i.e. it would affect the member's judgment of the public interest) the member is required to withdraw from the room while the matter is discussed. Any gifts or hospitality received, with an estimated value of at least £20, which is in any way related to the Members duties in relation to the Council must be recorded in the gifts and hospitality register, which is maintained by the Monitoring Officer. The register is disclosed on the Council's website.

##### **The Role of Managers**

- a) Managers are responsible for the communication and implementation of this Strategy within their work area. They are also responsible for ensuring that adequate systems of internal control exist within their areas of responsibility, and that these controls continue to operate effectively so as to prevent and detect fraud, corruption and bribery. When a fraud has taken place managers, in consultation with the Audit & Governance

Manager, will be expected to implement new controls to reduce the risk of a similar fraud occurring again.

- b) Managers are responsible for ensuring that employees are aware of the Employee Code of Conduct, Human Resources Policies and procedures, Contract Procedure Rules, Financial Procedure Rules and Standing Orders, and the Fraud Response Plan, and that the requirements of each are being met in their everyday business activities.
- c) Managers are expected to create an environment in which their employees, contractors and other partners feel able to approach them with any concerns they may have about suspected irregularities. They should refer to the procedures in the Council's Confidential Reporting Code (Whistle Blowing Policy).
- d) Special arrangements may apply where employees are responsible for cash handling or in charge of systems that generate payments, and managers should ensure that written procedures are made available, that relevant training is provided, and that a training record is maintained.
- e) The Council recognises that a key preventative measure in dealing with fraud and corruption is for managers to take effective steps at the recruitment stage to establish, as far as possible, the honesty and integrity of potential employees, whether for permanent, temporary or casual posts, and agency employees. The Council's recruitment procedures contain appropriate safeguards in the form of identity checks, written references, verification of qualifications, and employment history.
- f) As in other public bodies, Disclosure and Barring Service (DBS) checks are undertaken for employees carrying out a regulated activity. The Council's Disclosure and Barring Policy provides managers with advice and guidance on when and how to do this.

### **Responsibilities Of Employees**

- a) Employees are responsible for ensuring that they follow the instructions given to them by managers particularly in relation to the safekeeping of the Council's assets.
- b) We have an Employee Code of Conduct, which sets out minimum standards of conduct. The Code gives clear guidance for all employees regarding:
  - i. accountability;
  - ii. political neutrality
  - iii. relationships;
  - iv. stewardship;
  - v. personal interests;
  - vi. whistleblowing;
  - vii. treatment of information;
  - viii. appointment of staff

- ix. monitoring officer investigations, and
- x. contractors and partnership agreements.

The Code is available in the Council's Constitution on its website.

- c) Employees who have access to Housing and Council Tax Benefit information are required to sign a "Benefits Register of Interest". The purpose of this is to act as a safeguard against benefit fraud and to protect the integrity of employees from malicious accusations.
- d) Employees who hold professional, trade or other appropriate qualification are expected to comply with the Codes of Conduct issued by the organisation of which they are members. All Council staff must declare any offers of gifts or hospitality in accordance with the Policy and any relevant pecuniary interests, which if known publicly could be perceived to interfere with their independent judgment. The Register is disclosed on the Council's website.

### **Role Of Internal Audit**

- a) Internal Audit plays a vital preventative role in ensuring that satisfactory control arrangements exist and are working as management intended. The Finance Procedure Rules state that Internal Audit has authority to:-
  - i. Have direct access to the Head of Paid Service, the Monitoring Officer, Elected Members, the Chair of Audit and Standards Committee, Directors and Senior Managers.
  - ii. Have full, free and unrestricted access to all services and functions, premises, assets, employees, elected Members, suppliers and contractors, records and other documentation that the Audit & Governance Manager considers necessary to enable the Internal Audit service to fulfil its responsibilities.
  - iii. Have authority to access all relevant computer data as part of their work, including that registered under the Data Protection Act.
  - iv. Obtain the information and explanations they consider necessary from any employees, partners or agents of the Council to fulfil their objectives and responsibilities.
  - v. Managers must ensure that Internal Audit access is considered when preparing partnership agreements or contracts for the purchase or supply of goods and services.
- b) The National Fraud Initiative (NFI) is led by the Cabinet Office. NFI seeks to identify fraud and error by comparing data sets across a large number of public bodies. The Audit & Governance Manager co-ordinates the Council's NFI data matching requirements, and ensures compliance with the Data Protection legislation. Secure systems are in place to transfer the data and to receive matches back for review. Matches are reviewed using a risk-based approach within the defined timescales.

## **Role Of External Audit**

Independent external audit is an essential safeguard to the stewardship of public money. The Local Audit and Accountability Act 2014 makes the Comptroller and Auditor General responsible for the preparation, publication and maintenance of the Code of Audit Practice. [The Code](#) sets out what local auditors are required to do to fulfil their statutory responsibilities under the Act.

## **The Role Of The Corporate Fraud Officer**

We have a dedicated Corporate Fraud Officer role, shared with North Warwickshire Borough Council that is responsible for investigation potential fraud predominately in relation to Council Tax, Housing Tenancy, Right to Buy and Business Rates. The role is also responsible for liaising with the Single Fraud Investigation Service on Housing Benefit fraud matters.

## **Role Of Contractors, Suppliers, Voluntary Bodies, Agencies And The Public**

The Council is committed to the highest possible standards of openness, probity and accountability, and encourages those that we deal with who have any concerns about any aspect of the Council's work to come forward and voice those concerns. The process for raising concerns is set out in the Council's Confidential Reporting Code ("Whistleblowing Policy").

### 41.6 **DETERRENCE**

#### **The Corporate Fraud Officer Role**

To assist in the prevention and deterrence of fraud the Council has a Corporate Fraud Officer role, primarily focused on Council Tax and Housing related fraud. This role also works alongside the Single Fraud Investigation Service on Housing Benefit related fraud.

#### **Disciplinary Procedures**

- a) Theft, fraud, corruption and bribery are serious offences, and employees will face disciplinary action if there is evidence that they have been involved in these activities. The Council has a Dismissal and Disciplinary Policy, which is available on the intranet. In relation to employees, disciplinary action will be taken in addition to, or instead of criminal proceedings, depending on the circumstances of each individual case.
- b) Members could face appropriate action if they are found to have been involved in fraud, corruption or bribery. Action will be taken in addition to, or instead of criminal proceedings, depending on the circumstances of each individual case. If the matter is a potential breach of the Code of Conduct for Members then the matter shall be referred to the Monitoring Officer.

## **Gifts And Hospitality Policy**

The Council has adopted a Gifts and Hospitality Policy, which applies to Members and officers. This makes it clear that gifts and hospitality must not be accepted unless the person concerned is sure that the nature and value will not attract public criticism. All offers of gifts and hospitality must be recorded in the Register held by the Monitoring Officer, which is available on the Council's website.

### **41.7 DETECTION AND INVESTIGATION**

- a) There are numerous systems and management controls in place to deter fraud, corruption and bribery, but it is often the vigilance of employees, members, partners, suppliers, contractors and the public that aids detection. Frauds are often discovered by chance or "tip-off," and arrangements are in place to enable such information to be properly dealt with.
- b) Depending upon the nature of the allegation, the Audit & Governance Manager will work with managers to decide on the most appropriate course of action. Any decision to bring in the Police because of the nature of an allegation will be taken by the Chief Executive or the relevant Director, in consultation with the Audit & Governance Manager. If the Police are involved, any disciplinary investigation will be suspended and will only continue with the permission of the Police.
- c) Any control weaknesses identified during the course of an investigation must be reported to the relevant manager and, in consultation with the Audit & Governance Manager, improvements will be made to ensure that there is no opportunity for further fraud, corruption or bribery.
- d) The Fraud Response Plan reinforces the Council's robust approach by setting out the ways in which concerns about suspected fraud, corruption or bribery should be reported and how they will be dealt with.
- e) The Confidential Reporting Code encourages employees who have serious concerns about any aspect of the Council's work to come forward and voice those concerns. It is recognised and accepted that these will be investigated in a confidential manner.
- f) All instances of suspected Council Tax, Housing Tenancy, Right to Buy and Business Rates fraud will be investigated by the Corporate Fraud officer. The role also works alongside the Single Fraud Investigation Service to identify and investigate Housing Benefit related fraud. This role has a reactive and proactive approach to the investigation of fraud, and will use the full range of legislative powers available to them.
- g) The Council will always seek to recover any losses incurred as a result of fraud, corruption or bribery, wherever this is practical, including the use of civic law if appropriate.

#### 41.8 **TRAINING**

- a) A lack of procedural guidance and training for managers and auditors in prevention, detection and investigation of fraud can lead to inefficient handling of fraud issues. Fraud awareness training for managers and employees involved in internal control systems is an effective measure in establishing an anti-fraud culture. This can be linked with training and awareness of other key documents such as the Confidential Reporting Code and Anti-Money Laundering Procedures.
- b) The Council recognises that the success of this Strategy and its general credibility will depend largely on the effectiveness of communication, programmed training and responsiveness of employees throughout the Authority, combined with a commitment from the Council.

#### 41.9 **CONCLUSION**

- a) The Council has in place a clear network of systems and procedures to assist in dealing with fraud and corruption. It is determined that these arrangements will keep pace with any future developments in both preventative and detection techniques regarding fraudulent or corrupt activity that may affect its operation. The Audit and Governance Manager will maintain a continuous overview of the arrangements in place.
- b) If Members, managers or employees are unsure of the appropriate action to take in relation to the information contained within this Strategy they should contact the Audit & Governance Manager for guidance.

## 4J ANTI MONEY LAUNDERING FRAMEWORK

### POLICY STATEMENT

Nuneaton and Bedworth Borough Council will do all it can to: -

- prevent, wherever possible, the organisation, its employees and Members being exposed to money laundering;
- identify the potential areas where money laundering may occur, and take appropriate action to minimise the risk; and
- comply with all legal and regulatory requirements, especially with regard to the reporting of actual or suspected cases.

Every employee and Member also has a personal responsibility to be vigilant.

### 4J.1 INTRODUCTION

a) The requirements of the UK anti-money laundering regime are set out below:

- The Money Laundering, Terrorist Financing and Transfer of Funds Regulations 2017
- The Proceeds of Crime Act 2002 (as amended by the Crime and Courts Act 2013 and the Serious Crime Act 2015)
- The Money Laundering Regulations 2007
- The Terrorism Act 2000 (as amended by the Anti-Terrorism, Crime and Security Act 2001, the Terrorism Act 2006 and the Terrorism Act 2000 and Proceeds of Crime Act 2002 (Amendment( Regulations 2007)

b) Local authorities and their staff are subject to the full provisions of the Terrorism Act and may commit most of the principal offences under the Proceeds of Crime Act 2002 (the POCA). Public authorities are not, however, legally obliged to apply the provisions of the Money Laundering, Terrorist Financing and Transfer of Funds Regulations 2017 and the Money Laundering Regulations 2007. Nevertheless, as responsible public bodies, they have a responsibility for the proper conduct of public business so should embrace and adopt the underlying principles of the money laundering legislation and regulations.

### 4J.2 SCOPE OF THE FRAMEWORK

a) This Policy applies to all Members and employees of the Council and aims to maintain the high standards of conduct, which currently exist within the Council by preventing criminal activity through money laundering.

### 4J.3 WHAT IS MONEY LAUNDERING?

- a) Money laundering is any activity used to conceal or disguise the nature, source, location, ownership or control of currency or assets. It is most often an attempt to hide the proceeds of dishonest or criminal activity and to try to give the impression that the income is from a legitimate source so that it can be used.
- b) It is often associated with large scale crime such as drug trafficking, terrorist funding and financial crimes involving fraud but the UK legislation also applies to any level of activity used to conceal the source of income to the benefit of the individual. This can be anything from the proceeds of petty theft or from hiding income to commit benefit fraud up to larger corporate crimes which can involve complex and well planned linked transactions.
- c) The Council is at risk of being used in money laundering activity as many of our activities could appear attractive to someone looking to launder money. For example we collect many sources of income including rents (housing and commercial) business rates and council tax. These could be deliberately overpaid, possibly in cash, and then a refund requested which would generate a cheque or BACS payment from the Council and provide a legitimate source for the income. Other areas at risk include property deals, either right to buy transactions or larger regeneration/development schemes, partnerships with private sector firms, and treasury management activities.
- d) The primary money laundering offences and thus prohibited activities under the POCA are:
  - i. **concealing, disguising, converting, transferring criminal property or removing it from the UK (section 327 of POCA).** This covers hiding an item or its source, removing serial numbers, or changing an item for something else. For example, an unexplained large cash payment claimed to be from the death of a relative or a lottery win, a person using illegally earned money to buy a house or piece of land; or
  - ii. **entering into or becoming concerned in an arrangement which you know or suspect facilitates the acquisition, retention, use or control of criminal property by or on behalf of another person (section 328 of POCA).** This is the actual involvement in helping to cover up an act, e.g. a Housing Officer becoming suspicious that a tenant on benefits is buying valuable items when they are on limited income and failing to report this; or
  - iii. **acquiring, using or possessing criminal property (section 329 of POCA) [accepting stolen items knowingly or knowingly taking advantage of them, or accepting items paid for by the proceeds of crime.]** This could be paying significantly less than the value of an item with the suspicion or knowledge that it may be stolen; or
  - iv. **becoming concerned in an arrangement facilitating concealment, removal from the jurisdiction, transfer to nominees or any other retention or control of terrorism property (section 18 of the Terrorist Act 2000).** This is about hiding income or other items which are being used to fund or carry out terrorist activities.

- e) Criminal Property is defined in Section 340 (3) of the POCA as “property”<sup>1</sup> that is or represents the person’s benefit from illegal actions in whole or part and the person knows or suspects that it is the proceeds of a criminal act.
- f) Potentially, any employee could be caught by the money laundering provisions if he/she knows or suspects money laundering and either becomes involved with it in some way, and/or does nothing about it. This procedure sets out how any concerns should be raised.

#### **4J.4 NOMINATED OFFICER OR MONEY LAUNDERING REPORTING OFFICER (MLRO)**

- a) The Council is not obliged to appoint a MLRO, however, it is considered to be best practice to nominate one or more officers to become responsible for their organisation’s anti-money laundering activities. The officers appointed for Nuneaton and Bedworth Borough Council are the Director – Finance & Procurement (the MLRO) and the Audit and Governance Manager (the Deputy MLRO).
- b) Section 332 of POCA concerns the offence of failing to disclose by nominated officers outside of the regulated sector. However, as the above officers have not been formally appointed as MLRO’s under the provisions of sections 337 or 338 of POCA, they cannot commit this offence.
- c) The role of the MLRO is to be aware of any suspicious activity that might be linked to money laundering, and report it. They’re responsible for:
  - Receiving reports of suspicious activity from any employee;
  - Considering all reports and evaluating whether there is, or seems to be, any evidence of money laundering;
  - Report any suspicious activity or transaction to the National Crime Agency (NCA) by completing a Suspicious Activity Report (SAR);
  - Asking the NCA for a defence to a money laundering offence in relation to the transactions they’ve reported, and making sure that no transactions are continued illegally;
  - Putting in place and operating anti money laundering controls and procedures, particularly in areas of high risk;
  - Training staff in preventing money laundering and keeping a written record of those employees who have attended the course.

---

<sup>1</sup> Defined by Section 340 (9) of POCA - “Property is all property wherever situated and includes-  
 (a) money;  
 (b) all forms of property, real or personal, heritable or moveable;  
 (c) things in action and other intangible or incorporeal property.”

## 4J.5 DISCLOSURE PROCEDURE

### Reporting to MLRO

- a) Where you know or suspect that money laundering activity is taking/has taken place, or you become concerned that your involvement in a matter which may amount to a prohibited activity under POCA, as defined in paragraph 4J.3 (d) above, you must disclose this as soon as possible to the MLRO or Deputy MLRO.
- b) Your disclosure should be made verbally initially and then followed up by e-mail and the report must include as much detail as possible. As a basic guide try to answer the following six basic questions to make the SAR as useful as possible:
  - Who?
  - What?
  - Where?
  - When?
  - Why?
  - How?

Avoid the use of acronyms or jargon as they may not be understood and may be open to misinterpretation.

- c) Examples of the information that should be provided to the MLRO include:
  - i. full details of the people involved (including yourself, if relevant), e.g. name, Full details of the people involved (including yourself, if relevant), i.e. name, date of birth, nationality, address(es), including postcode;
  - ii. Status of the address i.e. current, previous, home, business and other known property;
  - iii. Subject details, such as National Insurance Numbers, vehicle registration, driving licence, passport, phone numbers (clearly marked home, business, mobile etc.), website addresses;
  - iv. Full details of bank accounts or other financial details (including account numbers etc);
  - v. Type of transaction e.g. cash, debit/credit card, cheque, on-line payment etc.;
  - vi. Occupation and name and address of employer;
  - vii. Company details, including full legal name and designation (e.g. Limited or plc), VAT number or tax reference number if available, registered number, business/trading address, phone number, email address, website address;
  - viii. Trust details including full name, address, nature and type of trust;
  - ix. The type(s) of money laundering activity involved; The dates of such activities, including whether the transactions have happened, are ongoing or are imminent;
  - x. Where they took place or will take place;
  - xi. How they will take place or has taken place; and
  - xii. The (likely) amount of money/assets involved.

All available information needs to be given to the MLRO to enable him/her to complete a Suspicious Activity Report (SAR) and report it to the NCA. Once a SAR has been submitted, all employees must remember our obligations not to make any disclosures which might constitute an offence of 'tipping off'. This comes under section 333A of POCA and section 21D of the Terrorism Act.

Full details of the nature of your involvement and if you are concerned that this would amount to a prohibited act under the POCA (see section 3.4 above for details), then you will need consent from the National Crime Agency (NCA), via the MLRO, to take any further part in the transaction. You should therefore make it clear as to whether there are any deadlines for giving such consent e.g. a completion date or court deadline;

- d) Once you have reported the matter to the MLRO you must follow any directions he/she may give you. You must not make any further enquiries into the matter yourself or raise your concerns with the suspect, even if NCA has given consent to any particular transaction proceeding. Any necessary investigation will be undertaken by the NCA, and all employees will be required to co-operate with them during any subsequent money laundering investigation.
- e) Do not make any reference on a client file to a report having been made to the MLRO – should the client exercise their right to see the file, under Data Protection or Freedom of Information Act, then such a note will obviously tip them off to the report having been made.

### **Disclosing to the NCA**

- a) The MLRO will consider the report and any other available internal information, e.g:
  - other transaction patterns and volumes;
  - the length of any business relationship involved;
  - the number of any one-off transactions and linked transactions, and
  - any identification evidence held,and will then make any other reasonable enquiries as appropriate in order to ensure that all available information is taken into account in deciding whether a report to NCA is required.
- b) Once the MLRO has evaluated all of the information available, he/she must make a timely determination as to whether:
  - there is actual or suspected money laundering taking place; or
  - there are reasonable grounds to know or suspect that is the case; and
  - whether he/she needs to seek consent from NCA for a particular transaction to proceed.

- c) Where the MLRO concludes a referral is needed then he/she must disclose the matter as soon as practicable to NCA electronically via SAR online unless he/she has a reasonable excuse for non-disclosure, for example, if you are a lawyer and you wish to claim legal professional privilege for not disclosing the information. After disclosure has been made no further action should be taken without guidance from NCA.
- d) Where the MLRO suspects money laundering but has a reasonable excuse for non-disclosure, then he/she must note the report accordingly; he/she can then give their consent in writing for any ongoing or imminent transactions to proceed. In cases where legal professional privilege may apply, MLRO must liaise with the Director – Democracy, Planning & Public Protection to decide whether there is a reasonable excuse for not reporting the matter to NCA.
- e) Where consent is required from the NCA for a transaction to proceed, then the transaction(s) in question must not be undertaken or completed until NCA has specifically given consent, or there is deemed consent through the expiration of the relevant time limits without objection from NCA.
- f) All information referred to the MLRO and reports made to NCA must be retained by the MLRO for a minimum of five years.

#### 4J.6 CASH RECEIPTS

Cash sums in excess of £1,000 for any one transaction shall not normally be accepted. Only in exceptional circumstances shall payments in excess of £1,000 be accepted, for example, to secure the tenancy of a property. Cash is defined as including notes, coins or travellers cheques in any currency.

#### 4J.7 CUSTOMER DUE DILIGENCE CHECKS

- a) Where funds flow through to the Council from a source which it is unfamiliar with, or a new business relationship is being formed, or a one-off significant transaction is being considered, satisfactory evidence of the identity of the prospective client must be obtained. This applies to existing clients as well as new ones, and regular monitoring throughout the life of any ongoing arrangement is also needed to ensure that the identification information remains up-to-date, and the section's knowledge of the customer remains current.
- b) Where necessary, the following evidence should be obtained:
  - i. **Individuals** – the proof of identity for an individual should be the best available in the circumstances to identify that they are who they claim to be. They should identify their name, permanent address, as well as date and place of birth. (e.g. passports, driving licence, utility bills, etc).
  - ii. **Businesses** – check the identity of companies, partnerships and sole trader businesses by establishing the identity of the entity itself and then the people who are behind it – owners, directors, partners etc. The identity of these individuals should be established as outlined above. (The Audit

and Governance Manager can provide details of known directors and group structures for limited companies by requesting a financial report).

- iii. **Agents** – where a person purports to act on behalf of the customer, confirmation that they are authorised to act on behalf of the customer and verification of their identity must be obtained from a reliable source which is independent of both the customer and the agent.
- c) The evidence should be retained for at least five years from the end of the business relationship or transaction(s).
- d) If satisfactory evidence of identity is not obtained at the outset of the matter then the business relationship or one off transaction(s) cannot proceed any further.
- e) This client identification procedure does not apply to transactions with credit or financial institutions or any other bodies who are subject to the requirements of the money laundering directives or where the customer is a public authority in the United Kingdom.

Member Code of Conduct

# CONSTITUTION

Part 5

**Part 5 - RULES OF PROCEDURE**

**5A MEMBER CODE OF CONDUCT COMPLAINT PROCESS**

**5A.1 Nuneaton & Bedworth Borough Council Member Complaint Process**

**Filter Stage**

As a matter of principle, the preferred option for resolving complaints shall be through informal resolution whenever possible. Upon receipt of a complaint, the Monitoring Officer shall consult with the chair of the Audit & Standards Committee to confirm that the subject matter of the complaint engages the Code of Conduct. If the chair agrees, the subject Member and the complainant will be contacted to establish whether informal resolution is achievable. If the chair and the Monitoring Officer agree that the Code of Conduct is not engaged, the complainant will be notified and the complaint closed.

Where the Code is engaged, the Complaint will be submitted to the Assessment Sub-committee for consideration. A copy of the report will be sent to the subject Member at that time. The report will be submitted as an exempt item, but a Subject member may attend the meeting and make representations as to whether the complaint should be heard in public, subject to the Sub-committee’s consideration of the Public Interest test. Where appropriate the Monitoring Officer may also consult an independent person.

Where the allegation concern matters which may amount to a criminal offence the Monitoring Officer should also consult with the Police on whether the matter should be referred to them.

**Options available at the filter stage are**

Complaint resolved by informal action acceptable to both member and complainant.	No further action where complaints fall outside the Code or do not justify investigation and there is no informal resolution	Allegations of criminal matters if appropriate referred to Police	Referral for investigation if criteria are met
----------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------	------------------------------------------------

**We will only refer a complaint for investigation if the following criteria are met**

- it is serious enough, if proven, to justify the costs of an investigation **or**
- it is part of a continuing pattern of less serious misconduct that is unreasonably disrupting the business of the Council and there is no other avenue left to deal with it **and**
- the conduct complained of occurred within 6 months of the date the complaint was received

**We will not normally refer complaints for investigation where they fall within one or more of the following categories**

- we believe it to be malicious, relatively minor, or tit-for-tat
- the same, or substantially similar, complaint has already been the subject of an investigation or inquiry and there is nothing further to be gained
- the complaint concerns acts carried out in the member's private life, when they are not carrying out the work of the authority or have not misused their position as a member
- it appears that the complaint is really about dissatisfaction with a council decision
- there is not enough information currently available to justify a decision to refer the matter for investigation

**Referral for investigation**

The complaint is investigated by an Investigator appointed by the Monitoring Officer. Estimated timescales for investigation to be agreed between Investigator and Monitoring Officer in consultation with the chair of Audit & Standards Committee on a case by case basis.

Before finalising the investigation report, the Monitoring Officer will seek the views of an independent person.

**Report Stage**

The Monitoring Officer will arrange for the investigation report recommendations to be reported to Audit & Standards Committee and decide what should happen to the report next. A copy of the report will be sent to the subject Member at that time. The options are: no further action; or referral for a hearing.

**Hearing Stage**

The Hearing Sub-committee will consider the investigation report, take account of the views of any independent person consulted in relation to the matter, hear representations from the member concerned and the Monitoring Officer. Other people may be heard at the discretion of the Chair.

If the Sub-committee finds there is no failure to comply with the Code of Conduct the matter will end there. At that point, the subject member will be given the option of requesting a public notification of the outcome.

If the Sub-committee finds that there is a failure to comply with the Code of Conduct of it will consider what action if any should be taken, this may or may not include the imposition of sanctions on the member concerned

**Imposition of Sanctions**

The Audit & Standards Committee has delegated to the Hearings Sub-committee such of its powers to take action in respect of individual Members as may be necessary to promote and maintain high standards of conduct. Accordingly the Hearings Sub-committee may:

- b. Publish its findings in respect of the Member's conduct;
- c. Report its findings for information;
- d. Recommend to the Member's Group Leader (or in the case of ungrouped Members, recommend to or to Committees) that he/she be removed from any or all Committees or Sub-Committees;
- e. Recommend to the Leader that the member be removed from the Cabinet, or removed from particular portfolio responsibilities;
- f. Instruct the Monitoring Officer to arrange training for the Member;
- g. Remove from all outside appointments to which he/she has been appointed or nominated by the Council;

## Part 2: Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“**Disclosable Pecuniary Interest**” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

“**Partner**” means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

## Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

## Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

## Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which **affects** –
  - a. your own financial interest or well-being;
  - b. a financial interest or well-being of a relative, close associate; or
  - c. a body included in those you need to disclose under Other Registrable Interests as set out in **Table 2**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter **affects** your financial interest or well-being:
  - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
  - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

## 5A.1 GUIDANCE FOR MEMBERS ON THE USE OF SOCIAL MEDIA

Blogging and social networking are effective methods for Councillors to interact with constituents and support local democracy. Used effectively, they can engage those who would not normally have access to local councillors and politics.

Whilst the Council support's the use of such media and encourages Councillors to get online, Members should think about what they say and how they say it, in just the same way as they would when making statements in person or in writing. The former Standards Board and the LGA have provided good practice notes for Members use of Social Media / Blogging which are reflected within this guide.

Members will also need to think about whether they are seen to be, or give the impression that they are acting in their official capacity as a Councillor. For example if they can be identified as a Councillor when they are using social media, either by their account name or how they describe themselves and by what they comment upon and how they comment, the requirements of the Code of Conduct may apply

To make sure Members comply with the Code of Conduct (the Code) and to ensure their use of online media is well received the following general hints are suggested:

### Do

- ✓ set privacy settings for your blog or networking site – especially if you have a private, non-political blog
- ✓ keep an eye out for defamatory or obscene posts from others on your blog or page and remove them as soon as possible to avoid the perception that you condone such views
- ✓ Be aware that the higher your profile as a Councillor, the more likely it is you will be seen as acting in your official capacity when you blog or network.
- ✓ Ensure you use council facilities appropriately; if you use a Council provided blog site or social networking area, any posts you make will be viewed as made in your official capacity.
- ✓ be aware that publishing any information that you could not have accessed without your position as a Councillor you will be seen as acting in you official capacity
- ✓ make political points, but be careful about being too specific or personal if referring to individuals, an attack on individuals may be seen as disrespectful, whereas general comments about another party or genuine political expression is less likely to be viewed as disrespectful
- ✓ Show respect for others - do not use social media to be rude or disrespectful
- ✓ Abide by the laws of equality – do not publish anything that might be seen as racist, sexist, ageist, homophobic or anti faith even as a joke

### Don't

- Blog in haste
- post comments that you would not be prepared to make in writing or face to face
- use council facilities for personal or political blogs
- disclose confidential information about people or the Council
- bully or intimidate others - repeated negative comments about or to individuals could be interpreted as bullying or intimidation
- try to secure a benefit for yourself or a disadvantage for others

You should also keep in mind :

**Predetermination** - As a Councillor, when you act in a quasi-judicial capacity, for example on a planning or licensing committee, you should not make up your mind about an issue that is to be formally decided upon before you have heard all the relevant information. Anything relevant you might have said about a particular issue on social media could be used as evidence of your having made up your mind in advance of hearing all the relevant information and lead to a decision being challenged.

**Harassment** - It is a criminal offence to repeatedly pursue a campaign against someone where this is likely to cause alarm, harassment, nuisance or distress.

**Data Protection** - It is illegal to publish personal data about individuals unless they have given you their permission. This might apply to your constituents or service users. As a councillor you are a data controller in your own right and therefore personally responsible for what you publish.

**Incitement** - It is a criminal offence to incite any criminal act.

**Discrimination and Racially Aggravated Offences (or any other protected Characteristic)**- It is a criminal offence to make a discriminatory remark about anyone based on a "Protected Characteristic" as defined in The Equality Act ( such as their race, religion, sexual orientation etc).

**Malicious & Obscene Communications** - It is a criminal offence to send malicious or obscene communications.

**Defamation** - It is against the law to make a false statement about someone which damages their personal or professional reputation. Crucially - even if you simply retweet or pass on information originally posted by others, you may still be held equally as responsible as the original commentator. This can also apply to publishing images. If found liable to another person, you could be ordered to pay large sums of money as damages.

**Copyright** - The legal ownership of the contents of documents, photos, videos and music belong to the person who created them. You could be in breach of copyright if you reproduce such material without the owner's permission.

**Political Comment and Electioneering** - Remember that although it is acceptable to make political points or canvass votes via your own social media accounts this will not be permissible if you are using this via council supplied computer equipment, certainly in the run-up to elections.

### When the Code may apply

Bear in mind the Code when you blog or use social networking sites. You should pay particular attention to the following paragraphs of the Code

- ❖ Disrespect
- ❖ Bullying
- ❖ Disclosure of confidential information
- ❖ Disrepute
- ❖ Misuse of authority resources

It is difficult to give definitive advice on the application of the Code as each blog and social networking page is different and each will be interpreted on the individual facts and circumstances. The content of a blog and the circumstances surrounding its creation and how you have identified yourself and conducted yourself on it will determine whether or not it might be covered by the Code.

Ethical use of online social media is not limited to what is covered in the Code. Members are encouraged to respect the ***General Principles of Public Life***

**Selflessness** – Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other benefits for themselves, their family or their friends.

**Integrity** – Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

**Objectivity** – In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

**Accountability** – Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

**Openness** – Holders of public office should be as open as possible about all the decisions and actions they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

**Honesty** – Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

**Leadership** – Holders of public office should promote and support these principles by leadership and example

While your conduct may not be a breach of the Code it may still be viewed as less than exemplary and attract adverse publicity for your office and the Authority

## 5B CODE OF CONDUCT FOR EMPLOYEES

### 5B.1 PURPOSE OF THE POLICY

Nuneaton and Bedworth Borough Council (“the Council/Borough”) is accountable to the people of the Borough and, the public expects the highest standards of conduct from its employees.

Employees are expected to use their knowledge and expertise to give the highest standard of service to the public, and, where it is part of their duties, to provide appropriate advice to councilors and fellow employees with impartiality.

Although the Nolan Committee on Standards in Public Life established its seven principles primarily with elected members in mind, they apply equally to employees in the public service. All employees are therefore expected to conduct themselves in accordance with those principles. The principles are Selflessness, Integrity, Objectivity, Accountability, Openness, Honesty, and Leadership. Employees are expected to maintain conduct of the highest standards so that public confidence in their integrity is sustained.

It is the responsibility of all employees to familiarize themselves periodically with the latest version of the Code and for complying with it at all times.

To articulate the Nolan Principles the Council has also developed for staff the following core values:

- Service for our customers
- Integrity in our actions
- Accountability for our performance
- Co-operation with councilors, colleagues and partners
- Objectivity in our decisions
- Efficiency: to keep overall costs down

### 5B.3 Management Responsibilities

Managers must ensure this Code is adhered to by all employees. They must

- ensure standards within this Code are established and communicated in the workplace;
- clarify where required to assist in employee understanding of the Code;
  - manage non-compliance with the standards set out in this Code at the earliest opportunity.

### 5B.4 Standards of Service to the Public

Employees must be courteous, efficient and impartial in providing services to all within the community. Aggressive or antagonistic behavior will not be acceptable. If the employees work with customers that behave aggressively, they must familiarize themselves with the appropriate codes/policies on violence/aggression.

Employees should ensure they are familiar with all relevant Council policies and procedures which apply to their role, and act in line with these. This includes Contract Procedure Rules, Financial Procedure Rules, and any other legislative frameworks in force at the time.

## 5B.5 Party Political Impartiality and Politically Restricted Posts

Employees serve the Council as a whole and must follow every lawful decision and policy of the Council.

Employees must serve all Members and not just those of the controlling group. Individual rights of all councilors must be respected at all times. Employees must not allow their own personal or political opinions to interfere with their work when working with members.

Whilst engaged in council business, employees must not wear or display any objects indicating support for or opposition to any political party or view. This applies to private vehicles used for council business.

Where employees are politically restricted, by reason of the post they hold or the nature of the work they do, they must comply with any statutory restrictions on political activities which they will be advised of upon appointment.

Directors and Officers on occasions, may be invited to attend political group meetings to give information. Their conduct at such venues must not compromise their political neutrality. Employees have a right, without fear of recrimination, to decline to attend a political group meeting.

## 5B.6 Relationships

### a. Councillors

Employees and Members must comply with the Council's Protocol on Member/Employee Relations.

Mutual respect between employees and Councillors is essential to provide a high standard of local government services. Close personal familiarity between employees and councilors should be avoided as this could prove embarrassing to other employees and Councillors.

Employees are accountable to council members through their Chief Officer. Employees may be required to give advice to Councillors in the course of their duties. All employees must declare any personal relations with a Councillor. Where the relationship could present a conflict of interest, the line manager will need to consider how effectively this can be managed,

In general, employees and Councillors should consider the way others may view the potential conflicts arising from social connections, in particularly concerning confidentiality and bias.

### b. Other Employees

All employees must treat each other with courtesy and respect and must comply with the standards set out in this Code and all other relevant policies of the Council.

Employees who are partners or if they have a family relationship may at some time work together. It is the council presumption that the relationship will not affect performance. Employees must declare any personal relationship with another employee, where the relationship may affect, or could be perceived to affect the employee's or the employee's colleagues' performance. Where there are situations when a personal relationship between employees become a management concern and, they may unintentionally impair operational efficiency or affect service delivery, this will be addressed by the line manager.

The Council reserves the right (without breach of contract), in any situation where employees in a personal relationship work in close proximity, to require one or both employees to change their roles or duties. This is intended to avoid the employees in a relationship finding themselves in a potentially difficult situation. It will also avoid perceptions of unfairness or undue influence (whether real or imagined).

#### c. Relationships with Applicants

Employees of the Council, when involved in the recruitment and appointment of staff, must ensure that appointments are made on the basis of merit.

Employees making appointments must be aware of the equality opportunities legislation. It would be unlawful for an employee, to make an appointment based on anything other than the ability of the candidate to undertake the duties of the post. The relevant procedures are detailed in the council's Recruitment and Selection Policy and/or the Managing Change Policy.

In order to avoid any accusation of bias, if an applicant is related to, or is in a close personal relationship with, an employee involved in the recruitment decision, the employee must inform the relevant Chief Officer of the relationship. The method of recruitment must then be agreed by the Chief Officer, and must not allow the employee to have a role in the decision-making where unfairness could occur.

Employees may be involved in day to day management however, they must not be involved in formal decisions and decision making must be consistent and fair in accordance with Council policies and procedures. While an employee may be involved in the day to day management of the relative or someone with whom they have a close personal relationship, they must not take formal decisions about that person or seek to unduly influence such decisions. Such decisions must be taken by a different employee who has been appointed for the purpose by the relevant Chief Officer. Formal decisions include but are not limited to sanctions, discipline, promotion or pay and conditions.

#### d. Relationships with Others

Special favours must not be shown to partners, relatives, and friends or to current or former employees or job applicants. Employees must therefore, disclose to their Director all relevant relationships, whether of a private or business nature, which may have a potential to bring about a conflict with the Council's interests.

e. Contractors

If employees are privy to confidential information on tenders or costs for internal or external contractors, employees must not disclose that information to any unauthorized party or organization.

All orders and contracts must be awarded on merit, by fair competition against other bids, quotations, and tenders and, in accordance with Contract Standing Orders. During any contractual process, employees must disclose all relationships with current or potential contractors and, must be aware of the need for accountability and openness.

No favoritism must be shown nor should any community be discriminated against. If there is possibility of a conflict between an employees' duties to the Council and their relationship with the contractor, lessee etc, then that employee must report that relationship to their line manager. If employees have any doubt on the relevance of a particular relationship, they are advised to disclose it in accordance with Paragraph 5B.7 below.

f. The Media

- All communications with the media relating to the activities of the Council or Council employees, are handled by the Communications Team. If employees are contacted by the media they should report details of the communications to their line manager.
- Employees must not use social media in an official capacity without the authority of their Director.
- Employees personal accounts on social media should not be used for official business and personal views of employees will not be the views of the Council.

5B.7 Conflicts of Interests

5B7.1 Private Interest v Public Duty

- a. Employees must not put themselves in a position where there is a conflict of interests between their private life and public duties. For example, if an employee is a member of a secret society which may cause a conflict of interest, such as the Freemasons, the employee must declare their membership to their line manager and complete a declaration form which must be submitted to the Council's Monitoring Officer. The Council will hold and maintain a record of all Employee Declarations with proper confidentiality and will publish Employee Declarations on the Council's website at Head of Service level or above.

b. The Council will reserve the right to take legal or (any) other appropriate action against employees where their conduct outside of their workplace conflicts with public duties. i.e. where the employees conduct outside of work could undermine the Council's reputation or hinder public confidence.

c. There will be an obligation for employees to inform the Council of any convictions outside work and an assessment will be undertaken by their line manager, in conjunction with Human Resources, as to whether any further action needs to be taken in respect of their employment.

d. Employees working in departments such as planning, must not be involved with the granting of permissions i.e. taking part in considering any application made by themselves, relative, friend or neighbour.

#### 5B7.2 Secondary Employment/Income

- a. Where an employee has any secondary employment outside the Council, this must not conflict with the Council's interests, or bring it into disrepute. Secondary employment is not permitted during the employees working hours, nor is the use of council property, equipment or associated communications or documents.
- b. Employees may be required to disclose their total working hours of the secondary employment, to enable the council to monitor the hours worked comply with Working Time Regulations.
- c. All secondary employment must be declared to the Monitoring Officer and the details recorded on a declaration form. Under the Working Time Regulations, an employee must not work more than 48 hours a week on average over a 17 week period. The 48 hour maximum applies to the working time of that one employee, irrespective of how many jobs that employee has. Ordinarily, it is the employee's responsibility to ensure they adhere to this restriction. However, if the Council is the secondary employer, it is expected that the respective line managers should monitor the overall working hours. It is accepted that at times, such as where there is a need for overtime, this working week limit may be exceeded but this should not be for an extended period. It is an employee's choice to opt out of this restriction and if they choose to do so, a copy of this opt out, whether permanent or temporary, must be shared with the line manager. At no time should the Council insist on any such opt outs.

The declaration of the secondary employment, does not remove the right of the Council to take action if, it is deemed to be detrimental to the interests or reputation of the council, or where it affects the employees' performance at work.

- d. Employees may undertake for example, secondary employment in the Council, or work on a voluntary basis within the Council as well as secondary employment within the Council.
- e. Unless express consent has been given by a Director, an employee may not become a trustee or board member of any organization which receive any form of funding from the Council.

- f. Employees must declare any financial interest whether it be direct or indirect, in any existing or proposed contracts, transactions they are involved in at the Council. The interest must be declared in writing on a declaration form and submitted to the Monitoring Officer.
- g. Employees must declare in writing to the line manager, any interest or association with any Council activity, which could cause a potential conflict of interest.

#### 5B7.3 Contracts and Partners

- a. In agreeing contracts/agreements with contractors, partners or voluntary bodies and, if employees engage or supervise contractors, or have a working relationship with existing or potential contractors, or have had or have a relationship in a private capacity (with the director or the contractors employee), they must declare that relationship to their line manager, complete a declaration form and submit the form to the Council's Monitoring Officer. No special favour is to be shown to current or former partners, close relatives, friends or associates in awarding contracts to businesses run by them or employing them.
- b. In working with all contractors and partners there must be full compliance with this Code and, all other relevant council policies and procedures, in particular the procurement guidelines.

#### 5B8 Council Equipment

- a. Where the equipment of the Council is no longer required it may be offered for employees to acquire them for personal use. Depending on the value of the items the employee may be required to make a financial contribution to the Council, in line with related council policies.
- b. If a member of the public wishes to access property, facilities, or equipment which may be provided by the Council on a commercial basis, an employee must not gain advantage due to your employment with the Council. Where there may be a perception of conflict, the employee must advise their line manager in order to take the appropriate action.
- c. All Council owned equipment such as laptops, mobile phones, bags, jackets must be returned on termination of employment. Council-owned or supplied data on computers must be deleted. The employees access to systems used will be terminated permanently.

#### 5B9 Information obtained during the Course of Employment

Any information obtained by an employee in the course of their employment must not be used for the employee's personal gain or benefit, nor should it be passed to others who might use it in such a way. Employees must not disclose to any third party confidential information, which could be prejudicial to the Council's interests.

## Whistleblowing

- a. Where an employee becomes aware of activities which that the employee believes to be illegal, improper, unethical or otherwise inconsistent with the model Code of Conduct for employees, the employee should report the matter in accordance with Council's Whistleblowing policy.
- b. The Council will not tolerate any form of malpractice. Although it is often difficult for employees to report legitimate concerns through fear of reprisal or victimisation, employees need to be assured that in raising concerns they will be supported.

## Investigations by Monitoring Officers

Where a Monitoring Officer is undertaking an investigation in accordance with a complaint against an elected member under the Localism Act 2011 and associated Regulations, employees must comply with any requirement made by that Monitoring Officer in connection with such an investigation.

## 5B10 Compliance with this Code

- a. This code is part of an employee's contract of employment and, failure to comply with any of the provisions of this Code may, result in disciplinary action being taken under the Disciplinary policy, or legal action if necessary.
- b. Employees are responsible for ensuring that they keep their line manager informed of any change of circumstance that gives rise to a need to update their declarations.
- c. Declarations must be made in writing to the Council's Monitoring Officer.
- d. The Council will hold and maintain a record of all Employee Declarations with proper confidentiality and will publish Employee Declarations on the Council's website at Head of Service level and above.

This policy provides you with an overview of the purpose of this policy and your responsibilities as an employee. Failure to act in accordance with the Code and in conjunction with other relevant policies of the Council and legislation at the time, may result in disciplinary action. Other documents which provide further details and helpful guidance that should be read in conjunction with this policy, can be found on the council's website.

## 5C PROTOCOL FOR MEMBER/EMPLOYEE RELATIONS

### 5C.1 INTRODUCTION

- a) The purpose of this Protocol is to guide Members and employees of the Council in their relations with one another. References below to Committees include Sub-Committees, Working Parties, Panels and Select Committees.
- b) This Protocol supplements and expands the requirements in the Members and Officers' Codes of Conduct about acceptable behaviour. A breach of this Protocol will be regarded as a failure to observe the relevant provision in the Code of Conduct and could lead to action being taken through the Audit & Standards Committee (for Members) or disciplinary action (for officers).
- c) Members are accountable to the electorate. The Chief Executive is responsible for implementing corporate strategy and ensuring co-ordination and communication between service units. The Directors/Heads of Service are responsible for service delivery.
- d) This Protocol reflects the principles of the respective Codes of Conduct which apply to Members and to employees. The common aim of these Codes is to enhance and maintain the integrity (real and perceived) of Local Government. Therefore, very high standards of personal conduct are demanded.
- e) A relevant extract from the Council's Code of Conduct for Members is reproduced below: -

***“As a Councillor I will act in accordance with the principles in paragraph 2 and in particular, I will***

- a. *Champion the needs of the whole community and all my constituents, including those who did not vote for me and put the public interest first.*
- c. *Not bully, harass or unlawfully discriminate against anyone or seek to compromise the impartiality of officers of the Council*
- f. *Take account of all relevant information, including advice from statutory and other professional officers. I will remain objective and make decisions on merit.*
- ii. *Behave in accordance with all my legal obligations, alongside any requirements contained within the Council's policies, protocols and procedures, including on the use of the Council's resources.*

- l. Value my colleagues and staff and engage with them in an appropriate manner and one that underpins the mutual respect between us that is essential to good local government.*
  - m. Always treat people with respect, including the organisations and the public I engage with, fellow members and those I work alongside.*
  - o. Not intimidate or attempt to intimidate any person who is likely to be involved with any investigation or proceedings.”*
- f) Because of the above it is important that any dealings between Members and employees should observe high standards of courtesy and that neither party should seek to take advantage of their position. In particular, Members should recognise that Council employees work for the Council and not a particular party or individual Member. By definition, employees should seek to remain impartial and not be drawn into political discussions with elected Members. For their part, employees should undertake their duties in accordance with the wishes of the Council and, in particular, comply with all Council policies. The current Employee Code of Conduct clearly states:

*“5B.5 Party Political Impartiality and Politically Restricted Posts*

*Employees serve the Council as a whole and must follow every lawful decision and policy of the Council.*

*Employees must serve all Members and not just those of the controlling group. Individual rights of all councillors must be respected at all times. Employees must not allow their own personal or political opinions to interfere with their work when working with members.*

*Whilst engaged in council business, employees must not wear or display any objects indicating support for or opposition to any political party or view. This applies to private vehicles used for council business.*

*Where employees are politically restricted, by reason of the post they hold or the nature of the work they do, they must comply with any statutory restrictions on political activities which they will be advised of upon appointment.*

*Strategic & Assistant Directors and Officers on occasions, may be invited to attend political group meetings to give information. Their conduct at such venues must not compromise their political neutrality. Employees have a right, without fear of recrimination, to decline to attend a political group meeting.”*

## 5C.2 Employee Advice to Party Groups

- a) There is statutory recognition for Party Groups. It is common practice for such Groups to consider matters of Council business before debate by Cabinet or Full Council. Party Groups may properly call upon employees to support and contribute to such deliberations. However the requirements of the Code of Conduct for Employees referred to above must be complied with at all times.
- b) The support provided by employees can take many forms, ranging from a briefing session prior to Cabinet to a presentation before a full Party Group meeting. Such support is available to all Party Groups, although it is likely that demand will be greatest from the controlling Group.
- c) However, all Members and employees must clearly understand the following: -
  - i. Employee support in these circumstances must not extend beyond providing factual information and procedural advice in relation to matters of Council business. Employees must not advise on Party business. Thus employees shall not be present at parts of Group meetings when Party business is discussed.
  - ii. Party Group meetings are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that Members do not interpret them as such. Furthermore, Members must not expect officers to act upon such discussions unless and until those decisions have been formally approved by the appropriate decision-making body.
  - iii. Similarly, where employees attend Group meetings on Council business, this cannot act as a substitute for providing all necessary information and procedural advice to the relevant decision making body when the matter in question is considered.
- d) Special care is needed when employees attend to give factual or procedural advice at a Party Group meeting which includes persons who are not Members of the Council. Such persons will not be bound by this Council's Members Code of Conduct (in particular, the provisions concerning confidentiality). Employees must not be required to provide factual information or procedural advice in such circumstances where the officer considers that to do, so may prejudice the interests of the Council as a whole.
- e) Employees must respect the confidentiality of any Party Group discussions at which they are present in the sense that they would not relay the content of any such discussion to another Party Group.

- f) Any particular cases of difficulty or uncertainty about employees attending Party Groups should be raised by the employee with the Chief Executive who will discuss them with the relevant Group Leader.

### **5C.3 Support Services to Members and Party Groups**

- a) The only basis on which the Council can lawfully provide support services (e.g. stationery, typing, printing, photocopying, transport etc.) to Members is to assist them in carrying out their role as Members of the Council. Such support services must therefore only be used on Council business. They should never be used in connection with Party political or campaigning activity, or for private purposes.
- b) Where an employee has any concerns in connection with any request from a Member to use Council resources for purposes that might appear to be outside the scope of para 3.1 above, they should raise their concerns with their Director. If the Director considers the request to be outside the scope of 3.1 above, the Member should be advised accordingly. If the Member wishes to pursue the matter, it shall be escalated to the Chief Executive for determination. The Chief Executive's decision shall be final and reasons will be given to the member concerned and the appropriate Group Leader.

### **5C.4 Relationships between Employees and Cabinet and Committee Members**

- a) It is important for a Cabinet Member and a Chair of a Committee to have a close working relationship with the Chief Executive, Strategic Director or Assistant Directors and other senior employees who report to Cabinet or Committees. However, such relationships should never become (or appear) so close as to bring into question the employee's ability to deal impartially with those or other Members and all Party Groups.
- b) Save in cases of emergency, a Member:-
  - i. should respect an employee's normal hours of work and seek to schedule meetings (of reasonable length) at mutually convenient hours.
  - ii. should not telephone an employee at home.

The Chief Executive's guidance can be sought in conjunction with the Council Leader if this creates difficulties. Similarly, an employee should respect Members' work and other commitments and act as far as possible to minimise inconvenience to the Member.

- c) Whilst the appropriate Member will be routinely consulted as part of the process of drawing up the agenda for a forthcoming meeting, it must be recognised that the Chief Executive or other statutory officer will be under a duty to submit a report on a particular matter. The Chief Executive or

other statutory officer is fully responsible for the content of any report submitted in his/her name. Any issues arising between a Cabinet Member or Chair and the Chief Executive or other statutory officer should be referred to the Chief Executive for resolution in conjunction with the Leader of the Council. It is the responsibility of the Assistant Directors to ensure the Chair and Vice-Chair are appropriately briefed on agenda items before meetings.

- d) Council resolutions sometimes authorise named employees to take action in consultation with a Member. It is the employee, rather than the Member, who takes the action, and the employee who is accountable for it.
- e) In seeking advice and support, Members should have due regard to the seniority of the employee with whom they are dealing and recognise that employees are accountable to their line managers and the Chief Executive and not to any individual Member. Whilst employees should always seek to assist a Member, they must not, in so doing, go beyond the bounds of whatever authority they have been given by their Assistant Director. For this reason, Members must not give direct instructions to staff, unless they are duly authorised to do so by the Council's constitutional arrangements (i.e. only Members of the Cabinet with regard to their particular areas of Executive responsibility). If so authorised, instructions should, under normal circumstances, be given to the relevant Assistant Director and not to a more junior employee. Members must not place themselves in the position of an operational manager with employees, the public or contractors.
- f) Members must, in particular, guard against putting pressure on junior officers and must ensure that all communication between them (including electronic verbal and written) does not cause any embarrassment to the officer, bully or harass the officer, or lead to the breakdown of mutual trust, respect and courtesy in the Member/employee relation, nor should it bring the Council into disrepute.
- g) Reports for Cabinet or Committees shall be balanced, honest and impartial. Members must not place any pressure on any employee designed to influence the employee's professional viewpoint in the report.
- h) When dealing with the media, employees shall consider what information may more appropriately be given by a Member. In general, matters of policy and opinion shall emanate from Members, and matters of fact or professional judgement from employees. When drafting press releases, authors must consult the appropriate Member on high profile issues.
- i) The Council's Press Protocol sets out responsibilities for dealing with the press and other media organisations on behalf of the Council. It is important, therefore, that all official communication relating to the Council is dealt with in accordance with this Protocol, so as to ensure the

proactive, effective and efficient management of the Council's public image, relations and interface.

- j) Mutual respect and courtesy between Members and officers is expected at all times. Personal remarks or criticism of named officers (or where an officer can easily be identified) will be a breach of this Protocol. Bullying or harassment by a Member could potentially expose the Council to a claim for constructive dismissal and the member to a complaint under the Code of Conduct. Equally Officers must not criticise Members and should respect their rights under this Protocol.
- k) Members must not raise matters relating to the conduct or capability of an employee (or of employees, collectively) at meetings held in public or before the press and vice versa. Employees have no means of responding to the same in public. If any Member feels that he/she has not been treated with the proper mutual trust, respect, or courtesy or has any concern about the conduct or capability of an employee, he/she should raise the matter, in private, with the relevant employee, and if necessary, the Assistant Director of the department concerned. Any concerns with regard to an Assistant Director should be discussed, in private, with the Chief Executive and/or the Leader of the relevant Political Group. Any concerns as to the Chief Executive should be discussed in private with the Leader of the relevant Political Group.

#### **5C.5 EXPECTATIONS FROM MEMBERS AND OFFICERS**

- a) Officers service the whole Council and must be politically neutral at work. Members must respect officers' rights to private political opinions. These must not be used against an officer who remains neutral at work and observes the relevant Codes. Any questions about neutrality must be raised with the Chief Executive or Monitoring Officer before any public accusation.
- b) Close personal relationships between Members and officers are to be avoided.
- c) Disputes between officers and Members should first be raised with the relevant Director. If no resolution can be achieved the matter should be reported to the Monitoring Officer who may advise the parties as to what steps are considered necessary to deal with the situation.
- d) Members and Officers also need to be familiar with the provisions of the "Confidential Reporting Code" under which they can raise concerns about serious issues within the Council without fear of harassment or reprisals.
- e) Members should avoid becoming unduly involved in individual cases and operational detail. Involvement in insurance claims, disputes that may involve legal proceedings and audit investigations carry a danger of prejudicing a case which can lead to financial liabilities for the Council.

- f) Members' Expectations from Officers;-
- i. a commitment to the Authority as a whole and not to any political group;
  - ii. reasonable and timely responses to enquiries and complaints;
  - iii. professional advice not influenced by political views or preference;
  - iv. respect and courtesy;
  - v. relevant training and development in order to carry out their roles effectively;
  - vi. compliance with the relevant Code of Conduct; and
  - vii. an understanding of and support for, the respective roles, workloads and pressure.
- g) Officers' Expectations from Members;-
- i. political leadership and direction;
  - ii. not to be subject to undue pressure, harassment or bullying;
  - iii. respect and courtesy;
  - iv. relevant training and development in order to carry out their roles effectively;
  - v. compliance with the relevant Code of Conduct; and
  - vi. an understanding of and support for the respective roles, workloads and pressure.

#### **5C.6 CORRESPONDENCE**

- a) Correspondence (paper copy or email) between an individual Member and an employee should not normally be copied (by the employee) to any other Member without the first Member's consent. Where exceptionally it is necessary to copy the correspondence to another Member, this should be made clear to the original Member. In other words, a system of "blind copies" should not normally be employed.
- b) Official letters on behalf of the Council should be sent out over the name of the appropriate employee, rather than over the name of a Member. It may be appropriate in certain circumstances (e.g. representations to a Government Minister) for a letter to appear over the name of a Member, but this should be the exception rather than the norm. Letters which create obligations or give instructions on behalf of the Council should never be sent out over the name of a Member.
- c) If an employee corresponds with a Member regarding a query raised through the Leader or Chair at Cabinet or Committee, the

correspondence should usually be copied to the Leader or Chair of the Committee, as the case may be.

- d) Cabinet Members and Chairs, Chief Executive and Strategic & Assistant Directors should (if online) ensure that they check their inbox for emails at least once in any 48 hour period (Mon - Fri), or else set up an automated message accordingly.
- e) Correspondence should be dealt with in accordance with agreements from time to time in force. Currently these include:
  - i. employees shall respond to (acknowledge) a Member's email within 48 hours (Mon - Fri)
  - ii. employees shall return a member's telephone call within 24 hours (Mon - Fri)
  - iii. employees shall acknowledge a member's letter within two/three working days and shall respond within 10 working days, thereafter.

Members shall endeavour to meet the above Standards, but employees must recognise that Members may have commitments in addition to their Council duty.

#### **5C.7 PROVISION OF INFORMATION TO MEMBERS AND THE DUTY OF CONFIDENTIALITY**

- a) Each Member has a right to the information reasonably required to perform his or her role as a Member. They are not entitled to information “out of curiosity” or where they are on a “phishing expedition”. In addition, they may not be entitled to information where the information is primarily required for a non-Council purpose, or where there is a conflict of interest or where there is an overriding right to confidentiality, for example personal information relating to a licensing or employment matter.
- b) Requests for information should be made to the relevant Manager rather than a junior officer and any relevant interests or non-Council purpose should be declared at the time. If dissatisfied with a refusal the relevant Assistant Director should be approached. If still dissatisfied, the Monitoring Officer or Chief Executive may be asked to determine entitlement.
- c) Where a Member requests information from a Manager that is in the public domain, the officer shall supply the Member with it or indicate in which documents it can be found. Where a Member requests information from an officer that must be calculated or derived from information in the public domain, the officer shall supply the Member with it and copy it to the Assistant Director.
- d) Members must respect the status of confidential information and need to be familiar with the provisions of the Code of Conduct which deal with the duty to maintain confidentiality. Members should ask the Monitoring

Officer for advice whenever they consider “going public” with information that is confidential.

- e) All Members are provided with access to the Council’s internet and email systems. Members are required to sign up to the Policy on the use of ICT equipment.

#### **5C.8 INVOLVEMENT OF WARD MEMBERS**

- a) Whenever a public meeting is organised by the Council to consider a local issue, all Members representing any affected Ward should, as a matter of course, be invited to attend the meeting and where possible, provisional dates should be agreed with Ward Members. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, Ward Members should be notified at the outset of the exercise.
- b) At public meetings, employees are professionally responsible for information they provide. Likewise Members must ensure the information they give is accurate and true.

## 5D CODE OF PRACTICE FOR MEMBERS AND OFFICERS DEALING WITH PLANNING MATTERS

### 5D.1 INTRODUCTION

- a) The Council is the Local Planning Authority for Nuneaton and Bedworth.
- b) The Council's planning decisions must be taken with regard to policies contained in its Development Plan, and any supplementary planning guidance, unless material considerations justify a departure.
- c) Many minor applications are dealt with by officers under Delegated Authority, as provided for under the Constitution.
- d) Major applications involving Council owned land, those raising substantial objections, and those as requested by Members are determined by the Planning Applications Committee.
- e) This Code of Practice for Planning Matters sets out the rules and procedures for determining planning applications and enforcement actions.
- f) The Members' Code of Conduct requires Members to:
  - “e. Exercise independent judgement and not compromise my position by placing myself under obligations to outside individuals or organisations who might seek to influence the way I perform my duties as a councillor. This includes not accepting gifts or hospitality which could give rise to a perception of influence over the way I perform my duties [: and]*
  - f. Take account of all relevant information, including advice from statutory and other professional officers. I will remain objective and make decisions on merit.”*
- g) The law relating to the planning process obliges Members to act in a quasi-judicial and independent manner.
- h) The key objectives of this Code, therefore, are:
  - i. to protect the Council and individual Members from allegations of unfairness, findings of maladministration and legal challenge, and
  - ii. to ensure that the role of officers, developers and applicants/members of the public are understood.

## 5D.2 TRAINING

- a) The planning process requires Members to take decisions within a legal framework which is evolving continuously through legislation and case law.
- b) Therefore, only Members who have either received accredited training in planning procedures and planning law in the preceding two years or, in the case of new Members, received in-house training within two months of the Annual Council Meeting or until such training is received shall be eligible to serve on the Planning Applications Committee. A Member who has not received the required training will not be permitted to serve on the Committee until such time as the training requirements are fulfilled.
- c) Members considering membership of the Planning Applications Committee should carefully consider the potential for conflict of interest. For example, Members who may be, or are closely associated with, local builders, estate agents, land owners or other people likely to be interested in the use or development of land will need to consider whether they can effectively perform their role in the light of such interests.

## 5D.3 REGISTRATION AND DECLARATION OF INTERESTS

### a) **Registration of Interests**

The Code of Conduct requires Members to register and declare their interests. These requirements must be followed scrupulously and Members should review their situation regularly. Guidance on the registration and declaration of interests may be sought from the Council's Monitoring Officer. Ultimate responsibility for fulfilling the requirements rests individually with each Member.

A Register of Members' Interests is maintained by the Council's Monitoring Officer, and is available for public inspection. Members must provide the Monitoring Officer with written details of relevant interests within 28 days of his/her election, or appointment to office. Any changes to those interests must similarly be notified within 28 days of the Member becoming aware of such changes.

### b) **Declaration of Interests**

#### i. **Disclosable Pecuniary Interests**

The Code of Conduct defines a Disclosable Pecuniary Interest in any matter under discussion as:

1. any matter relating to an interest in respect of which the Member has given notice in the statutory Register of Members' Interests; and
2. if a decision upon it might reasonably be regarded as affecting the well-being or financial position of themselves or their spouse, or
  - any employment or business carried on by such persons;
  - any person who employs or has appointed such persons, any firm in which they are a partner, or any company of which they are directors; or
  - any corporate body in which such persons have a beneficial interest in a class of securities exceeding the nominal value of £25,000;

Where a Member considers they have such an interest in a matter, they must always declare it, but **it does not then necessarily follow that the interest debars the Member from participation in the discussion.**

Members who have a Disclosable Pecuniary Interest may seek a dispensation from the Council's Audit & Standards Committee to speak and/or vote on a matter. Subject to satisfying the requirements of the legislation, a dispensation is likely to be given unless the interest is one that is likely to be regarded as impeding the Member's ability to judge the public interest in an application.

Where a Member has a Disclosable Pecuniary Interest, Audit & Standards Committee has granted a dispensation to all Members to speak at Planning Applications Committee, according them the same rights as members of the public.

## ii. **Other Interests**

The Member may need to consider whether the interest is an Other Interest as defined by the Code.

Other interests now only arise if a matter affects a Member's family (but not their spouse) or close associates in a way which:

1. relates to their finances or wellbeing; or
2. concerns a regulatory function including planning and licensing

where a reasonable member of the public with knowledge of the facts would believe their ability to judge the public interest would be impaired.

- iii. Members have the same rights to speak to meetings as members of the public even in circumstances where they have an Other Interest.

Accordingly, it is now possible for a Member who has a Disclosable Pecuniary Interest with a dispensation to attend a meeting of Planning Applications Committee to speak (and if a specific dispensation has been granted, to vote) and if the interest is an Other Interest, to attend such as for the purpose of making representations, answering questions or giving evidence in the same way that the public is able to do so.

However, once a Member has spoken (unless a dispensation to vote has been given), he or she must leave the meeting room, as previously required and cannot remain in the public gallery to observe the vote on the matter.

#### **5D.4 BIAS AND PREDETERMINATION**

- a) There are other situations where Members should not participate in deciding a particular application. This is mainly when there is the possibility of bias being alleged. This may occur as a result of lobbying (see 5D.7). It could occur if a Member expresses a firm view during a site visit which they also make clear will not change in any circumstances (in other words they have a closed mind on the matter) and this is clearly seen during the course of the debate at the meeting.

If a Member has any uncertainty on a particular application, he or she should consult the Council's Monitoring Officer for advice.

- b) Members must not fetter their discretion or restrict their freedom of choice. Whilst they must keep an open mind on how they will vote on any planning matter prior to formal consideration of the matter at the meeting of the Planning Authority hearing the officer's presentation and evidence and arguments on both sides, they are permitted to express a preliminary view to local electors on the matter if they wish. If they do, they should make it clear that this predisposition to a particular view of the matter might change, dependent upon other information coming to light, most notably through the course of the debate at the meeting itself.
- c) Having a closed mind and then taking part in the decision will put the Council at risk of a finding of maladministration and of legal proceedings on the grounds of bias or pre-determination, or a failure to take into account all of the factors enabling the proposal to be considered on its merits. The decision could, in such circumstances be set aside by the courts.

- d) Members should consider themselves able to take part in the debate on a proposal when acting as part of a consultee body where they are also a Member of the consulting Council, for example, or both a Borough and County Member), provided:
- i. the proposal does not substantially effect the wellbeing or financial standing of the consultee body:
  - ii. they make it clear to the consultee:
    - their views are expressed on the limited information;
    - they have reserved judgement until they hear all of the relevant information;
    - they have not in any way committed themselves as to how they may vote when the proposal comes before the Committee; and
  - iii. they disclose the personal interest regarding their membership or role when the Committee comes to consider the proposal.
- e) Members should not speak and vote on a proposal where they have fettered their discretion or they are pre-determined. They do not also have to withdraw, but they may prefer to do so for the sake of appearance.
- f) Members should explain that they do not intend to speak and vote because they have or they could reasonably be perceived as having judged the matter elsewhere, so that this may be recorded in the minutes.
- g) Members should take the opportunity to exercise their separate speaking rights as a representative of local electors where they wish to support those electors regardless of the merits of the case. If they do they should;-
- i. advise the Chair that they wish to speak in this capacity before commencement of the item;
  - ii. remove themselves from the member seating area for the duration of that item; and
  - iii. ensure that their actions are recorded.

## **5D.6 PUBLIC SPEAKING AT PLANNING APPLICATIONS COMMITTEE**

The Council operates a system of public speaking at all of its Committees. Planning Applications Committee is no exception. However, by necessity, the number of speakers is limited and the time allowed for speeches is limited to three minutes per speaker. In operating the system, it is the role of the Chair to ensure that all speakers are dealt with fairly and equally. To assist with this process, those allowed to speak at the Planning Applications Committee and the order of speakers is as follows:

- a) Members on Planning Applications Committee who have declared a Disclosable or Deemed Disclosable Interest or who have indicated that they have a predetermined view of the matter under consideration;
- b) Ward Members of specific applications who are not members of the Committee; and
- c) Two speakers against and two for the proposal. In allocating speaking rights, priority will be given to those speakers who are, in the Assistant Director – Planning’s opinion, directly affected by the proposal, irrespective of when the request to speak is received. If there are vacant speaking slots, these will be allocated to those not directly affected who wish to speak, on a first come, first served basis.

A Ward Member of a specific application, where there is no Ward Member representative on the Planning Applications Committee, will be allowed to participate during consideration of that item but will not be allowed to vote.

## **5D.7 DEVELOPMENT PROPOSALS SUBMITTED BY MEMBERS AND OFFICERS AND DEVELOPMENT BY THE COUNCIL**

- a) All proposals by Members and Officers and all proposals by the Council itself will be determined by Planning Applications Committee, regardless of any Scheme of Delegation in force at the time. A Member or an officer who has submitted a planning application will take no part in the determination of that application or the decision-making process leading to the determination of that application.
- b) Members and Officers who submit a planning application or who have an application submitted on their behalf shall notify the Head of Development & Building Control in writing of that submission.
- c) All personal applications by Members or Officers will be designated as such on the face of the agenda, including Officer’s job titles.
- d) Members who act as agents for people pursuing a planning matter with the Council shall take no part in the processing or determination of that application.

- e) All applications submitted on behalf of the Council shall have both the officer name and their job title on the face of the agenda.

## 5D.8 LOBBYING

- a) Lobbying, or seeking to influence a decision, is a normal part of the political process. Members should, however, be aware that any attempt to influence their decision by way of lobbying could call their impartiality into question. Members should at all times follow the guidelines set out below. There is always a clear need for Members of the Planning Applications Committee to declare at the appropriate meeting when lobbying or an attempt at lobbying has taken place on an item.

The following points are offered as guidance:

- b) **Lobbying of Members**

- i. Do explain to those lobbying or attempting to lobby you that, whilst you can listen to what is said, it might prejudice your impartiality and therefore your ability to participate in the Committee's decision making if you express an intention to vote one way or another, or to express such a firm point of view that it amounts to the same thing.
- ii. Do remember that your overriding duty is to the whole community, not just to the people in your Ward and, taking account of the need to make decisions impartially, that you should not improperly favour, or appear to improperly favour, any person, company, group or locality.
- iii. Do not accept gifts or hospitality from any person involved in or affected by a planning proposal. This might be construed as a bribe for the purposes of the Bribery Act 2010, which is a serious criminal offence..
- iv. Do copy or pass on any lobbying correspondence you receive to the Assistant Director at the earliest opportunity.
- v. Do inform the Monitoring Officer where you feel you have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality), who will in turn advise the appropriate officers to follow the matter up.

- c) **Lobbying of Members**

- i. Do not become a member of, lead or represent an organisation whose primary purpose is to lobby to promote or oppose planning proposals. If you do, you may be viewed as having a biased or

predetermined view of the matter and are likely to have a Deemed Disclosable Pecuniary Interest.

- ii. Do join general interest groups which reflect your areas of interest and which concentrate on issues beyond particular planning proposals, such as the Victorian Society, Campaign to Protect Rural England, Ramblers Association or a local Civic Society, but disclose an Other Interest where that organisation has made representations on a particular proposal and make it clear to that organisation and the Committee that you have reserved judgement and the independence to make up your own mind on each separate proposal.
- iii. Do not lobby Members regarding your concerns or views nor attempt to persuade them that they should decide how to vote in advance of the meeting at which any planning decision is to be taken.
- iv. Do not decide or discuss how to vote on any application at any sort of Political Group meeting, or lobby any other Member to do so.

#### **5D.9 PRE-APPLICATION DISCUSSIONS**

- a) Local planning authorities are encouraged to enter into pre-application discussions with potential applicants. In addition, negotiations and discussions are likely to continue after an application has been submitted. Such discussions can often be interpreted by the public, and especially objectors, as prejudicing the planning decision making process.
- b) In order to allay such perceptions, pre-application discussions should take place within clear guidelines as follows;-
  - i. pre-application discussions should normally be conducted at officer level. In some cases pre-application presentations may be made to all Members to enable large strategic schemes to be considered generally before the application comes to Committee. Such presentations are a form of lobbying and Members must not express any strong views or state how they or other Members might vote;
  - ii. pre-application discussions should make clear at the outset that the discussion will not bind the Council to making a particular decision and that any views expressed are provisional. By the very nature of such meetings not all relevant information will be to hand, neither will formal consultations with interested parties have taken place;
  - iii. advice should be consistent and based upon the Development Plan, Supplementary Planning documents and material

considerations. In addition, all officers taking part in such discussions will make their decision-making role clear; and

- iv. an Officer shall take a written note of all meetings.

## 5D.10 OFFICERS' REPORTS AND RECOMMENDATIONS TO COMMITTEES

Because the Officer recommendation is not binding on the Committee, it is necessary for the decision to be taken in accordance with the normal Council Procedure Rules which apply to Planning Applications Committee. This means that before the matter can be debated, a motion has to be moved and seconded. The debate can then ensue upon the motion, as moved. In moving a motion, the Committee is not bound to move the recommendation of the Assistant Director.

- a) It is important for the Council to be able to demonstrate in its decision making that there has been adequate consideration of all the relevant issues, consistency and clear reasoning leading to the decision. Officers' reports to Committee will, therefore;
  - i. be in writing
  - ii. be accurate, give details of the consultations carried out and cover the substance of objections of those who have been consulted;
  - iii. provide clear explanation, where necessary, of submitted plans;
  - iv. contain clear references to the Development Plan, Supplementary Planning documents, site and related history and any other material considerations;
  - v. have clear recommendation for approval with reasons and if appropriate conditions or a refusal with reasons; and
  - vi. in any recommendation for a departure from the Development Plan will set out the material considerations which justify this.

## 5D.11 DECISION MAKING – MATERIAL PLANNING CONSIDERATIONS

- a) Members should only consider the planning merits of an application as set out before the Planning Applications Committee in determining whether or not to grant planning permission. Members are not to give weight to non-planning related matters that may be raised by members of the public.
- b) Further, an applicant or objector may not raise any substantial new information at a meeting (including by way of correspondence, other documents, photographs or models) at the Planning Applications Committee without due notice at least 24 hours before the Committee meeting or the consent of the Committee
- c) Any attempts by applicants or objectors (or their agents) to introduce such information in breach of this Code must be taken into consideration by Members in arriving at their final decision.
- d) Planning applications are considered with regard to the policies within the Development Plan and Supplementary Planning documents.

Applications must be determined in accordance with Policy, unless Supplementary Planning documents and material considerations indicate otherwise. Material considerations include matters such as the site history and appeal decisions. All these policies and factors must be weighed together before a decision at Committee is made.

- e) If a decision of a Committee appears to be made other than on Planning grounds it could be open to legal challenge. If it is appealed, and a Planning Inspector or the Court decides the decision to be flawed, it may be overturned. This could have serious cost implications for the Council.
- f) If the majority of Members on a Planning Applications Committee make a decision which is contrary to the Assistant Director's recommendations, reasons for the decision need to be given. Officers will at this point outline to Members the implications of the decision they are making.

#### **5D.12 VOTING DECISIONS CONTRARY TO OFFICERS' RECOMMENDATION**

- a) A recommendation in a report to Planning Applications Committee is a recommendation from the Assistant Director based upon his or her understanding of the merits of an application when assessed against the prevailing Development Plan and any other relevant material considerations.
- b) Notwithstanding the recommendation from the Assistant Director, it is for the Planning Applications Committee itself to determine the merits of the application and to form a view as to whether the application is acceptable in planning terms or not. The report of the Assistant Director is not binding on the Committee, which has to come to its own view on the matter, guided by the Officer Report and any subsequent oral advice given at the meeting.
- c) If a Member wishes to propose a motion be taken contrary to an Officer Report, that Member must make clear his/her planning reasons for doing so at the time of making the proposal. Those reasons will form the basis for the Committee's decision and shall be noted in the minutes of the meeting.
- d) Where a motion is contrary to an Officer Report the Chairman will allow the Senior Planning Officer present at the meeting to consider the merits of the reasons given, and respond. Members must consider the officer advice given and, in particular, whether the reasons given by the mover of the motion can be sustained at appeal.
- e) Where the mover and seconder of a motion move a reason for approval or refusal relating to technical matters (such as an objection to a proposal on highways or drainage grounds) and the Chair is of the opinion that there is broad support from the Committee with that motion, the Chair shall ask the Committee to signal whether they are minded to support the motion and, if a majority of the members so indicate, the Assistant

Director (or their representative) may request that the item be deferred in order to consult further with the statutory consultee(s) on the merits of the reason or reasons given. The Chair will seek a proposer and seconder to this request and the Committee will consider its merits as though a procedural motion pursuant to Council Procedure Rule 13.11 (c) has been moved and seconded. If approved, the motion to defer will be put to the vote and if that is approved, the motion to approve or refuse the application will stand deferred to the next meeting of the Committee as uncompleted business in accordance with Council Procedure Rule 13.11 (c)(ii).

- f) The Assistant Director will present a further report to the Planning Applications Committee containing the motion as moved and seconded, together with the reasons given at the earlier meeting and the comments from the statutory consultees as to the merits of those reasons and any additional advice from the Assistant Director. The Committee may then determine to deal with the matter as it sees fit having regard to the motion then before it or such other motion as may be moved by members in accordance with the Council Procedure Rules.

#### **5D.13 COMMITTEE SITE VISITS**

- a) The purpose of a visit to an application site is to clarify and gather information on planning issues relating to the site. It is a meeting of the Council to which the Member Code of Conduct applies. However, it is not to provide a forum for debate and discussion on the merits of the application, at that time. Therefore, Committee site visits will be conducted subject to the following criteria:
  - i. a site visit is for the purpose of viewing the site and ascertaining facts. They will take place only if authorised by the Committee where the Committee considers it is unable to determine an application on the basis of the Officers' report to the Committee alone;
  - ii. authorised attendance at a site visit shall be limited to Members of the Planning Applications Committee and appropriate Officers;
  - iii. there shall be no discussion of the merits of any application during the site visit. Such discussion will only take place at a meeting of the Committee;
  - iv. applicants or their representative and the occupiers of any properties adjoining the site that Members have indicated they wish to visit shall be notified of the visit, but shall not be permitted to make representations to Members of the Committee during a site visit. They may, however, give any purely factual information which is requested by Members through the representative of the Assistant Director and which cannot be ascertained by viewing alone;

- v. At the start of the site visit the Chairman of the Planning Applications Committee or the representative of the Assistant Director shall make reference to the Code of Conduct for Committee Site Visits as set out in the Agenda papers to explain and make clear to all those attending the Code's requirements for the conduct of site visits.

#### **5D.14 REGULAR REVIEW OF DECISIONS**

- a) Members shall on an annual basis receive a written report and visit a sample of implemented planning permissions to assess the quality of the decisions. The aim of this will be to monitor and improve the quality and consistency of decision-making, thereby strengthening public confidence, and can help with reviews of Planning Policy.
- b) On a periodic basis there shall be a review of a broad range of categories. For example, major and minor development, permitted departures, upheld appeals, listed buildings works and enforcement cases. The Review will be conducted by a person or organisation independent of the Planning Applications Committee and the Development Control Department. The Planning Applications Committee will formally consider the Review and decide whether it gives rise to the need to review any policies or practices.

#### **5D.15 BREACHES OF THIS CODE OF PRACTICE**

- a) Failure to comply with this Code of Practice may be a breach of the Member Code of Conduct and could lead to a complaint being made to the Audit & Standards Committee. Failure of an officer to comply with the Code of Practice may lead to disciplinary proceedings.
- b) Breach of this Code may also put the Council at risk of proceedings on the legality or maladministration of the related decision.

- c) Where the Monitoring Officer receives a complaint or a potential reportable incident, he/she shall in appropriate cases seek to resolve the matter

amicably, by securing that any illegality, breach of the Code or failure of process is rectified, that the complainant is informed of the rectification, with or without a compensation payment and/or apology. However, it is recognised that the Monitoring Officer may determine that the matter is of such import that a statutory report is the only appropriate response.

- d) In appropriate cases, the Monitoring Officer may rely upon existing processes with the Authority, for example, internal procedures or insurance arrangements, to resolve any potential reportable incident, but may intervene in such processes to identify that the particular matter is a potential reportable incident and to ensure the satisfactory resolution of the issue.
- e) In appropriate cases, and to secure the rapid resolution of a potential reportable incident or avoid a separate statutory report, the Monitoring Officer shall be entitled to add his written advice to the report of any other officer of the Authority.

## **5G PUBLICITY PROTOCOL GUIDANCE**

### **In the Period Leading up to an Election/By-Election/ Referendum/ Petitions**

#### **5G.1 The Law**

Publicity material produced by the Council is governed by the provisions of the Local Government Act 1986, and the revised Code of Recommended Practice on Local Government Publicity, which came into effect in April 2011. The Act defines publicity as “any communication in whatever form, addressed to the public at large or a section of the public”.

The Publicity Code provides guidance on the content, style, distribution and cost of Local Authority publicity. Local Authorities are required by S4(1) of the Act to have regard to the contents of this Code in coming to any decision on publicity.

#### **5G.2 Principles**

Publicity by local authorities should:

- a) be lawful;
- b) be cost effective;
- c) be objective;
- d) be even-handed;
- e) be appropriate;
- f) have regard to equality and diversity; and
- g) be issued with care during periods of heightened sensitivity.

#### **5G.3 What is ‘Purdah’?**

The Election period (often known as “purdah”) runs from the date of publication of the Notice of Election through to and including the date of Election. There are extra restrictions placed on the nature of publicity local councils may issue under the Publicity Code during this time, and all serving Members and Council Officers must be fully aware of the statutory requirements relating to publicity at this time.

#### 5G.4 The Code ('the Code')

The general principle set out in the Code is that a Local Authority must not at any time publish any material that in whole or in part appears to be designed to affect support for a Political Party.

Publicity not only includes press releases issued to print, broadcast and social media, but also;

- a) most printed materials, which are sent to a wide audience
- b) newsletters
- c) information added to websites during the period
- d) posters and leaflets
- e) badges, t-shirts and other 'giveaways'
- f) advertising
- g) exhibitions
- h) conferences
- i) consultation.

#### 5G.5 Elections, Referendums and Petitions

The relevant sections in the Code state:

- a) Section 125 of the Political Parties, Elections and Referendums Act 2000 places a specific restriction on the publication by a Local Authority of material relating to a referendum under Part 7 of that Act, during the period of 28 days immediately before the Referendum is held.
- b) Reg 5 of the Local Authorities (Conduct of Referendums) (England) Regs 2007 (S.I. 2007/2089) prohibits local authorities from publishing material in the 28 days immediately before a Referendum which expresses support for, or opposition to a particular answer to a Referendum question relating to the constitutional arrangements of the Authority.
- c) Reg 15 of the Local Authorities (Referendums, Petitions, Directions) (England) Regulations 2000 ( S.I. 2000/2852) prohibits local authorities from incurring expenditure to publish material which appears designed to influence people in deciding whether or not to sign a petition relating to the constitutional arrangements of the Authority, or to assist others to publish such material.
- d) The Code goes on to outline some key principles which local authorities should adhere to during the period of heightened sensitivity before elections and referendums.

- i. It may be necessary to suspend the hosting of material produced by third parties, or to close public forums during this period to avoid breaching any legal restrictions;
- ii. During the period between the Notice of Election and the Election itself, the Council should not publish any publicity on controversial issues, or report views or proposals in such a way that identifies them with any individual Members or Groups of Members;
- iii. Publicity relating to individuals involved directly in the Election should not be published by local authorities during this period unless expressly authorised by or under statute;
- iv. It is permissible for local authorities to publish factual information which identifies the names, Wards and parties of candidates at Elections.
- v. In general, the local authorities should not issue any publicity which seeks to influence voters. However, this general principle is subject to any statutory provision which authorises expenditure being incurred on the publication of material designed to influence the public as to whether to support, or oppose a question put at a Referendum.
- vi. It is acceptable to publish material relating to the subject matter of a Referendum, for example, to correct any factual inaccuracies which have appeared in publicity produced by third parties, so long as this is even-handed and objective and does not support or oppose any of the options which are the subject to the vote.

## 5G.6 PUBLICITY PROTOCOL

- a) This Protocol takes effect from the announcement date through to the day after the Polling Day.
- b) After the announcement date, restrictions on proactive publicity will apply in line with the Code and will remain until 0001 on the day after the Polling Day.

## 5G.7 ADVICE FOR OFFICERS

- a) **Maintain Business as Usual** - but remember to exercise extra caution when planning any publicity or events that may usually involve Members or elected officials.
- b) **Supporting Political Parties** - Council staff must always be careful not to give the impression of supporting a Political Party, set of policies or a candidate.

- c) **Publicity** - Officers involved in publicising Council services need to take extra care not to influence the outcome of the Election in any way. Care needs to be taken to ensure that publicity could not be perceived as seeking to influence public opinion or to promote the public image of a particular candidate or group of candidates.
- d) **Activities where Political Candidates are Present** - Staff should exercise caution if involved in activities at which political candidates or agents are present: for example, appearing in photographs with candidates should be avoided.
- e) **Staff must not engage in political activity during working hours or by using Council facilities.** Some staff hold “politically restricted posts” which limit the political activity they can be involved in outside work.
- f) **This Protocol applies to Publicity about all Members’ who are “involved directly in the election”** whether as candidates or in some other capacity. Publicity relating to individuals involved directly in the election will not be published during this period unless expressly authorised.
- g) **Controversial Matters/Views on Policies** - Publicity should not be issued which deals with controversial matters or which reports views on policies, in a way that identifies them with individual Members or groups of Members.
- h) **If an Issue is a Matter that is Politically Sensitive** - the Communications Team will recommend that this should be held until after the Election protocol period, unless the activity is particularly time-sensitive.
- i) **Events Attracting Public/Media Interests** - Do not invite Members who are standing for Election to events or invite them to be involved in any publicity/scheduled events, attracting significant public and media interest at which Members may be present, where it could be construed that the event was being used for political purposes.
- j) **Press Releases** - issued to the media cannot include any quotations from Members’ involved in the Election, if quotes are necessary they can be attributed to an officer. It is common practice to avoid quoting any Members unless in an emergency/crisis situation when the relevant Portfolio Holder or Leader will be quoted (unless they are up for Election). To be on the safe side, avoid references to, and quotes from, all other Members.
- k) **Re-Election** - The Communications Team must avoid mentioning any Member who is seeking re-election. If this cannot be avoided the advice is to balance this with reference to Members from opposing Parties.
- l) **If a Council Event cannot be Postponed until after the Election** - it is vital it is organised in such a way to minimise the likelihood of criticism arising that the real purpose of the event is to publicise one particular Party. For example, if a candidate or representative from one Party is to attend, then representatives of other Parties should also be invited, and all should be asked not to use the event for political purposes.

- m) **It is Permissible to Publicise Factual Information** - identifying names, Wards and Parties of candidates at Elections.

## 5G.8 ADVICE FOR MEMBERS

- a) **This Guidance applies to Publicity about all Members** - involved directly in the Election whether as candidates or in some other capacity.
- b) **The Word “Publicity” has the Widest possible Meaning** - and the restrictions apply to events organised by the Council that attract significant numbers of the public, or media interest. Members who are standing as candidates, or acting as agents, should not be involved in such events at all. Other Members who are involved in the Election should not use such events to publicise themselves, their parties, or the policies or candidates they support.
- c) **Members can attend Events** - organised by the Authority or other organisations but they won't be quoted or featured in any Council publicity.
- d) **With the Exception of the Mayor/Deputy Mayor** - when acting in a Civic capacity, Members must not take part in any Council arranged events that will have publicity attached to them, eg. photo calls/launches during purdah. This is because many initiatives will have involved Elected Members at some point in their development and they are likely to want to be quoted or help to publicise such projects: doing so during the pre-Election period could be construed as using your launch to obtain a political advantage. If the launch needs to proceed for operational reasons and cannot be brought forward or delayed until after, then Members who are directly involved in the Election should not be involved in any activity. Other Members should not use such events to publicise themselves, their parties, or the policies or candidates they support
- e) **It may be Necessary to Suspend** - the hosting of material produced by third parties or to close public forums during this period to avoid breaching any legal restrictions.
- f) **Speaking with the Press** - Members can talk to the press and media during this period and generate their own publicity. The restrictions only apply to official Council-organised publicity, including press releases or events. The rules in the Member and Officer Protocols about use of Council facilities must be observed. Members should also be aware that purdah guidelines do not apply to the media so they are under no obligation to adapt their coverage or avoid asking for comment from candidates, agents or others directly involved in the Election.
- g) **If you Want to Visit a Council Service during the Purdah Period** requests will be judged on a case by case basis, looking at the potential disruption that may be caused by any visit and any security or confidentiality concerns that may exist. If it is feasible for a candidate to visit the Service, they should be asked not to use the event for political purposes. For example, it would be appropriate to ask visitors to ensure that no photographs are taken of Council Officers or Service users, that

no quotes are sought from staff and that nobody is encouraged to do anything which could be construed as 'political' or in support of a particular candidate's campaign.

- h) **No Political Posters or Leaflets** - must be displayed on Council premises (including street furniture and the like) or vehicles.

#### 5G.9 REACTIVE PUBLICITY

- a) Under the Code it is acceptable for Members holding key political or civic positions to comment in an emergency or in response to a major news event outside the Council's control. In such an instance it would be acceptable for a relevant Member to be quoted reacting to this event, unless they were personally up for election in which case another Senior Member would be quoted.
- b) Members involved in the Election may not be quoted in a proactive news release issue.
- c) It is better to avoid proactively scheduling PR events and photo opportunities during this period if possible.

#### 5G.10 PRESS RELEASES/MEDIA ENQUIRIES

- a) The Communications Team will be responsible for agreeing and issuing ALL press releases – no matter how seemingly insignificant, with the relevant Director before they are issued including press releases requested by individuals or other organisations, eg. schools and Members.
- b) All media enquiries must be referred to the Communications Team who will respond to the enquiries in line with the Council's Media Protocol, taking special care to avoid controversial issues or promoting individual Members.
- c) The normal practice of commissioning photographs of Members at major events and activities where they would be expected to play a lead role for PR/media purposes must also be avoided during this period. Where possible it should be arranged outside the Election protocol period. Where this is not possible, advice should be sought from the Senior Communications & Events Officer/or equivalent or the Monitoring Officer.
- d) Staff and Members must contact the Chief Executive for more information about what Council premises are permitted for use by candidates during the purdah period.

## 5H INDIVIDUAL CABINET MEMBER DECISION PROTOCOL

### 5H.1 INTRODUCTION

Each individual Cabinet Member is entitled to make decisions on behalf of the Cabinet which concern functions falling within their portfolio. It follows that decisions presented to an individual Portfolio-Holder must fall entirely within that Portfolio. If the decision falls into more than one portfolio then the matter must be referred to full Cabinet, at which time the relevant decisions can be taken.

Because proposals submitted to individual Cabinet Members are not normally included in the Council's Forward Plan, it is recommended that "key decisions" be taken by full Cabinet in the normal way.

### 5H.2 CRITERIA

The intention behind Individual Cabinet Member Decisions is to speed up the decision-making process, without compromising open, accountable and transparent decision-making. To ensure that this is maintained consistently, the following criteria is recommended for when seeking a Single Member decision. An Individual Member may take any decision which:

- a) is required to implement a Policy that is part of the framework, provided the decision is:
  - i. within budget, and does not amend either the Policy Framework or the Budget;
  - ii. wholly within the remit of the SDPs or services for which the Member is responsible; and
  - iii. not a key decision.
- b) is to adopt a new Policy or procedure to deliver the SDPs or services for which the Member is responsible, provided that the decision:
  - i. does not amend or alter any Policy that is part of the Policy Framework (without the prior approval of Council);
  - ii. does not amend or alter the budget nor requires the budget to be amended; and
  - iii. falls entirely within his/her portfolio.

Where a decision is to adopt a new Policy or procedure to deliver the SDPs or services for which the Member is responsible AND it does not fall entirely within his/her portfolio then the decision must be taken jointly with the other portfolio holder(s) affected.

### 5H.3 PROCEDURE

The main procedural requirement will be that no decision can be taken unless and until the Cabinet Member has been provided with and has considered a written report covering the issue. The report should set out the options available to the decision-maker, the reasons for recommending a particular option over any other and any reasons for rejecting any option plus a note of consultations undertaken. In addition, if another Member of the Cabinet is consulted, it is necessary to record whether that Member has declared any interest in the matter.

This will not only enable full details of the decision making process to be recorded, but will also provide important protection for the Council and the Cabinet Member and ensure compliance with access to information requirements. The Cabinet Member will be required to sign a FORM prepared by the relevant Officer (the Officer present when decision is made) giving details of the decision made.

### 5H.4 PROCESS

- a) DRAFT report prepared for approval by relevant Director.
- b) There should have been adequate inter-service consultation prior to the production of the draft but DRAFT reports must be shown to Legal Services and the Assistant Director - Finance (and where appropriate Human Resources) at least five working days before the report is sent to the relevant Cabinet Member to ensure compliance with relevant requirements.
- c) As indicated in para. 2 above a note of "Consultations Undertaken" should be included in the report. This should be on the front sheet after the Corporate Plan Ref: e.g.

Consultations Undertaken`	Ward Members Other Cabinet Members Chief Executive Strategic & Assistant Directors Legal Services Finance Human Resources, etc.
---------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------

- d) FINAL report submitted by Service officer to relevant Cabinet Member and Committee Services (hard copy to the Cabinet Member and an e-mailed copy to the Committee Services inbox at least seven working days before a decision is to be made.
- e) Committee Services will prepare a Notice of Decisions to be made (AGENDA) and post the Notice and reports onto the Committee Management System (CMS).

- f) Agenda/Reports (a hard copy and an e-mailed copy to be circulated to those who receive Cabinet Reports).
- g) Print Room will retain one copy of the Agenda/Report for the Report Book.
- h) After a decision is made a Record of the Decision should be prepared on the attached FORM I and submitted to the Committee Services. The decision will be recorded in writing (Minute) and published. It will include a statement of the reasons for the decision and alternative options considered and rejected, together with the publication date and the date the decision comes into force (this is for the Call-In process).
- i) Each decision (Minute) will be numbered and given the next minute number in the sequence and will also be posted onto the CMS.
- j) A hard copy of the report and the decision will be kept in the Committee Services Office.

5H.5 Service Managers are responsible for ensuring that Officers within their Service Unit understand and follow these procedures.

#### 5H.6 **VENUE**

- a) Individual Cabinet Member Decisions are to be held in the Town Hall interview rooms or if unavailable, another venue which is easily accessible by the public.
- b) Once the Officer has arranged the date and time of the meeting with the Portfolio Holder, Committee Services will liaise with the Customer Services Team to confirm the venue and distribute the Agenda.

## **5I CONFIDENTIAL REPORTING CODE**

### **Introduction**

- 1.1 The Council is committed to fostering an open and transparent culture where employees feel empowered to raise issues internally as they arise. In turn, the Council will ensure that all issues raised are treated seriously and investigated appropriately in line with the relevant policy.
- 1.2 The Council recognises that employees are often the first to realise that there may be something wrong within the Council. However, they may not express their concerns because they feel that speaking up would be disloyal to their colleagues or to the Council. They may also fear harassment or victimisation. In these circumstances, it may be easier to ignore the concern rather than report what may just be a suspicion of malpractice.
- 1.3 This policy provides a framework and guidance on raising issues, commonly known as 'blowing the whistle' or 'whistle-blowing', and how they will be dealt with. It also details the legal responsibilities that the Council will adhere to when dealing with certain issues.
- 1.4 As individual circumstances cannot always be accounted for within a written procedure, there may be other circumstances that arise that are not covered by this policy. In these cases, advice should be sought from the Whistle Blowing Officer or a member of Human Resources. Complaints that don't count as 'whistle blowing' are personal grievances e.g. bullying, harassment or discrimination. These should be reported using the Council's grievance policy.
- 1.5 This policy has been discussed at local level with Unison, Unite and GMB by the Monitoring Officer and has their support.
- 1.6 This policy does not form part of any employee's contract of employment and may be amended at any time.

### **2. Scope**

- 2.1 This policy applies to all employees and those contractors working for the Council on Council premises, for example, agency staff, builders and drivers. It also covers suppliers and those providing services under a contract with the Council in their own premises.

### **3. Policy Remit and Aims**

3.1 The Council is committed to the highest possible standards of openness, probity and accountability. In line with that commitment, it encourages employees and others that we deal with, who have serious concerns about any aspect of the Councils work, to come forward and voice those concerns. It is recognised that most cases will have to proceed on a confidential basis. This Code makes it clear that you can do so without fear of victimisation, subsequent discrimination or disadvantage. This Confidential Reporting Code is intended to encourage and enable employees to raise serious concerns within the Council rather than overlooking a problem or “blowing the whistle” outside. The nominated “Whistle-blowing Officer” is the Council’s Audit & Governance Manager.

3.2 This policy aims to:

- encourage you to feel confident in raising serious concerns through the Whistle-blowing Officer and to question and act upon concerns about working practices;
- provide avenues for you to raise those concerns and receive feedback on any action taken;
- ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied, although it should be noted that anonymous whistle blowers will not ordinarily be able to receive feedback; and
- re-assure you that you will be protected from possible reprisals or victimisation if you have a reasonable belief that you have made any disclosure in good faith.

### **4. Roles and Responsibilities**

4.1 It is expected that all employees and those working on behalf of the Council will work in line with the spirit and intention set out in the core values.

#### **4.2 Managers**

Managers have a general responsibility to ensure that they are conversant with all relevant policies and that their employees are set clear guidelines in line with these.

Managers are also responsible for encouraging a culture where members of their team feel able to raise any issues as they occur, with the knowledge that such issues will be dealt with appropriately.

### 4.3 Employees

All employees and those working for or on behalf of the Council have a responsibility to make themselves aware of relevant policies and procedures and report any concerns as soon as possible.

Any serious concerns that you have about any aspect of service provision or the conduct of officers of the Council or others acting on behalf of the Council can be reported under this Confidential Reporting Code. This may be about something that:

- makes you feel uncomfortable in terms of known standards, your experience or the standards you believe the Council subscribe to; or
- is not in keeping with the Council's constitution and internal policies and procedures; or
- falls below established standards of practice; or
- amounts to improper conduct.

### 4.4 Whistle-Blowing Officer

The Whistle-Blowing Officer is a point of contact for concerns raised under this policy and is responsible for ensuring issues are dealt with appropriately. They will also monitor and report on concerns raised under this policy and liaise with the Council's Monitoring Officer for complex issues or reviews of this policy. Details of the Council's Whistle-blowing Officer and other useful contacts are at Appendix A.

### 4.5 Monitoring Officer

The Monitoring Officer has overall responsibility for the maintenance and operation of this policy. That officer maintains a record of concerns raised and the outcomes, but in a form which does not endanger your confidentiality, and will report as necessary to the Council.

### 4.6 Trade Unions

Trade Unions also have a responsible to raise concerns and issues as they arise. They are also able to offer advice and support to employees.

## 5. **Legal Requirements and Definition**

- 5.1 The law affords certain protections to disclosures that fall in line with the legislation noted below. However, in adhering to our values, the Council aims to encourage all employees and workers to raise any concerns and efforts will be made to extend the same principals to all.

5.2 Part IVA of the Employment Rights Act 1996 makes specific provision to protect workers who make a “protected disclosure”. To be protected by the provisions of this legislation it is not sufficient for a worker to merely make allegations but there must also be a disclosure of information. The distinction between these is complex but generally information will contain specific facts and not simply raising a concern.

### 5.3 Workers

For the purposes of the Act, a “Worker” is defined as those directly employed by the Council. However, it may also apply to agency workers and those employed by contractors for the Council. Such workers will be afforded the protection given under the Act. That said, all those that are either employed or carry out work on behalf of the Council, including members, are encouraged to raise concerns in line with this policy. In return, every effort will be made to ensure the principals of the Act are applied to all issues raised.

### 5.4 Protected Disclosures

A protected disclosure is a disclosure for reasons set out in section 43B of the Act as follows:

Disclosure which, in the reasonable belief of the worker making the disclosure (the “Whistle blower”), is made in the public interest and tends to show one or more of the following—

- that a criminal offence has been committed, is being committed or is likely to be committed,
- that a person has failed, is failing or is likely to fail to comply with any legal obligation to which he is subject,
- that a miscarriage of justice has occurred, is occurring or is likely to occur,
- that the health or safety of any individual has been, is being or is likely to be endangered,
- that the environment has been, is being or is likely to be damaged, or
- that information tending to show any matter falling within any one of the preceding paragraphs has been, is being or is likely to be deliberately concealed.

The following are not “protected disclosures” for the purposes of the Act:

- where the person making the disclosure commits an offence by making it; or

- the disclosure is of information in respect of which a claim to legal professional privilege could be maintained in legal proceedings if made by a person to whom the information had been disclosed in the course of obtaining legal advice.

## **6. How to Raise a Concern**

- 6.1 As a first step, you should normally raise concerns with your immediate manager or their superior who may wish to then raise the issue with the Whistle-blowing Officer. This depends, however, on the seriousness and sensitivity of the issues involved and who is suspected of the malpractice. For example, if you believe that management is involved, you should approach the Whistle-blowing Officer directly or, in their absence, the Monitoring Officer.
- 6.2 Concerns may be raised verbally or in writing by using the form at Appendix B. Employees who wish to make a written report are invited to set out the background and history of the concern, giving names, dates and places where possible and the reason why you are particularly concerned about the situation. Although you are not expected to prove beyond doubt the truth of an allegation you will need to demonstrate to the person contacted that there are reasonable grounds for your concern.
- 6.3 The earlier you express the concern the easier it is to take action.
- 6.4 You may wish to consider discussing your concern with a colleague first and you may find it easier to raise the matter if there are two or more of you who have had the same experience or concerns
- 6.5 You may invite your trade union or professional association to raise a matter on your behalf.

## **7. How the Council will Respond**

- 7.1 Once you have raised your concern, the Whistle-blowing Officer will carry out an initial assessment to determine the scope of any investigation. All concerns raised will be treated seriously and consistently. The Whistle-blowing Officer will then respond to your concerns giving an indication of the action proposed.
- 7.2 Where appropriate, the matters raised may:
- be investigated internally by the Whistle-blowing Officer, internal audit or through the disciplinary process;
  - be referred to the Police if there is evidence of criminal activity;
  - be referred to the External Auditor; or
  - form the subject of an independent enquiry.

- 7.3 In order to protect individuals and those accused of misdeeds or possible malpractice, initial enquiries will be made to decide whether an investigation is appropriate and, if so, what form it should take. The overriding principle which the Council will have in mind is the public interest.
- 7.4 Some concerns may be resolved by agreed action without the need for an investigation. If urgent action is required this will be taken before any investigation is conducted.

As soon as is practically possible but certainly within ten working days of a concern being raised, the person dealing with your concern or the Whistle-blowing Officer will write to you:

- acknowledging that the concern has been received;
- indicating how we propose to deal with the matter;
- giving an estimate of how long it will take to provide a final response;
- regular updates will be provided if it is a prolonged investigation;
- telling you whether any initial enquiries have been made;
- supplying you with information on staff support mechanisms e.g. mentoring, advice and counselling; and
- telling you whether further investigations will take place and, if not, why not.

All responses shall be in writing either to your home address or by email as agreed in advance.

- 7.5 The amount of contact between the officers considering the issues and you will depend upon the nature of the matters raised, the potential difficulties involved and the clarity of the information provided. If necessary, further information will be sought from you.
- 7.6 When any meeting is arranged, you can be accompanied by a union representative or a work colleague.
- 7.7 The Council will take steps to minimise any difficulties which you may experience as a result of raising a concern. For example, if you are required to give evidence in criminal or disciplinary proceedings, the Council will arrange for you to receive advice about the procedure.
- 7.8 The Council accepts that you need to be assured that the matter has been properly addressed. Therefore, where possible and subject to legal or other constraints, we will inform you of the outcome of any investigation.

## **8. How the Matter can be Taken Further**

8.1 This policy is intended to provide you with an avenue to raise concerns within the Council and the Council hopes that you will be satisfied with any action taken. If you are not happy with the way in which your concern has been handled, you can raise it with one of the other contacts in paragraph 6.1. Alternatively you may contact the chairman of the Audit Committee; **OR** our external auditors. Contact details are set out at the end of this policy at Appendix A.

## **9. Safeguards**

### **9.1 Harassment or Victimisation**

9.1.2 The Council recognises that the decision to report a concern can be a difficult one to make. If what you are saying is true, you should have nothing to fear because you will be doing your duty to your employer and those for whom you are providing a service.

9.1.3 The Council will not tolerate any harassment or victimisation (including informal pressures) and will take appropriate action to protect you when you raise a concern in good faith. Employees must not suffer any detrimental treatment as a result of raising a concern. Detrimental treatment includes dismissal, disciplinary action, threats or other unfavourable treatment connected with raising a concern. If you believe that you have suffered any such treatment, you should inform the Whistle-blowing Officer immediately. If the matter is not remedied employees can raise it formally using our Grievance Procedure other workers e.g. agency staff, can raise it using the Complaints Procedure.

9.1.4 Any investigation into allegations of potential malpractice will not influence or be influenced by any disciplinary or redundancy procedures that already affect you.

9.1.5 Employees must not threaten or retaliate against colleagues making disclosures in any way. Such conduct may be subject to disciplinary action. In some cases the Whistle-blower could have a right to sue the perpetrator personally for compensation in an employment tribunal.

### **9.2 Confidentiality**

9.2.1 All concerns will be treated in a confidential and sensitive manner and every effort will be made not to reveal your identity if you so wish. At the appropriate time, however, you may need to come forward as a witness. If it is necessary for anyone investigating your concern to know your identity, we will discuss this with you

### 9.3 Anonymous Allegations

9.3.1 This policy encourages you to put your name to your allegation whenever possible.

9.3.2 Concerns expressed anonymously are much less powerful, but they will be considered at the discretion of the Council.

9.3.3 In exercising the discretion, the factors to be taken into account will include:

- the seriousness of the issues raised:
- the credibility of the concern; and
- the likelihood of confirming the allegation from attributable sources.

### 9.4 Untrue Allegations

9.4.1 If you make an allegation in good faith, but it is not confirmed by the investigation, no action will be taken against you. If, however, you make an allegation frivolously, maliciously or for personal gain, disciplinary action may be taken against you.

## 10. **External disclosures**

10.1 The law recognises that in some circumstances it may be appropriate for you to report your concerns to an external body, such as a regulator. It will very rarely, if ever, be appropriate to alert the media. We strongly encourage you to seek advice before reporting a concern to anyone external. The independent charity, Public Concern at Work, operates a confidential helpline. They also have a list of prescribed regulators for reporting certain types of concern. Their contact details are at the end of this policy.

10.2 Whistleblowing concerns usually relate to the conduct of our staff, but they may sometimes relate to the actions of a third party, such as a contractor, supplier or service provider. In some circumstances the law will protect you if you raise the matter with the third party directly. However, we encourage you to report such concerns internally first.

## 5J **PROTOCOL FOR COUNCILLOR CALL FOR ACTION**

### 5J.1 **WHAT IS A COUNCILLOR CALL FOR ACTION (CCFA)?**

It is a process that puts the Ward Member, at the forefront of dealing with issues of concern in local communities. It gives Members a central role in calling to account the work of Council services and other agencies at a local level.

When concerns are identified Members should be able to trigger a response from service providers and help to ensure the concerns are dealt with accordingly. However, as a **last resort**, when a problem cannot be solved, the CCfA can enable Members to trigger a local scrutiny review.

What distinguishes the CCfA from a more general request for scrutiny is that:-

- a) The focus is on a neighbourhood or locality issue, usually relating to the quality of public service provision;
- b) It is a genuine local community concern; and
- c) It is a persistent problem which the Ward Member has been unable to resolve through local action and discussion with the Cabinet or relevant services and agencies.

### 5J.2 **WHAT A CCFA IS NOT?**

- a) It is not appropriate for dealing with individual complaints which can be dealt with through the complaints procedures.
- b) It is not for dealing with issues relating to “quasi judicial” issues where statutory appeals processes exist (eg: Planning and Licensing) or Council Tax and non-domestic rates.
- c) It is not for dealing with an issue which is vexatious or discriminatory.
- d) It is not for dealing with an issue which can reasonably be included on an OSP agenda.

### 5J.3 **CCfA GUIDANCE FOR MEMBERS**

Ward Members deal with issues of concern on behalf of their constituents as part of everyday business. The CCfA is not intended to add additional bureaucracy to these, which should continue to be dealt with in the same way. It is intended that CCfA should provide greater emphasis to the vital work undertaken by Members in communities as community advocates and champions, and to further increase the accountability of public service providers to local communities.

If uncertain at all about whether a request might be an appropriate issue for a CCfA, Committee Services can provide advice and assistance to Members and the public.

a) **Initial Checklist**

- i. are the concerns individual complaints?
- ii. do the concerns relate to “quasi judicial” decisions (eg: planning, licensing) or to Council Tax and non-domestic rates?
- iii. do the concerns relate to the quality of public service provision at a local level?
- iv. is the focus of concern on a neighbourhood or locality issue?
- v. is the issue a genuine local concern?

b) **Championing a CCfA**

It is a matter of judgement which community requests Members agree to champion, and Ward Members are accountable to their local community for these judgements. Championing a request will mean taking the issue up on behalf of the resident(s) concerned and trying to resolve the problem by liaising with Council services, the Cabinet and/or outside partners and agencies.

c) **Championing Checklist**

- i. Has an explanation or assurances not satisfied public concern?
- ii. The Ward Member should have:-
  1. discussed the issue with relevant officers of the Council and/or other agencies;
  2. raised and facilitated informal discussion at an appropriate local community forum;
  3. raised the issue with appropriate partners eg: Police, PCT, LTB, WCC

d) **Referring CCfAs to Scrutiny**

The expectation is that only the most persistent issues, which the Ward Member has not been able to resolve, will be referred to Scrutiny. When the Member feels that everything within their power has been done to remedy a community concern, they have exhausted all mechanisms and have tried to resolve the problem with the help of other relevant agencies, but have been unsuccessful in finding an adequate solution. Then, as a last resort, the Member is able to refer the issue to Scrutiny.

The referral will be made to the relevant OSP Chair using the CCfA form.

The referral must include:-

- i. the Member’s name;
- ii. the Ward name;
- iii. a summary of the issue being raised and why;

- iv. any action taken to resolve the matter;
- v. identify witnesses and stakeholders to be invited; and
- vi. identify what outcome is sought from the hearing.

The Ward Member;-

- i. must provide supporting information or evidence;
- ii. to indicate the level of local concern and/or support for the CCfA; and
- iii. any previous action already taken to try to resolve the matter.

f) **Consideration of Referral by Scrutiny**

The completed CCfA referral form and above information will be considered by the Chair and Vice Chair of the appropriate OSP, together with the Ward Member in attendance, within 28 days. In considering the referral they will want to be assured that the Ward Member has made every effort to try to find a local solution already.

In making their decision they will consider:-

- i. are they satisfied that all reasonable attempts at resolution have been made by the Ward Member and/or Cabinet;
- ii. has any Committee considered a similar issue recently;
- iii. are there any projects, audits, reviews, inspections on the matter underway;
- iv. have the relevant services and/or partners been informed, but not responded;
- v. is there a more complex/strategic issue at the centre of the issue that could not be resolved at the lower level; and
- vi. is it an isolated case or is it a wider service or Policy issue.

If for any reason, agreement cannot be reached as to whether or not the matter is a CCfA then it will be considered by the relevant OSP.

If the Chair and Vice Chair reject the matter, the Ward Member will be notified (in writing) who in turn, will notify the public.

If the Chair and Vice Chair accept that the matter is a CCfA then it will be referred to the OSP for consideration, notifying partners/stakeholders' witnesses as appropriate.

The Chair and Vice Chair will also consider, at this time, whether the issue should be heard at the next available OSP meeting or at an additional single item meeting and the most appropriate venue/location for the meeting.

## **Consideration of CCfA at OSP**

The relevant OSP is required to consider the CCfA issue and decide on what further action it wishes to take. For example it may require further information, may establish a Working Group and/or make recommendations to resolve the issue.

The OSP shall:-

- i. have regard to any information provided by the Ward Member as to why it should investigate the issue;
- ii. have regard to any other information or evidence provided;
- iii. invite the portfolio holder to attend the meeting, and
- iv. invite other local stakeholders to the meeting.

Any report and recommendations arising from the OSP meeting will be made available and sent to all agencies/stakeholders involved with the CCfA within ten working days.

The responses to the report and recommendations will be reported back to the next OSP meeting.

The OSP will monitor the implementation of the recommendations as appropriate.

The CCfA data will be reported annually at year end to the relevant OSP and will include the number of requests received, accepted, rejected and the reasons given for rejection.

## **5K PETITIONS SCHEME**

### **5K.1 PETITIONS**

Nuneaton & Bedworth Borough Council welcomes petitions and recognises that petitions are one way in which people are able to let us know their concerns.

### **5K.2 WHAT IS A PETITION?**

We will treat as a petition any communication that is signed by or sent to us on behalf of 25 people. Less than 25 signatures will be considered a complaint and dealt with under the Council's Complaints Procedure.

#### **5K.2.1 Types of Petitions**

There are different types of petition, as set out below.

- a) Petitions between 0 – 24 signatures will be dealt with as a Complaint.
- b) Ordinary Petitions – requiring 25 – 749 signatures will either be dealt with by the appropriate Service Unit at the Council or referred to the relevant Overview & Scrutiny Panel. To determine how the petition is to be handled, the Petitions Officer will consult with the chair of the appropriate OSP and agree whether the matter should be referred to the Panel.
- c) Petitions for Debate – Petitions of 750 or more will be referred to a meeting of the Council.

#### **5K.2.2 What should a petition contain?**

A petition should include:–

- a) A clear statement covering the subject of the petition and what you want the Council to do. This must relate to something which is the responsibility of the Council, or over which the Council has some influence. Where a petition relates to a matter which is within the responsibility of another Public Authority, we will redirect the petition to that other Authority. Where a petition relates to a matter over which the Council has no responsibility or influence, we will return the petition to the petition organiser with an explanation of that decision;
- b) The full name and contact details of the “petition-organiser” must be provided. Contact details must be a full postal address where the signatory lives. If a petition does not identify a petition organiser, we will contact the first or second signatories to the petition to agree who should act as the petition organiser. If no signatory can be identified from the petition and hence no petition organiser can be contacted, the Council

will consider the petition to be frivolous or vexatious and deal with it accordingly within the terms of this Scheme.

- c) Each signatory to a petition must state their full name, full postal address and signature.
- d) The Petitions Officer shall consider any petition over 25 signatures and determine (a) its validity and (b) the process to be followed in dealing with the petition having regard to the criterion in this Scheme. If the Petitions Officer considers a petition to be frivolous or vexatious, abusive, unlawful or otherwise inappropriate, it will be rejected.

In the period immediately before an Election or Referendum a petition will be dealt with differently. This is to comply with the Code of Practice on Local Authority Publicity used by the Secretary of State under S. 2 of the Local Government Act 1986.

### **5K.2.3 What will the Petitions Officer do when he or she receives your petition?**

The response to a petition will depend on what a petition seeks and how many people have signed it. The range of possible outcomes are;-

- a) taking the action requested
- b) considering the petition at a Council meeting
- c) holding an inquiry into the matter
- d) holding a public meeting
- e) commissioning research
- f) Referring the petition to an Overview & Scrutiny Committee
- g) rejecting the petition.

Petitions will be acknowledged within 10 working days. The Petitions Officer will let the petition organiser know what will be happening with the petition and when he or she can expect to hear from the Petitions Officer again. That notification will be published on the website unless the Petitions Officer considers that in all the circumstances it would be inappropriate to do so.

If the outcome requested in a petition can be undertaken immediately, the acknowledgement may confirm this and the petition will be closed.

In some cases, the Petitions Officer may seek to resolve the request directly, by getting the relevant Cabinet Member or officer to take appropriate action.

Unless the matter has been resolved immediately the Petitions Officer will provide a substantive response to the petition organiser setting out how the petition is to be handled. This substantive response will be provided as quickly as possible and no later than 15 working days after the date the petition is acknowledged.

At the same time as providing a substantive response to the petition organiser, the Petitions Officer will inform Group Leaders and relevant Ward Members (if appropriate) of receipt of the petition.

Within five working days of acknowledging a petition, the Petitions Officer will publish details of the petition on the Council's website, setting out the subject matter of the petition, the date of receipt and the number of petitioners. The petition organiser's name and contact details will be included.

The Petitions Officer will ensure that the website is kept up to date to ensure that petitioners can track progress of their petition.

#### **5K.2.4 The role of Ward Members**

When a petition is received which particularly affects a specific Ward, the Petitions Officer will send a copy of the petition to each relevant Ward Member at the same time as providing a substantive response to the Petitions Organiser.

#### **5K.2.5 What happens to Petitions for Debate at Council?**

Petitions for Council debate will be reported to the next convenient Ordinary Meeting of the Council. Petitions will not be considered at the Annual Meeting of Council or at Extraordinary Meetings of Council, which are not convened to consider the subject matter of the petition.

The Petition Organiser will be invited to address the meeting for up to three minutes on the subject of the petition.

#### **5K.2.6. What happens to a Petition at an OSP?**

Petitions will be reported to the next convenient meeting of the relevant Overview & Scrutiny Panel. An officer, identified either by name or by post title either in the petition or as nominated by the Petitions Officer, will be required to answer questions on the conduct of a particular matter at the Panel.

In advance of the Panel meeting, the petition organiser will be invited to submit a list of questions that he/she would like put to the officer at the meeting. These questions will be provided to the Chair of the Panel, who will decide whether they are appropriate, and to the officer concerned, in advance of the meeting.

At the meeting, the Chairperson will invite the petition organiser to address the Panel for a maximum of three minutes. The relevant officer will report to the Panel in relation to the petition. Members of the Panel may question the officer, and the Chairperson may invite the petition organiser to suggest questions for him/her to put to the officer. After the relevant person has attended before the Overview & Scrutiny Panel, the Panel will make recommendations to the Council and a copy of the minutes will be sent to the petition organiser.

### **5K.2.7.What happens to an Ordinary Petition?**

The Petitions Officer will arrange for each Ordinary petition to be considered by the relevant Director in consultation with the relevant Portfolio Holder. Where a formal decision is required, the relevant Director will be responsible for ensuring that an item is placed on the next appropriate Cabinet Agenda; or Single Member Decision (as appropriate).

The petition organiser will be invited to the meeting at which the decision is to be considered and given the opportunity to address the decision maker for three minutes. The Chair may then ask questions of the petition organiser. Where appropriate. Ward Members present may also address the Chair on the matter for up to three minutes (each).

Cabinet/Single Members will ask the relevant officer(s) to advise the meeting, after which the matter will be open for debate among members of the decision-making body. Where the matter is to be determined by a Cabinet Member, he/she will take a decision on the matter. That decision may be a determination of the matter, or may be a decision to refer the matter for investigation and report back, or to refer it up to a meeting of Council or Cabinet.

Within five working days of the consideration of the petition, the Petitions Officer will notify the petition organiser of the decision and advise him/her that if he/she is not satisfied with that decision, he/she may require the matter to be reported to the next convenient meeting of the appropriate Overview & Scrutiny Panel for review. The petition organiser must notify the Petitions Officer of his/her intention to appeal to an Overview & Scrutiny Panel against the decision relating to the petition within 10 working days of being notified of that decision. The petition organiser may attend and address any meeting for three minutes whenever the petition is on the agenda for consideration.

Upon review, if required, the Panel can refer the issue to the Cabinet for further consideration together with the Panel's recommendations upon how the matter should be determined. Cabinet shall consider the matter afresh, having regard to any recommendations from the Panel. Cabinet is free to make any decision that it feels is appropriate, including accepting the Panel's recommendations; confirming the original decision that led to the review, or substituting a different decision. For the avoidance of doubt, there is no further right of review of Cabinet's decision and the decision shall be considered final. At this stage the petition shall be treated as disposed of and the website amended to reflect this.

At each stage, the Petitions Officer will enter the relevant information on the website at the same time as it is sent to the petition organiser.

### **5K.2.8.The role of the Petition Organiser**

The petitions organiser will maintain contact details with the Petitions Officer whilst the petition is being considered.

Where the petition is not accepted for consideration, the petition organiser will be advised by the Petitions Officer of the rejection, and the grounds for rejection.

The petition organiser may nominate another person to address any meeting and to answer any questions on the matter.

The petition organiser must notify the Petitions Officer of his/her intention to appeal to an Overview & Scrutiny Panel against the decision relating to the petition within 10 working days of being notified of that decision. The petition organiser may attend and address any meeting for three minutes whenever the petition is on the agenda for consideration.

#### **5K.2.9. Petitions, which will not be accepted or published**

- a) Frivolous or vexatious petitions or timewasting;
- b) Rude or abusive;
- c) Unlawful Petitions - Any petition which, in the opinion of the Council's Monitoring Officer would require the Council to do something that is or is likely to be unlawful if carried out;
- d) Otherwise inappropriate;
- e) Defamatory;
- f) Petitions that do not affect the functions of the Council or the Borough;
- g) Decisions about regulatory matters, eg. Individual decisions of Planning or Licensing matters; or
- h) Employee related matters.

The Petitions Officer will inform the petitions organiser for the non-acceptance in the Council's acknowledgement of the petition.

#### **5K.2.10. Duplicate Petitions**

Where more than one petition is received in time for a particular meeting, each supporting the same outcome on one matter, each petition organiser will be treated as an independent petition organiser, but only the petition organiser of the first petition to be received will be invited to address the relevant meeting.

#### **5K2.10. Repeat Petitions**

Where a petition will not normally be considered where they are received within six months of another petition being considered by the Council on the same matter.

### **5K 2.11. Rejected Petitions**

Petitions will not be reported if in the opinion of the Petitions Officer, they are rude, offensive, defamatory, scurrilous or time wasting, or do not relate to something which is the responsibility of the Authority, or over which the Authority has some influence.

### **5K 2.12. Who should you send a petition to?**

The Petitions Officer shall be the Head of Paid Services, who is responsible for receiving, managing and reporting petitions received by the Council. Please address petitions to –

### **5K.2.13 What can you do if you feel your petition has not been dealt with properly?**

If you feel that your petition has not been dealt with properly, the petition organiser has the right to request that the relevant Overview & Scrutiny Panel reviews the steps taken in response to the petition. The Panel will endeavour to consider your request at its next Ordinary Meeting or the following meeting. Should the Panel determine that your petition has not been dealt with adequately, it may use any of its powers to deal with the matter.

These powers include instigating an investigation, making recommendations to Cabinet and arranging for the matter to be considered at a meeting of the Full Council. Once the appeal has been considered, the petition organiser will be informed of the results. The results of the Review will also be published on the website.

## 5L POLICY ON GIFTS & HOSPITALITY

### 1. Policy

- 1.1 You must only accept offers of hospitality and gifts if there is a genuine need to impart information or represent the Council through the particular engagement. Offers to attend purely social or sporting functions must be accepted only when these are for the benefit of the Council. All gifts and hospitality received must be properly recorded in the Register of Gifts and Hospitality which shall be maintained by the Monitoring Officer **and made publicly available for inspection on the Council's website.**
- 1.2 Gifts and hospitality must not be accepted unless you are sure that the nature of value is such that it will not attract public criticism. If in doubt, Officers must consult with their Assistant Director in the first instance and Members must contact the Monitoring Officer before responding to any offer.
- 1.3 Local Governments Member's and Officer's actions are totally open to public scrutiny and therefore you must ensure that any actions would not embarrass you if you were required to explain them.
- 1.4 **For Councillors, registration of Gifts and/or Hospitality should be made on the form attached to this policy at Annex A. For officers, an internal online form is available in "NBBC Processes":**

- 3.1.2 **'Hospitality' is defined here as any generous or material welcome or reception that is more than an incidental kind, such as a beverage or light refreshment.**
- 3.2 The following general rules should apply:
  - 3.2.1 Always refuse where you think there may be an ulterior motive.
  - 3.2.2 Be sensitive to the possibility that the giver may consider that even small gifts or humble hospitality will elicit prompt service or preferential treatment.

- 3.2.3 Never accept gifts or hospitality from anyone who is or may be in the foreseeable future, tendering for a contract with the Council.
- 3.2.4 Never accept gifts of hospitality from anyone who is or may be in the foreseeable future, seeking planning consent from the Council.

#### **4. Receiving hospitality**

4.1 The basic rule is that no hospitality should be accepted, there are of course certain exceptions to this.

4.2 All hospitality that is received must be recorded in the Register of Gifts and Hospitality. Failure to register any gift or hospitality in the Register may result in disciplinary action. The Register is to be reviewed at least once a year by the Audit & Standards Committee. The Register will also be published on the Council's web site.

4.3 The Chief Executive, Strategic or Assistant Directors may not approve their own hospitality and should record any items in the Register.

4.4 Hospitality should only be accepted where:-

- it is offered in the genuine course of business (to gain or impart information). It must not be allowed to compromise purchasing or other decision of the Council (either in reality or in the perception of the public);
- the Council would offer similar levels of hospitality in similar circumstances;
- It is a working lunch or dinner;
- Where you are joining other guests at cultural/sporting events or public performances as a representative of the Council. This would depend on the appropriateness of the invitation in terms of the level of hospitality and status of the member of staff.

4.5 It is not appropriate for a Member or Officer to accept hospitality to attend any form of social function or sporting event (even if in their own time) unless such events are directly related to the host's business and the matter in hand with the Council.

4.6 It has been deemed that the cost of visits to potential suppliers may be met by the supplier as long as they are relevant and reasonable.

- 4.7 Acceptance by Members or Officers of hospitality whilst in attendance at conferences and courses is acceptable where it is clear the hospitality is corporate rather than personal.

## **5 Receiving Gifts**

- 5.1 Small gifts of promotional material such as stationery and calendars may be accepted. All other offers are to be refused. Any firm or individual who wishes to make some gesture of goodwill to the Council should be directed to the Mayor's Office.
- 5.2 Gifts of a value of over £20, that are delivered should either be returned or passed on to a suitable charity – the Mayor's Office would seem the most appropriate in these circumstances. The sender should be advised of the course of action taken and the facts recorded in the Hospitality Register.
- 5.3 The Localism Act 2011 introduced a requirement for all Councillors to register Designated Pecuniary Interests and other interests required under the Code of Conduct, e.g. any property they own, any shares and business interests, their employment details and any other public bodies on which they sit. In addition, Members and Officers are required to register separately any gifts or hospitality over £20 that they have received. A register will be compiled and will be available online and a copy kept in the Committee Services Office.
- 5.4 Paid holidays or concessionary travel rates would not be considered acceptable. Where you have any misgiving over the appropriateness of the offer, this must be referred in the first instance to your Assistant Director in the case of an Officer and the Monitoring Officer in the case of a Member.

<b>Summary of Gifts Rules Type of Gift</b>	<b>Rules</b>	<b>Required Action</b>	<b>Notify for Register</b>
Trivial Gift (up to £20)	Acceptable if occasional.	Complete notification form	YES
Non-trivial gifts (over £20)	Cannot be accepted by an individual. Decline or if this is inadvisable or impossible, to be surrendered to the Chief Executive	Complete notification form	YES

## **6 Giving Gifts/Hospitality**

- 6.1 All Gifts and Hospitality given must also be recorded in the Register of Gifts and Hospitality for Members and Officers. Failure to register any gift or hospitality in the Register may result in disciplinary action being taken against the Officer and the relevant action in the case of a Member.
- 6.2 Gifts and Hospitality should only be given where an expected demonstrable benefit to the Council has been proven to and authorised by an Assistant Director. In offering hospitality, Members and Officers need to bear in mind that the money is coming from the public purse and needs to be spent carefully.
- 6.3 Members and Officers are reminded that unless previously sanctioned by the Chief Executive, the provision of any gifts and hospitality by themselves is not reclaimable.

## **Annex 1**

It is important that the following principles are read by Members alongside this Code:

### **The Seven Principles of Public Life Outlined in 'Spending Public Money: Governance and Audit Issues', (Cm 3179), March 1996.**

The following seven principles of public life were set out by the Committee on Standards in Public Life (the Nolan Committee) for the benefit of all who serve the public.

#### **Selflessness**

Holders of public office should take decisions solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

#### **Integrity**

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might influence them in the performance of their official duties.

#### **Objectivity**

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

#### **Accountability**

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

#### **Openness**

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

#### **Honesty**

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

#### **Leadership**

Holders of public office should promote and support these principles by leadership and example.

## **BRIBERY ACT 2010**

Under the provisions of the Bribery Act 2010 ('The Act'), the inappropriate acceptance of gifts or hospitality may leave individuals open to charges of bribery. The Act makes it an offence to request, agree to receive or accept a bribe.

The four offences created by the Act are:

1. Bribery of another person - it is an offence to offer or give financial or other advantage with the intention of inducing a person to perform improperly a relevant function or activity, or to reward a person for the improper performance of such activity or function.
2. Accepting a bribe - where a person receives or accepts a financial or other advantage to perform a function or activity improperly. It does not matter whether the recipient of the bribe receives it directly or through a third party, or whether it is for the recipient's ultimate benefit.
3. Bribery of a foreign official – this is where a person, directly or through a third party, offers, promises or gives any financial or other advantage to a foreign public official in an attempt to influence them as a public servant and to obtain or retain business, or any other related advantage in the conduct of business.
4. Failing to prevent a bribe - a commercial organisation could be guilty of bribery where a person associated with an organisation, such as an employee, agent or even a sub-contractor, bribes another person intending to obtain or retain business for the organisation or to obtain or retain an advantage in the conduct of business for the organisation.

Members and Officers are advised to treat with extreme caution any offer or gift or hospitality that is made personally to them. The person or organisation making the offer may be doing business or seeking to do business with the Council or may be applying to the Council for some sort of decision in respect of which it is imperative that the Member's or Officer's independence should not be compromised, eg. planning applications/approval.

The Council's Anti-Fraud, Corruption and Bribery Strategy provides more information

- 5.5 The chair may interrupt the speaker if they start discussing other matters which are not related to the item, or the speaker uses threatening or inappropriate language towards Councillors or officers and if after a warning issued by the chair, the speaker persists, they will be asked to stop speaking by the chair. The chair will advise the speaker that, having ignored the warning, the speaker's opportunity to speak to the current or other items on the agenda may not be allowed. In this eventuality, the chair has discretion to exclude the speaker from speaking further on the item under consideration or other items of the agenda.
- 5.6 The speaker can address the Committee from the allocated speaker's chair or, if preferred, they can stand or remain seated and speak from their seat. When finished, or the three minutes are up, questions of clarification may be asked of the speaker by any member of the Committee or Cabinet to help clarify any points made.
- 5.7 The Chair will then invite members of the Committee or Cabinet to debate the matter, once it has been proposed and seconded. Speakers will not be permitted to speak further on the item and cannot participate in the debate on the item.

Appropriate spokespeople responding to media on behalf of the Council will be identified depending on the incident in question and in line with the procedures set out in this protocol.

### **6.0 Election time**

In any pre-election period, national and local guidelines will be issued, and must be adhered to when communicating with the media and general public.

### **7.0 Photographs and video**

7.1 Pictures help tell our story, so we will always try to accompany a news item by offering a suitable illustrative picture, or even better, video. When including members of the public in these images, it is good practice to ask an individual to sign a consent form before photographs or video footage is taken.

7.2 Where a child is under 16, or where an adult is particularly vulnerable, permission of parents or guardians must always be given and a consent form must be signed.

7.3 Pictures of Council Members when published alongside press releases, must feature the relevant Portfolio Holder or their designate, or the relevant Director or their designate. On ward-specific issues, ward councillors and opposition members will be invited to be featured in an appropriate photocall where this would be relevant to the story in question, with the express consent of the relevant portfolio holder or Leader of the Council.

## **8.0 Activity in Social Media**

8.1 Additional activity in Social Media channels is covered by separate Social Media Guidelines.

## **5P RISK MANAGEMENT POLICY & STRATEGY**

# November 2022

### **Risk Management Policy**

1. Nuneaton and Bedworth Borough Council (NBBC) recognises that it has a responsibility to manage risks, both internal and external. It is therefore committed to maintaining robust risk management and business continuity arrangements that make a positive contribution towards the achievement of the Council's corporate aims and priorities and maximise the opportunities to achieve its vision.
2. It is good business practice that risk management processes should be:
  - Supportive rather than unduly restrictive.
  - Embedded in the Council's culture and in its decision-making, planning and management functions; and
  - Embraced by all Members and employees.
3. The Council's aims with respect to risk management are as follows:-
  - To embed risk management into the culture of the Council
  - To adopt an effective and transparent corporate approach to risk management, which also applies to the Council's work with external partners and contractors
  - To work with partners and stakeholders to identify and exploit opportunities that will contribute to corporate aims and priorities
  - To integrate risk management into the operational and management practices of the Council
  - To promote risk awareness throughout the Council and among our contractors and key partners
  - To be responsive to changing social, environmental and legislative requirements, whilst effectively managing the related risks and opportunities.
  - To undertake an annual review of the effectiveness of the risk management arrangements to support the Council's Annual Governance Statement
4. These aims will be achieved through the Council's Risk Management Strategy, which details the roles, responsibilities and actions necessary for successful implementation.

## **Risk Management Strategy**

### **1. Introduction**

- 1.1 This strategy sets out the processes to ensure that risks to the Council's services, objectives, employees, assets, contractors and partnerships are identified, recorded, assessed, prioritised and then mitigated, transferred or eliminated, to achieve an acceptable level of exposure.
- 1.2 The Risk Management Framework states how the Council manages risks and maximises opportunities in achieving its aims and priorities and this strategy forms part of that process.

### **2. Definitions**

#### **2.1 Corporate Governance**

Corporate governance is the framework of accountability to users, stakeholders and the wider community, within which organisations take decisions and lead and control their functions to achieve their objectives. The effectiveness of corporate governance arrangements has a significant impact on how well an organisation meets its aims. Its purpose is to ensure that the right thing is done, in the right way, by the right people, in an open, honest and timely manner.

#### **2.2 Risk and Risk Appetite**

“Risk” can be defined as “The possibility that an event will occur and adversely affect achievement of objectives”.

Therefore, “risk management” is the process by which risks are identified, analysed, controlled and monitored. Resources for managing risk are finite, therefore risks are prioritised in accordance with an evaluation system. The level of risk tolerated is the “risk appetite”.

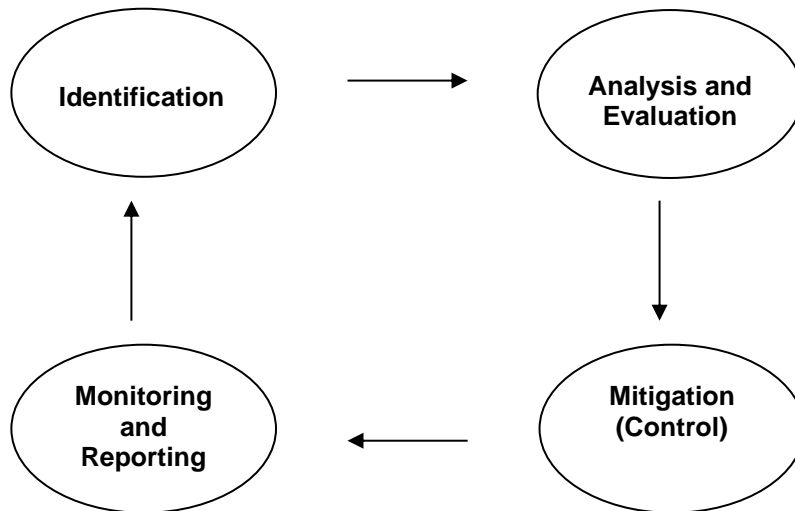

#### **2.3 Partnership**

A partnership is an agreement between the Council and one or more independent legal bodies, organisations or individuals to work collectively to achieve a common purpose with specified aims and objectives. More detailed guidance on managing partnerships and the associated risks is available in the Council's Partnership Framework document.

### **3. Risk Management Process**

Risk management involves the following four processes:-

- Identification of risk
- Analysis and evaluation
- Mitigation
- Monitoring and reporting

### 3.1 Step 1 - Identification of Risk

A systematic approach needs to be applied if all significant risks are to be identified and managed effectively. By identifying areas of risk before an event or loss occurs, steps can be taken to reduce the likelihood of occurrences and/or to minimise the cost to the Council if they do happen. Reacting to events only after they have occurred can be very costly.

Risks can be identified in a number of ways, for example:-

- Through discussions with colleagues, stakeholders, Members, contractors, partners, insurance brokers, insurers, risk advisers and external auditors
- Looking at trends, accident reports, complaints, new agendas, legislation and regulations

The table below lists some categories of risk which may have an impact on aims and priorities:-

Risk Category	Examples of issues to consider
Political	Local and national political issues. Stability of the political situation.
Economic	State of the local economy. Interest rates, inflation and related key assumptions. Labour market effects on recruitment and retention.
Social and Employee-Related	Demographic profile of the workforce and population. The consequent effect on demand for services and/or stakeholder expectations.
Technological and Information-Related	Capacity to respond to technological changes or opportunities arising from technological developments. Current use of or reliance on technology. Quality and security of information. Accessibility of key documents. Resilience and IT/Communications recovery capacity.
Legislative /Regulatory	Preparedness for new legislation and regulations, e.g health and safety, planning or employment law.

Environmental	Use, acquisition &/or disposal of land &/or premises. Waste, disposal and recycling arrangements.
Competitive	Competitiveness of service delivery in terms of cost and quality. Ability to deliver value for money.
Customer/ Citizen	Extent, nature and effectiveness of consultation and involvement with the community. Ability to meet current and future needs. Service delivery feedback. Reputation.
Professional	Organisational and individual competency levels and capacity to deliver objectives. Staff recruitment and retention. Skill and knowledge levels. Opportunities for networking and continuing professional development.
Financial	Level of reserves. Adequacy of funding. Financial planning and control. Fraud.
Legal	Possible legal challenges and claims.
Partnership/ Contractual	Key strategic partners. Procurement arrangements. Contractual arrangements. Partners' governance arrangements.
Physical	Security and protection of assets. Maintenance practices. Protection, security, health, safety and wellbeing of the workforce and population.

There are two key elements to each risk description – **cause and consequence**. To effectively manage risks, both of these elements need to be identified. An example is as follows:-

NBBC's failure to maintain a sound budgetary and financial control environment (**cause**), resulting in the Council having insufficient financial resources to achieve the key priorities (**consequence**).

When identified, significant risks should be recorded in a risk register. NBBC have both strategic and operational risk registers (including some which are specific to individual projects or partnerships). The Strategic Register addresses cross-cutting corporate risks. Operational registers address risks that could impact upon service delivery.

Both follow the same format and record the following information for each risk:-

- A risk reference number
- The risk description (in terms of cause and consequence)
- A gross risk score (the score before effective mitigation controls are in place)
- The mitigation controls (identifying whether 'existing' / 'ongoing' or 'planned')
- The mitigation owner(s). These could be different for each control
- The net risk status – red, amber or green (after effective mitigation controls are in place)
- Sources of assurance i.e. how the risk is monitored / relevant documents; and
- The risk owner

### 3.2 Step 2 - Analysis of Risk

Having identified the risks, they need to be analysed. This process requires managers to make an assessment of:-

- The probability (likelihood) of a risk occurring; and
- The severity (impact) of the consequences should it do so.

The matrix below indicates risk levels

Likelihood	4	4	8	12	16
	3	3	6	9	12
	2	2	4	6	8
	1	1	2	3	4
		<b>Impact</b>			
		1	2	3	4

**Key**

	<b>Green</b> (acceptable)
	<b>Amber</b> (tolerable)
	<b>Red</b> (unacceptable)

I

The Council’s likelihood and impact descriptors are as follows:-

**Likelihood**

4: **Very High** – occurrence is most likely or has already happened and will do so again if control measures are not introduced

3: **High** – occurrence is anticipated within the next 12 months

2: **Significant** – occurrence is probable in the next 3 years

1: **Low** – foreseeable but not probable in the next 3 years

	Level of Impact	Service Delivery	Financial / Legal	Reputation / Community
4	Major	<ul style="list-style-type: none"> <li>• A service delivery failure causes significant hardship to people for a period of 3 to 4 weeks or more or 1 week for anyone that is vulnerable, or failure to meet a nationally-mandated deadline</li> <li>• Loss of major stakeholder/partner.</li> <li>• Adverse outcome of a serious regulatory enquiry</li> </ul>	<ul style="list-style-type: none"> <li>• Financial loss over £400,000.</li> <li>• Serious risk of legal challenge</li> </ul>	<ul style="list-style-type: none"> <li>• Sustained adverse TV/radio coverage</li> <li>• Borough wide loss of public confidence</li> <li>• Major damage to local environment, health and economy</li> <li>• Multiple loss of life</li> </ul>
3	Serious	<ul style="list-style-type: none"> <li>• A service delivery failure causes significant hardship for a period of 2 to 3 weeks or 3 to 7 calendar days for vulnerable people</li> <li>• Formal regulatory inquiry</li> <li>• Loss of a key partner or other partners</li> </ul>	<ul style="list-style-type: none"> <li>• Financial loss between £200K and £399K</li> <li>• High risk of successful legal challenge</li> </ul>	<ul style="list-style-type: none"> <li>• Significant adverse coverage in national press or equivalent low national TV coverage</li> <li>• Serious damage to local environment, health and economy</li> <li>• Extensive or multiple injuries &amp;/or a fatality</li> </ul>
2	Moderate	<ul style="list-style-type: none"> <li>• A service delivery failure causes significant hardship for 1 to 2 weeks or 1 -2 calendar days for vulnerable people</li> <li>• Loss of a significant non-key partner</li> <li>• Legal concerns raised</li> <li>• Loss of employees has moderate effect on service provision</li> </ul>	<ul style="list-style-type: none"> <li>• Financial loss between £50K and £199K</li> <li>• Informal regulatory enquiry</li> </ul>	<ul style="list-style-type: none"> <li>• Significant adverse coverage in local press or regional TV</li> <li>• Large number of customer complaints.</li> <li>• Moderate damage to local environment, health and economy</li> <li>• Moderate injuries to an individual</li> </ul>
1	Low	<ul style="list-style-type: none"> <li>• Disruption to services for up to 1 week</li> <li>• Minor legal implications</li> <li>• Loss of employees not significantly affecting service provision</li> </ul>	<ul style="list-style-type: none"> <li>• Financial loss up to £49K</li> </ul>	<ul style="list-style-type: none"> <li>• Minor adverse media coverage.</li> <li>• Minor environmental, health and economy damage</li> <li>• Minor increase in number of customer complaints</li> <li>• One or more minor injuries to an individual</li> </ul>

**3.3 Step 3 - Control of Risks**

Having identified and prioritised the risks, each one needs to be assessed to determine the appropriate action required for it to be mitigated. There are four options:-

<b>Terminate</b>	Stop the activity or remove the physical cause
<b>Transfer</b>	As far as possible, pass the risk on to another party, e.g. contractually or by insuring it
<b>Treat</b>	Set up control (mitigation) measures &/or improve existing ones. Examples: <ul style="list-style-type: none"> <li>• Use of password, barrier, temperature or other controls.</li> <li>• Installation or upgrade of alarms.</li> <li>• Implement new or revised procedures, requirements &amp;/or management arrangements</li> </ul>
<b>Tolerate</b>	Do nothing, live with the risk as it stands

The mitigation owner also needs to be identified, this being the individual specified as responsible for putting the stated control(s) into action &/or ensuring it remains in operation. Ownership of a control measure should rest with a single individual, even if more than one person is needed to carry it out.

The level of risk remaining after the internal control measure is in place is the residual or net risk. This should be at a level which is within NBBC’s risk appetite. That is (except for any risk identified as “Outside the Council’s control because of external factors”), the level of residual risk is acceptable to the authority.

**3.4 Step 4 - Monitoring and Review of Risks**

As key management tools, Risk Registers must be used effectively to ensure that:

- They comprehensively address all recognised significant risks
- Mitigation measures/controls are adequate to minimise the likelihood and/or impact of each risk
- Any significant risks identified and remedial actions are sufficiently monitored

To establish whether they are being adequately managed, the following criteria will be used:

- Red** – Less than 60% of the identified risks are being satisfactorily managed
- Amber** – 60%-80% of the identified risks are being satisfactorily managed
- Green** – Over 80% of the identified risks are being satisfactorily managed

Percentages relate to the proportion of the identified risks that are net green.

## **5Q PERFORMANCE MANAGEMENT FRAMEWORK**

### **Index**

- 1. Introduction**
- 2. Priorities**
- 3. Managing Performance**
- 4. Data Quality**
- 5. Risk Management**

### **Appendices**

- A. Determining Our Priorities – Systematic Approach**
- B. Performance Management Cycle – Overview**
- C. Performance Management Cycle – Performance Indicators**
- D. Action Plan from 2021 Performance Management framework Review**

## **1. Introduction**

1.1 The purpose of this performance management framework is to improve performance management arrangements across the Council and service delivery for the communities of Nuneaton and Bedworth.

1.2 Good performance management is essential to achieve the Council's aims and objectives, based on a clear vision with realistic targets to support the achievement of these goals.

1.3 This vision needs to be clearly communicated to all Elected Members and employees in order that individuals have a good understanding of their work priorities and can see how these contribute to broader corporate targets and priorities.

1.4 Performance Management requires clarity about who is responsible for delivering particular objectives. The Council needs to ensure that these individuals have the required resources and support and are empowered to do the necessary work to achieve goals. The resulting outcomes need to be clearly communicated to residents to gauge how well the Council is performing on their behalf.

1.5 Key elements of performance include: a clear organisational vision, values, customer-focused objectives, target setting process (where appropriate), benchmarking, regular assessment and review and performance-related annual (employee) development review.

1.6 Benefits of an effective Performance Management Framework include:

- Improved service delivery and outcomes for customers.
- Demonstrating success or failure.
- Effective use of resources.
- Identifying potential improvements / cost savings.
- Improved audit / inspection results.
- Linking financial / non-financial data to provide a balanced picture of the organisation.
- Informing the debate on future priorities.
- More effective partnership working.

## **2. Themes and Priorities**

### 2.1 Determining Our Themes and Priorities

The Council aims to have the top priorities established in the document Building a Better Borough (BaBB) (the Corporate Plan) translated into priorities at individual level using the systematic approach detailed at Appendix A.

2.2 The Council's long-term themes and priorities have been drawn from a variety of sources including:

- National data
- Strategic Assessment for community safety
- General indices of multiple deprivation
- Borough Plan
- Economic, housing and social data

### 2.3 Service Priorities

Each Director applies the themes and priorities from the BaBB to set out their part in their delivery. They are supplemented by service-specific priorities based on service demand, performance and response to changes in service/ operational environment. This is the mechanism through which the Council's long-term vision and aims will be progressed and achieved through annual targets and milestones. This is measured by BaBB Delivery Plans (3-year plans which are monitored on a quarterly basis and reviewed annually - these show clear links to service activities.

### 2.4 Individual Priorities

Completing the performance management cycle is the Council's Annual Development Review scheme that reinforces the organisation's values as well as the importance of performance and achievement. Documentation formalises the review discussion. The review process is consistently applied to focus on outcomes and all employees have an action plan which identifies performance measures, targets and service improvements against which they will be appraised. The Council recognises that individuals (Members and employees) may need training and support to achieve their full potential. The training plan included as part of the review process is geared towards meeting Council objectives by improving individual skills and knowledge.

### 2.5 Corporate Employee Values

The Council's employee values support the effective delivery of performance outcomes. They are:

- **SERVICE FOR OUR CUSTOMERS** – We put our customers first in everything we do
- **INTEGRITY IN OUR ACTIONS** – We are open, honest and fair, communicate accurately and keep our promises. We act within the law and the Council's Constitution and policies

- **ACCOUNTABILITY FOR OUR PERFORMANCE** – We accept personal responsibility, not seeking to blame others and apologise if we get things wrong
- **CO-OPERATION WITH COUNCILLORS, COLLEAGUES AND PARTNERS** – We share ideas, knowledge and resources, we are friendly towards, listen to and respect each other, and work in teams to deliver excellence
- **OBJECTIVITY IN OUR DECISIONS** – We base our decisions on evidence, welcome challenge and take account of alternative opinions and the wider picture
- **EFFICIENCY TO KEEP OVERALL COSTS DOWN** – We constantly improve our value for money, learning from good practice, eliminating waste, and making the most of our assets
- **CONFIDENCE TO TRY THINGS OUT** – We give our people encouragement, authority and support to be creative and flexible in how they deliver services, learning from things that go wrong when we experiment

### 3. Managing Performance (see Appendices B and C)

#### 3.1 Targets / Measures

Once priorities are identified, targets for performance indicators are set or measures established (no target) which are monitored and reported according to importance. Targets are set by reference to current performance, organisational aims / capacity and benchmarking data. Meeting the priorities set at various levels involves the achievement of a target / milestone, completion of a task or measurable improvements in performance. As services go through system lean reviews, traditional targets will be replaced by a measure of improvement. This will show as: green (improved), amber (stayed the same) or red (declined) for reporting purposes. A rolling mean for end to end times will be used to measure improvements.

#### 3.2 Measurement / Reporting

Monitoring progress in relation to performance takes place at a number of levels:

- Strategic Performance Reporting to Management Team on a monthly basis and Cabinet at a quarterly frequency. This is an overview of the Council's position relating to: Finance, People and Service Delivery, Processes and Improvement.
- We have developed a corporate database using the 'TEN' performance management system which provides links for all Performance Indicators / Measures to a Director, Portfolio Holder, Service and individual responsible. Each indicator / measure is assigned a collection frequency - monthly, quarterly, annually etc. Any appropriate comments or remedial actions relating to under-performance are recorded against the relevant month/quarter when entering data. Officers / Elected Members access the TEN system via the intranet (DASH) facility which is updated in real time. Members of the public can access the TEN system on the Council's website (this information is updated on a monthly basis). A review of indicators / measures included on TEN is carried out on an annual basis.

- An integrated performance management report linking finance, performance and risk data is produced quarterly for Overview and Scrutiny Panel(s) with progress updates on service improvement plans reported at half year. The format links finance / performance data on the key service areas based on expenditure / income. Details on performance of smaller service areas within the remit of the panel are reported by exception (ie. if there is adverse performance). Further development is on-going to establish any available comparative (benchmarking) data on good practice / performance to enhance the scrutiny process (see also Appendix D action plan).
- Service objectives and targets are set out within service areas. These include performance indicators / measures and are used to plan and monitor the work within service areas to meet the requirements of the BaBB Delivery Plan.
- Reporting by exception is the general rule applied to advising Management Team / Cabinet of under-performance in key areas (see also 3.3).

### 3.3 Under- performance and Remedial Action

Senior managers are responsible for monitoring performance and taking appropriate action to address issues affecting results in their service area. Management Team may seek information and assurances from a Senior Manager at any time. However, there may be instances where an indicator is below target or a measure declines in performance for two consecutive periods (month or quarter) and management corrective actions taken have not improved the situation. In such cases, the relevant Director will review and, if necessary, take to the Management Team. Where a Director escalates a performance issue, Management Team will:

- Review issues contributing to the under-performance of the indicator / measure.
- Address the failure of remedial action(s).
- Reallocate resources, if necessary.
- Propose alternative solutions, if appropriate.
- Instigate monitoring of the effectiveness of any further corrective actions taken.
- Record details / outcome(s) in Management Team meeting minutes.

### **Scrutiny Panel Reporting**

Integrated Performance Reports to Overview and Scrutiny Panel(s) include appropriate comments on under-performance for Elected Members in order to explain issues and / or corrective action(s) instigated. However, the panel may still request that the appropriate Portfolio Holder and / or manager attend the panel meeting to provide further clarification / information.

### 3.4 Improvement

The need to improve is fundamental to the Council's approach to managing performance. This will be achieved by:

- sharing and comparing information with other authorities, partners and agencies with a view to establishing better ways of delivering services;
- liaising with other performance managers / sharing resources and ideas to become more effective, as appropriate.
- Regular review (every two years, unless significant changes occur in the interim period) of this Performance Management Framework

## **4. Data Quality**

We recognise that reliable data quality is key to all aspects of the provision of services. It is important to ensure that accurate information is available to enable informed decision making and to assure the integrity of published data. Clear audit trails must be in place. We are therefore committed to provide data quality of a consistently high standard within available resources.

### 4.1 Data should be:

- **Accurate** – sufficiently accurate for its intended purpose.
- **Valid** – collected in compliance with agreed requirements / definitions.
- **Reliable** – reflecting consistent collection processes and time periods.
- **Relevant** – to the purposes for which it is used.
- **Complete** – incomplete or invalid records can indicate poor data quality and / or problems with recording processes.

An annual internal audit sample review is carried out to test data quality.

### 4.2 Responsibilities

**Management Team** – overall strategic responsibility for promoting and co-ordinating data quality management.

**Managers** – operational responsibility for ensuring data quality in their service area including provision of training and regular sampling of information processed. Responsible for ensuring that definitions are in place for all indicators/ measures (as recorded on the TEN system) and officers responsible for collating data comply with the definition.

**Employees** – data quality is the responsibility of every employee entering, extracting or analysing information from any of the Council's information systems. All employees share a responsibility for ensuring that information they produce, receive, act upon or process is accurate. This should be emphasised in training provided, along with how lapses can have an adverse effect on the integrity of the data provided and, consequently, the Council's reputation.

## **5. Risk Management**

In line with the Council's obligations to ensure that strategic and operational risks are fully assessed and managed, risk management is also an important element of the Performance Management Framework. A review of both corporate and operational risks is incorporated into the performance management cycle. All managers will assess and take account of the key risks to be managed in delivering their objectives and targets. Overview and Scrutiny Panel(s) will receive a current summary status of the Strategic Risk Register with a link to the full version of the document.

Members' Allowances Scheme

# CONSTITUTION

Part 6

## PART 6 - MEMBERS' ALLOWANCES

### 6A.1 Payments

- a) All allowances are governed by the Local Authorities (Members' Allowances) (Amendments) Regulations 2003. Basic Allowances and Special Responsibility Allowances are paid automatically on the 16th of each month or nearest banking day by BACS. Claims for Travelling and Subsistence must be made on the prescribed form and will be paid at the same time provided they are received by the Member & Committee Services Officer by the 28th of the previous month. Claims for dependant relative care expenses must be claimed separately, and a form will need to be completed for each individual claim.
- b) Tax and National Insurance will be deducted as appropriate, and will depend upon each Member's personal circumstances. In the event that queries arise, the Payroll team will be able to assist.

### 6A.2 Pension

- a) Regulations have been issued on 1<sup>st</sup> April, 2014 which withdraws membership of the Local Government Pension Scheme for elected Members.
- b) The Local Government Pensions Scheme (Transitional Provisions and Savings) Regulations 2013 requires that a Member, who is a Member on 31<sup>st</sup> March 2014, may continue to accrue rights until the end of the term of office which that Member was serving on 1<sup>st</sup> April, 2014.

### 6A.3 Travel and Subsistence Allowances

- a) The Council Scheme for payment of these allowances is detailed in Appendix A-Sched 3.
- b) There are specific rules which apply to the following duties, and they are detailed individually.
  - i. Members Acting for Other Bodies:

Attendance by Members of the Council appointed to other bodies are covered by the Council's scheme **when they attend the meetings of those bodies.**

However, when they attend meetings **on behalf of those bodies**, they are not entitled to receive payment from the Authority, for travel and subsistence. Such attendances are not approved duties for the purpose of the Council's Scheme, and the method of payment, if any, is a matter for the body itself.

ii. Palace Garden Parties

An allowance to cover refreshments and incidental costs before and after the Garden Party for all of the Mayor's party (maximum four, including the Mayor and Mayoress/Consort).

iii Conferences, Seminars, etc.

These are covered by the Council's Scheme of Approved Duty Classification. Travel arrangements will, in the usual course of events, be made by the department originating the attendance.

It is not open to Members to make their own arrangements for travel without regard to the practice in the Authority.

Individual Members should always clear the method and arrangements for travel with the Democratic Services Office.

c) Mayoral Duties

Except where the Mayor or Deputy Mayor attends 'approved duty' events, i.e. in their capacity as a Member of the Council or by virtue of office, travelling arrangements are made by the Authority outside the provisions of travelling expenses. The basic Travelling Allowance Scheme, therefore, does not apply for the normal Mayoral duties.

#### 6A.4 Dependant Relative Care Expenses Scheme

The Council Scheme for payment of this allowance is detailed in Appendix D.

#### 6A.5 Other Information

The Council assists Members to carry out their duties in a number of ways, and these are listed below together with relevant information.

a) Bus Passes

For those Members who do not have their own transport and have to rely upon the bus service for transport to meetings, a bus pass will be made available which can be used by the Members without any time restrictions. Such passes are only valid, however, for use in relation to approved duties and are an alternative to a car park pass and season ticket.

b) Telephone Facilities

The Council will pay an initial connection charge for any Member with no telephone currently installed, such charge to be repaid by the Member over a maximum period of three years, or upon ceasing to be a Member.

In addition the Council will provide, if required, a telephone with a fax facility or alternatively suitable dictation equipment. This equipment is to be returned to the Council upon cessation of membership of the Council.

c) Secretarial Services

Secretarial facilities are available through arrangements with the Member & Committee Services Officer.

d) Car Park Passes and Season Tickets

An electronic fob for use to enter the very small car park at the rear of the Town Hall and season tickets are available for all Members of the Council for use only when on approved Council business. External hire of rooms for Councillor Surgeries are to be paid for by the Councillor and accounts should be sent directly to them. Rooms booked for Councillor Surgeries within the Council's buildings will be free of charge. Surgeries will be advertised on the Council's website as appropriate. Members should notify the Member & Committee Services Officer as soon as possible of any changes to be made.

k) IT Equipment

- Teams

Any IT equipment issued is the property of the Council and Members must not load any other software package onto it. Issues arising from loading non-standard software include:

- Potential corruption of standard configuration
- Potential for use of unlicensed or pirated software
- Potential to introduce viruses

Where a need arises that may require a change to the supplied software a request should be channelled through the IT Service Desk.

Problems arising because of loading unauthorised software are not covered under any support arrangement and loading unauthorised software is also considered a breach of the members Code of Conduct.

Any equipment lost or stolen should be reported to the IT Service Desk and/or the Police as soon as possible then an assessment must be made of the impact of any loss of restricted, sensitive or confidential information.

Microsoft Software and the Windows operating system is licensed to the Council and cannot be transferred. Any equipment issued must be returned to the IT Service Desk if you leave the Council.

10. The Council will pay an annual allowance instalment of one-twelfth of the amount specified in this Scheme to each Member towards telephone rental and call costs.

## GUIDANCE NOTE FOR MEMBERS RE: TAX ALLOWANCES

Members are entitled to claim various deductions in respect of expenses incurred other than those reimbursed by the Council in order to reduce their liability of tax.

### 1. Household Expenses

- a) Members are entitled to claim a deduction in relation to additional household costs which arise because of the Member's role as a Councillor. A flat rate deduction of £120 per annum (per household not per Member) may be claimed without maintaining any supporting information.
- b) If a Member wishes to claim a deduction of more than £120 he/she should maintain records of the specific costs incurred. The Inspector will consider soundly based calculations which include fair apportionments of general household expenses such as heating and lighting costs to reflect the additional cost only, arising from the use of the room(s) for Councillor duties.

### 2. Office Equipment

- a) The capital cost of equipment such as a desk or a filing cabinet purchased to enable the Member to perform the duties of a Councillor can be offset against tax. The Inland Revenue's Capital Allowances Scheme applies. This permits 25% of the written down cost of the item to be offset against tax each year.

For example, a desk costing £250 would be written down as follows:

	£
Year 1 Cost	250
Writing-down allowance (25% of £250)	<u>62</u>
Balance	188
Year 2 Cost	
Writing-down allowance (25% of £188)	<u>47</u>
Balance	141
Year 3 Cost	
Writing-down allowance (25% of £141)	<u>35</u>
Balance	106
Year 3 Cost	
Writing-down allowance (25% of £160)	<u>26</u>
Balance	80

- b) As a matter of administrative convenience, the Inspector is prepared to take a de-minimis view and to allow the full cost in Year I of all items costing less than £100.

### 3. **Secretarial Assistance**

A deduction may be claimed for payments for necessary secretarial assistance involving, for example, drafting replies to letters, typing and filing. Any amounts claimed should be reasonable in relation to the Councillor's allowances and to the assistance given. The amounts must actually have been paid to the assistant on a regular basis: the inspector may wish to see evidence of such payments.

### 4. **Travel**

In the case of a privately owned car used by a Councillor a standard mileage allowance of 50% of the rate paid by the Local Authority for approved duties may be claimed as a deduction. Such claims can be made for mileage which relates to Councillor duties other than those which are reimbursed by the Authority. Claims should not be made for mileage relating to Party political activities. Councillors will need to keep records of their mileage on non-approved duties which will attract this relief.

### 5. **“Back Claims”**

Members are entitled to make retrospective claims for any appropriate deductions not previously claimed. Claims may go back as far as six years. Interest is automatically added to such claims by the Inland Revenue.

### 6. **General Caveats**

Finally it is important to emphasise for clarity the circumstances in which no deduction can be given:

- a) where reimbursement has been or could be claimed from the Local Authority;
- b) where a Councillor could use services provided by the Local Authority, for example, postage, stationery, but incurs expenses because he or she chooses not to do so;
- c) where expenses are incurred for political purposes, for example electioneering;
- d) or an amount in excess of the total taxable allowances received in respect of the Councillor's duties;
- e) where a Councillor receives a non-taxable allowance (financial loss allowance).

Protocol for the Offices of Mayor  
and Deputy Mayor

# CONSTITUTION

Part 9

## **PART 9 – PROTOCOL FOR THE OFFICES OF THE MAYOR and DEPUTY MAYOR**

### **9A.1 INTRODUCTION**

The following extract is taken from ‘The Role of the Civic Mayor in the 21<sup>st</sup> Century

*“The Mayor, as First Citizen, has a unique, distinctive and increasingly important role to play in fostering socially inclusive and responsible communities.*

*Mayors are in a perfect position to communicate with all kinds of people - they can command the attention of their communities and, acting as a figurehead, enthuse and motivate people.”*

These procedures have been developed as part of the Council’s arrangements for managing the offices of the Mayor and Deputy Mayor of Nuneaton & Bedworth Borough Council. Non-compliance with these instructions may result in a breach of the Code of Conduct. Part 1 of the Member Code of Conduct requires the Mayor to:

*“Exercise independent judgement and not compromise my position by placing myself under obligations to outside individuals or organisations who might seek to influence the way I perform my duties as a councillor. This includes not accepting gifts or hospitality which could give rise to a perception of influence over the way I perform my duties.*

*Behave in accordance with all my legal obligations, alongside any requirements contained within the Council’s policies, protocols and procedures, including on the use of the Council’s resources.*

*Always treat people with respect, including the organisations and the public I engage with, fellow members and those I work alongside.*

*Provide leadership through behaving in accordance with these principles when championing the interests of the community with other organisations as well as within this Council.”*

This document contains details and information on Corporate, Civic, Ceremonial and other matters.

The year ahead will be challenging but, by adhering to these standing instructions, the year will be rewarding. These instructions also provide a framework for all of those people who support Mayoral activities during the year and in setting budgets.

**Note:** These procedures will be reviewed every two years to consider any changing needs and demands of the roles.

a) **Purpose**

The Mayor is the Queen's representative in the Borough after the Queen herself and the Lord Lieutenant. The Mayor is the ceremonial head of the Council and of the Borough. The Mayor acts as the Council's figurehead for the community and represents the Council on a number of outside bodies (as listed below). It is important that the aims and objectives of the Council's Corporate and Community Plans are reflected within those duties.

- Nuneaton Festival of Arts Committee

For his or her year of office the Mayor may wish to appoint a Mayor's Chaplain for Civic and ceremonial occasions and as such is encouraged to seek agreement from that individual at the earliest available opportunity.

It is a considerable honour to be Mayor - the post has a unique status in the Borough as its First Citizen. Although it is an honour, it also brings responsibilities. As First Citizen, the Mayor is expected to act at all times in an appropriate manner that commands respect. As Elected Members, the Mayor/Deputy Mayor shall, when on Civic duty, demonstrate neutrality in respect of politics and religious beliefs.

Given the Mayor's status as the First Citizen of the Borough, support is given both in officer and financial resources to adequately carry out the duties. However, it must be borne in mind that any expenditure comes from the public purse, which we are under an obligation to spend wisely and strictly in accordance with the duties of Mayor/Deputy Mayor.

b) **Mayoralty Support Framework**

The Mayor and Deputy Mayor are supported in all secretarial, administration and diary functions and the maintenance of the Mayor's Parlour and associated rooms by the Mayor's Office.

The Assistant Director – Economy is responsible for the planning and delivery of Civic Events.

## 9A.2 CORPORATE

### a) **Allowances/Expenses Paid Direct by the Council**

The Council may pay the Mayor and Deputy Mayor such allowance as the Council thinks reasonable to meet the expenses of these offices. The allowance is not a salary, nor payment to replace lost salary, but for the Mayor and Deputy Mayor to use in connection with their office. This allowance is, however, taxable.

The allowances are paid in monthly instalments by direct debit into the account holder's nominated account in 12 equal payments over the Civic year. The first instalment will be paid at the start of each Civic year.

The level of allowances and expenditure on Mayoralty are set in the annual budget process and budgets for individual events will also be agreed at the beginning of the Civic year and identified for the Mayor.

The Council pays the following expenses direct:

- i. **Mayor Making** - The Council will provide a light buffet, teas/coffees and soft drinks. In addition, a budget is allocated for the provision of wine and beer. All administrative costs are met including the provision of small table decorations and printing.
- ii. **Civic Service or Carol Service** – Subject to the budget being available from the Civic Events & Transport Budget, the printing, advertising and light refreshments (floral arrangements by agreement) will be met by the Council.
- iii. **Palace Garden Party** - An allowance to cover refreshments and incidental costs before and after the Garden Party for all of the the Mayor's party (maximum four, including the Mayor and Mayoress/Consort).
- iv. **Civic Dinner** – Subject to the budget being available from the Civic Events & Transport Budget, the Council will also meet the costs of one Civic Dinner. The cost of the food, drinks and venue shall not exceed the allocated event budget, but typically, the Civic Dinner hosts up to 46 guests.
- v. **Home** - An answer phone can be provided at home if required during the Mayoral Year.
- vi. **Civic Album** - A digital photo frame will be presented to the out-going Mayor in recognition of the hard work carried out by the Mayor over the year, and as a token of the Council's gratitude. The digital content will be compiled during the year by the Graphics Team in accordance with the budget set. Alternatively, the Mayor may request a digital photo book created and printed on-line, instead of the digital photo frame or a leather bound Civic photograph album, by personally contributing any additional cost if they so wish.
- vii. **Incidental Hospitality** - See Section 9A.2.

- viii. **Cleaning, Provision and Maintenance of the Civic Robes and Chains** - The Council will meet all the costs involved in the provision and maintenance of the Civic Robes and Chains. These are expensive items and should be treated with great care.
- ix. **Civic Christmas Cards** - The Council will send Christmas cards to all those on the Civic List which has been drawn up as attached in Appendix A, which will be reviewed on an annual basis. The selection of the image/artwork for the card is made by the Mayor. The budget for the costs of the Civic Christmas Cards will be allocated each financial year.

In addition, the Council has provided a budget of £5,000 to be used for the provision of a chauffeur driven hire car for the events as indicated in section 9A.3 a) under the heading Civic Events & Transport Subject to attendance at those events, the balance of the budget may be expended upon other Civic Transport & Events such as the Civic Dinner and/or Civic Service at the Mayor's discretion, subject to the budgetary limits. The arrangements for transport shall be agreed in advance as part of the weekly diary meeting referred to in d) iv below.

The Mayor may request additional copies of the Civic Christmas Card, for sending to people not on the Civic List. However additional print and postage costs shall be met by the Mayor out of personal allowances. The Mayor should liaise with the Communications & Marketing Manager to arrange for additional cards.

If there are enquiries about the allowances or expenses payable, please contact the Committee Services & Member Support Officer or the Assistant Director – Democracy & Governance.

b) **Expenses Paid Privately by the Mayor**

The following expenses are not paid for by the Council:

- i. **Personal Photographs** - The Council pays for the official Civic photographs of the Mayor and of the Council, but the Mayor will be expected to pay for any extra prints required for private use.
- ii. **Wines and Spirits for the Mayor's Private Stock** - The Mayor has the facility of a lockable cupboard, refrigerator and kettle located in the Mayor's dressing room at the Town Hall, and a cupboard/refrigerator in the Mayor's room at the Civic Hall. The purchase and issue of stock is for the Mayor to arrange.
- iii. **Private and Social Luncheons** and any drinks provided to Members after Council or other meetings.
- iv. **Refreshments for Private Receptions** either in the Mayor's Parlour or in the Mayor's Room at the Civic Hall in Bedworth.
- v. **Tickets for Other Events** organised by outside bodies, other Councils, and individuals including neighbouring Civic Heads.

- vi. **The Purchase of Raffle Tickets** and the provision of prizes at events to which the Mayor is invited to attend or support.

**The Mayor should budget for the above out of his or her Allowance.**

c) **Hospitality**

It is appropriate for the Council, from time to time, to provide modest hospitality for its guests. These will sometimes, but not always, involve the Mayor or Deputy Mayor. This is quite distinct from any Mayor's personal hospitality. The following points are important:

- i. **Public Scrutiny** - Any hospitality provided from public funds should always stand up to public scrutiny.
- ii. **Certification** - Any expenditure on Civic hospitality is certified by the appropriate budget holder or their nominated representative. It is always wise to bear this in mind and consult with them in advance on any proposed use of hospitality over and above those listed below.
- iii. **Hospitality** - The Mayor shall not dispense hospitality gratuitously or without careful consideration. There are many routine visits to the Parlour and in these cases modest hospitality may be provided comprising of:
  1. Daytime Visits (up to 6.00pm): tea, coffee or soft drinks.
  2. Evening Visits (from 6.00pm): red/white wine, lager/beer or soft drinks.
  3. It is custom and practice for the Mayor to give visitors to the Parlour the opportunity to sign the Visitor's Book.
  4. Duration of Parlour Visits should not extend beyond two hours and can be arranged Monday-Friday inclusively. Formal Parlour visits will not be held on Saturdays or Sundays, the only exceptions being Remembrance Sunday and Freedom of the Borough Parades. Other circumstances may arise and will be addressed on an individual basis.

**Notes:**

- Fire regulations mandate that the Parlour is not suitable to accommodate more than 40 occupants including the Mayor and Mayoress/Consort at any time.
- Formal Parlour Visits shall be arranged through the Mayor's Office. All applications for a Parlour visit or for the attendance of the Mayor should be received in writing a minimum of 14 working days prior to the proposed date.
- It should be noted that the Council's Health and Safety Policies are continually reviewed and that Policy changes may impact on the arrangements described within this document. In such circumstances, the approved health and safety arrangements have primacy and take precedence over any arrangements described in this document.

iv. **Private Arrangements**

Entertaining relatives, personal friends, or political associates are essentially private arrangements for the Mayor, and Council stocks shall not be provided for such purposes.

d) **Support Services**

i. **Administration/Secretarial Support** - The Mayor's Office is responsible for all secretarial matters arising from the offices of the Mayor/Deputy Mayor and as such, the Mayor/Deputy Mayor shall deal directly with it on all matters relating to engagements, correspondence and diary bookings etc.

ii. **Verbal Invitations** - The Mayor/Deputy Mayor shall not, under any circumstances, accept verbal invitations. Verbal requests should be referred to the Mayor's Attendant who shall furnish the applicant with an invitation request/briefing form for completion. All invitations for the Mayor/Deputy Mayor's attendance at events must be made in writing to the Mayor's Office. The Mayor/Deputy Mayor shall not approach organisations or individuals directly - once again, this should be done only through the Mayor's Office.

iii. **Personal Commitments:** The Mayor/Deputy Mayor shall notify the Mayor's Office of any work and/or personal commitments which may affect attendance at any Civic events. This includes any annual holiday that is planned during the Civic year.

iv. **Diary Meetings:** All invitations and correspondence received in writing will be discussed with the Mayor at the formal weekly diary meetings scheduled to occur at an agreed time and day each week.

**Note:** At the close of each diary meeting, the Mayor will agree and commit to the day and time of the following week's meeting.

v. **Engagement Sheets** - To ensure efficient support to the Mayor/Deputy Mayor and to invite effective media interest, the Engagement sheets are issued to the Mayor/Deputy Mayor and the media on a weekly basis.

The Mayor's Office will be responsible for preparing the agreed two week engagement schedule indicating any special requirements (e.g. dress code or speeches which the Mayor/Deputy Mayor may be asked to make).

The schedule will be issued on a weekly basis confirming the arrangements for the coming week and include a draft for the following week (i.e. in two weeks time) full copies of which are provided to both the Mayor and Deputy Mayor.

Apart from genuine emergencies and extenuating circumstances, it is understood and accepted that extra events will not be added to the coming week's schedule.

It is understood and accepted that once the Mayor or Deputy Mayor has agreed to attend a Civic function and their personal attendance has been confirmed formally in writing by the Mayor's Office, this engagement will be honoured. It is however accepted that occasionally extenuating circumstances may prevail.

- vi. **Appropriate Events** - In deciding whether to accept invitations, the Mayor shall always consider whether it is an appropriate event for the First Citizen of the Borough to attend.

**Notes:**

- The Mayor shall not decline any event on the grounds of personal political persuasion or any discriminatory grounds identified in the Council's Single Equalities Scheme.
- The Mayor should not attend in an official capacity any function, the purpose of which may be perceived as securing publicity or financial gain for any commercial venture. This could amount to the Mayor, as a Member, using his or her position to confer an advantage on another. Where there is an event involving a commercial enterprise that is considered significant, the Mayor shall attend, but appropriate restrictions on publicity will have to be agreed with the event organisers.

Subject to having the appropriate budget, the Mayor can accept any out of Borough invitations from:

- Lord-Lieutenant of Warwickshire
- High Sheriff of Warwickshire
- Chairman of Warwickshire County Council
- Chairman of Warwick District Council
- Chairman of Stratford on Avon District Council
- Lord Mayor of Coventry
- Mayor of Solihull
- Mayor of North Warwickshire
- Mayor of Rugby
- Mayor of Hinckley & Bosworth
- Warwick University
- Coventry University

The Mayor (or Mayor's representative) is also able to accept a number of invitations, within the parameters of the designated budget, to attend Charity fundraising events organised by the above Civic Heads though any expenses in the form of tickets, raffle prizes, etc, will be paid for from the Mayor's Personal Allowance.

The Mayor may also accept other appropriate within Borough invitations within the parameters of the Mayoralty budget, from organisations and individuals such as:-

- Local MP's
- Commanding Officer of 30th Signal Regiment
- North Warwickshire & Hinckley College
- King Edward VI College
- Educational, Youth and Community Organisations and establishments
- Religious and multicultural organisations

All invitations shall be discussed and agreed at the weekly diary meetings.

vii. **Routine Support:** There are well established procedures and practices by which the Mayor's Office will routinely deal with matters on behalf of the Mayor, and Deputy Mayor in particular:

1. **Incoming** post and Civic Inbox - acknowledged on the Mayor's and Deputy Mayor's behalf.
2. **Civic Diary** – Maintenance.
3. **Liaison** - Regular liaison with the Mayor, Deputy Mayor, Mace Bearer and Civic Events Team.
4. **Protocol** - Guidance to the Mayor and Deputy Mayor on any relevant matters.
5. **Speeches** - Background information for key note speeches, if requested by the Mayor, or Deputy Mayor, can be provided for the following:
  - George Eliot Fellowship Luncheon
  - Nuneaton Lions' Charter Dinner
  - Rotary Club of Arbury
  - Inner Wheel Luncheon.

**Advice on other speeches can be obtained upon request.**

viii. **Mail Protocol** - Neither the Mayor's nor Deputy Mayor's incoming nor outgoing mail will be seen by the Chief Executive. S/he shall need to be informed of any issues which the Mayor, Deputy Mayor, and/or the Mayor's Office and Civic Events Team feel should be brought to his/her particular attention. The Mayor will see all incoming/outgoing correspondence or can agree a level of delegation to the Mayor's Office.

e) **Council Meetings**

It is usual for the Chief Executive to meet with the Mayor prior to each Council meeting, to discuss agenda matters.

It is customary for the Mayor, Deputy Mayor, Leader, Chief Executive, Assistant Director – Democracy & Governance and Chaplain (if appointed) to have tea in the Mayor’s Parlour at about 5.00pm prior to the Council meeting.

Procedure and conduct of meetings are set out in the Council’s Standing Orders. The Chief Executive and/or Assistant Director – Democracy & Governance Regulation will be available to advise.

f) **Working with the Media**

Local newspapers and radio will take a close interest in the Mayor’s activities and engagements. The media will have good access to the Mayor and Deputy Mayor and may look for instant comments on Council policies or services, or on local/national/world events.

The Mayor or Deputy Mayor should avoid giving opinions on these matters and, if they wish to do so, they *shall obtain the agreement of the relevant Cabinet Member beforehand*.

The Council has adopted procedures for dealing with the media and these should be followed. The Communications & Marketing Manager will be able to advise on any media issues.

**Note:**

Prior to their issue, all press releases issued on behalf of the Mayor must be cleared by the Chief Executive. All press releases are issued via the Communications & Marketing Manager.

## 9A.3 CIVIC

### a) **Civic Events & Transport**

Arrangements will be made to provide a Chauffeur-driven hire car for the specific events shown with an \* in Appendix B for which a budget of £5,000 has been set aside. At the weekly diary meetings, the Mayor may also request the use of a chauffeur-driven hire car for other events, subject to the budget being available. Once the budget has been expended, the Mayor will have to make his own arrangements for travelling to any other events utilising his Mayoral Allowance whether or not the event is listed in the mayoral protocol. At his discretion, the mayor can request that the budget be allocated towards a Civic Service and/or Civic Dinner, subject to the budgetary limits not being exceeded.

### b) **Mayor's Parlour**

The Mayor and Deputy Mayor will be informed, orally, of security arrangements to be observed in regard to the use of the Parlour.

**Note:** Fire regulations mandate that the Parlour is not suitable to accommodate more than 40 occupants at any time.

The Parlour is generally not used without the express permission of the Mayor. However, permission is not needed when, for example, the Deputy Mayor is substituting for the Mayor. In these cases, he or she is properly acting as host and is free to use the facilities of the Parlour.

Similarly, when there are visitors to the Council and it is considered appropriate for those visitors to sign the Visitors' Book located in the Parlour, the Assistant Director – Democracy & Governance shall have authority to arrange for the signing to take place in the presence of the most appropriate Member of the Council available at that time. The Mayor's Office staff may enter the Parlour to prepare it for such purposes.

The Silver Collection is notated and fully described, and a copy will be made available to assist the Mayor/Deputy Mayor in his/her delivery of "The Silver Talk". Should the Mayor/Deputy Mayor require any additional information on any of the items displayed in the Parlour, the Assistant Director – Democracy & Governance will be happy to arrange for the Mayor/Deputy Mayor to be briefed.

The Council operates a No Smoking Policy in all Council buildings and vehicles. This extends to the Mayor's Parlour at the Town Hall, in Nuneaton, the Mayor's Room at the Civic Hall in Bedworth and in the Civic Car.

### c) **The Civic Hall**

Facilities for the Mayor are available at the Civic Hall which comprises of a Mayor's Room and private balcony box. The Mayor may extend Civic hospitality to principal persons involved when events are promoted or sponsored by the Borough Council, by prior arrangement with the Chief

Executive. The Mayor should not extend these facilities merely because of his or her attendance at functions at the Civic Hall, but may wish to offer personal hospitality out of his or her own stock.

The Box at the Civic Hall is usually available to the Mayor and/or Deputy Mayor when attending in an official capacity, i.e. the private balcony box shall not be used for informal events/entertainment. Its prime purpose is for use by the Mayor and/or Deputy Mayor and their invited guests when either the Council promotes an event, or is directly involved in the event.

Invited guests shall not use the private balcony box without the Mayor and/or Deputy Mayor in attendance. The only exception being the Mayor and/or Deputy Mayor's inability to attend due to unforeseen circumstances and at short notice.

The Civic Hall management will be pleased to make arrangements for artists, etc. to meet the Mayor and/or Deputy Mayor on request.

d) **Events in the Civic Calendar** (See Appendix B)

i) **Annual Meeting of the Borough Council and Mayor Making Ceremony**

The Mayor robes for this Ceremony.

The retiring Mayor invites selected guests, i.e.

- Mayor and Mayoress/Consort Elect
- Deputy Mayor and Deputy Mayoress/Consort Elect
- Mayor's Chaplain and Partner (if appointed)
- Mayor Elect's Chaplain and Partner (if appointed)
- Chief Executive and Partner into the Mayor's Parlour for tea and biscuits at 5.00p.m, prior to the Annual Council Meeting of the Borough Council and Mayor Making Ceremony.

The Annual Meeting commences at 6.00p.m.

The Mayor Elect may invite his or her own personal guests to the Annual Meeting; these should not exceed 30.

After the Annual Meeting, it is customary for the new Mayor to invite a small number of personal guests for a modest buffet in the Parlour.

**Note:** Fire regulations mandate that the Parlour is not suitable to accommodate more than 40 occupants at any time. For this purpose, the Mayor's additional guests should remain with other guests in Committee Rooms A and B.

e) **Civic Service or Civic Carol Service**

During the Civic Year the Mayor may choose to host either a Civic Service or a Civic Carol Service, which should be held between December and April.

The Mayor robes for the Service.

If there is to be a procession, Members of the Council and members of organisations participating will be given written instructions and an Order of Procession.

Following the Service the congregation will be invited to join the Mayor and Mayoress/Consort for tea, coffee, soft drinks and biscuits or mince pies as appropriate.

f) **Civic Dinner**

The Civic Dinner is a formal occasion. The venue for the Civic Dinner shall be at a suitable location within the Borough and funded from within the Civic Events & Transport Budget. Past venues have included Weston Hall and the North Warwickshire & Hinckley College.

g) **Remembrance Day Parades and Services**

The Nuneaton Remembrance Service is organised by the Nuneaton Remembrance Parade Group and Council Officers are members of that group.

The Mayor robes for this Service.

The Mayor and Clergy will meet in the Town Hall, Nuneaton, to robe. Members, Officers of the Council and invited guests will join the Mayor at the Town Hall to walk in procession to the War Memorial.

After the Service, there will be a March Past and the Mayor will take the Salute outside the Town Hall.

Invited guests (to whom tickets will be issued) may join the Mayor for refreshments after the March Past, comprising of tea, coffee, soft drinks and savoury snacks.

The Deputy Mayor attends the Bedworth Remembrance Service, which is organised by the Bedworth Branch of the Royal British Legion.

The Deputy Leader will be the nominated representative to attend the Bulkington Remembrance Service, which is organised by the Bulkington Branch of the Royal British Legion. Ward Members can attend other such services within their Wards as representatives of the Council.

h) **Armistice Day Parade and Service**

This Service is organised by the Bedworth Armistice Day Committee and is supported by the Council.

The Mayor robes for the Service.

Invited guests (to whom tickets will be issued) will congregate at the Civic Hall and will join the procession to the Cemetery.

Following the Service, there will be a March Past and the Mayor will take the Salute.

Invited guests (to whom tickets will be issued) may join the Mayor for tea/coffee/soft drinks after the March Past. The Bedworth Armistice Day Committee may host a buffet lunch after the Parade to which a selected number of guests may be invited, but this should not be assumed.

i) **Special Events and Promotions**

The Mayor is expected to take part in the Carnival Processions/Gala Day Celebrations for Nuneaton, Bedworth and Bulkington.

The Mayor is also expected to be present at the Christmas Lights Switch-ons at Nuneaton, Bedworth and Bulkington.

Other events (which may or may not take place) at which the Mayor is asked to be present include:

1. Civic Bonfires (The Mayor and Deputy shall alternate their attendance annually to the Nuneaton and Bedworth bonfires). For the Civic Year May 2015/16, the Mayor shall attend the Nuneaton bonfire and the Deputy Mayor the Bedworth bonfire)
  - Duke of Edinburgh Awards Presentation Evenings
  - Services to the Community Awards
  - Nuneaton Festival of Arts
  - Sports Personality of the Year Awards
  - Long Service Awards, Celebrate Success and Chief Executive Awards
  - Nuneaton Carnival Queen Selection Evening (Deputy Mayor).

Where the Council is made aware of a Borough resident reaching the age of 100 (or over), and the Mayor or Deputy Mayor receives an invitation to visit, an appropriate card and small gift will be organised by the Committee Services Office.

From time to time, the Mayor or Deputy Mayor may be asked to attend promotional events within the Borough linked to the activities delivered by the Council. Such requests shall be made through the Mayor's Office.

The Mayor may on occasion be asked to unveil corporate and commemorative plaques, but this should only take place with the agreement of the Assistant Director – Democracy & Governance.

Appropriate risk assessments will be carried out to ensure that procedures are all in place to ensure the safety of the Mayor and Deputy Mayor at events/activities. This will include identifying any events at which a Council Officer or appointed person should accompany the Mayor during the event, e.g. Christmas Lights Switch-on.

## 9A.4 Ceremonial

### a) **The Mace Bearer**

The Mace Bearer bears the Council's Ceremonial Mace at meetings of the Full Council and other such special Civic events as those detailed below:

- All Full Council Meetings and Extraordinary Council Meetings.
- Annual Meeting of the Borough Council and Mayor Making Ceremony.
- Launch of the Poppy Appeal.
- Remembrance Sunday Service and Parade.
- Civic Service.
- Freedom of the Borough Parades.

Other dates may be added with the agreement of the Assistant Director – Democracy & Governance.

Where appropriate on such occasions, he or she will also announce the Mayor or Deputy Mayor.

### b) **Attendance at Functions**

Procedures in relation to invitations and acceptance by the Mayor are well established and dealt with, in writing, by the Mayor's Office. The Assistant Director – Democracy & Governance can give advice on any point not covered.

#### **Note:**

- If the Mayor cannot accept an invitation, and it is considered that the occasion necessitates a Civic presence, then the engagement may be offered to the Deputy Mayor. If the Deputy Mayor is also unavailable, the Leader or appropriate Portfolio Holder may stand in.

The Mayor will receive a variety of invitations during the Civic year. The main consideration is whether the Mayor's attendance at a particular event contributes to the Council's Corporate Plan Themes and priorities.

The following invitations have been identified and are ranked in priority order:

- **Council/Statutory or Tradition** - Chairing Council Meetings, attending Remembrance Services and Parades. These events are largely covered in the Protocol.
- **Civic Events** – Civic Dinner; Civic Service.
- **Promotional Events** - Council initiatives, projects and activities.

- **Community Events** - Community organised functions such as local amateur dramatics, faith groups, sports clubs, residents' groups, etc.
- **Charities** - Local fund raising activities.
- **AGMs or Open Days** - By invitation and suitability from partner organisations, local charities and community groups.
- **Civic Circuit** - Visiting other Civic Services, Dinners and Civic Days.
- **Other Social/Social Clubs/Organised Parties** - If appropriate.

Once an engagement has been accepted, the Mayor's Office will send out a pro-forma to the organisers to establish key information regarding the event.

The Mayor is sometimes called upon to give brief impromptu speeches at functions without warning. In these cases, a long speech is not necessary, just a few words to express genuine feelings about the event and demonstrate care for those present.

Prior to an event, the Mayor shall not make contact with the host to elicit any additional hospitality or benefits in kind. On an official occasion to which the Mayor has been invited, the Mayor shall not ask for an extension of the hospitality being provided.

At functions, it is usual and preferable that the Mayor should leave ahead of the last guests. However, it is not protocol for the Mayor to leave a Dinner except by arrangement, before the Toast to the Guests has been proposed and responded to.

If the Mayor is in any doubt as to protocol, advice is available prior to an engagement from the Assistant Director – Democracy & Governance.

The Mayor will be accorded precedence at all official functions called or hosted by him or her or the Council, which are held within the Borough. When other Civic dignitaries such as fellow Mayors or Chairs of the County Council, and particularly the Lord-Lieutenant and High Sheriff are present, guidance will be given on the correct procedures.

Guidance will be provided on the appropriate use of gifts from the Civic Stock for corporate functions, though gifts are the exception rather than the rule.

The Deputy Mayor, when representing the Mayor, is accorded the same precedence. There may be occasions when the Deputy Mayor is not available but it is appropriate for the Mayor to send a representative. Such occasions should be discussed with the Assistant Director – Democracy & Governance. Where it is agreed that it is appropriate to send a representative, the Leader must select that representative from serving Members of the Cabinet.

The Mayor and Deputy Mayor should avoid where possible being away on holiday at the same time. The Committee Services Office must be advised of all intended holiday dates so this situation can be avoided.

The Mayor or Deputy Mayor may be presented with gifts during their Civic Year. If the value is under £20.00, these can be retained for personal use. For a gift of higher value, the Mayor or Deputy Mayor should inform the Member & Committee Services Officer, who maintain a record of all gifts received. If the gift is of such a value that it should be retained or possibly displayed in the Mayor's Parlour the gift should, once registered, be handed to the Mayor's Office.

If the gift is of a nature that it could be used for the Mayor's Appeal then this can be done (the appropriateness of this will need to be considered especially the likely feelings of those who presented the gift/s).

c) **Robes and Mayoral Chains**

The Robes will be worn at the Annual Meeting of the Borough Council and Mayor Making Ceremony and on other specific occasions when appropriate.

The Council retains two Chains of Office:

- The Ceremonial Chain.
- The Civic Chain (known as "the Bedworth Chains").

The **Ceremonial Chain** is worn on the following occasions:

- Annual Meeting of the Borough Council and Mayor Making Ceremony.
- All Full Council Meetings and Extraordinary Council Meetings.
- Civic Service or Civic Carol Service.
- Launch of the Poppy Appeal.
- Remembrance Day Parade and Service.
- Freedom of the Borough Parades and Services.
- Civic Funerals.

The **Civic Chain** is worn on all other Civic occasions.

**Note:** The Chain not being worn will be locked in its specially commissioned case and locked out of sight in the designated cupboard.

The Chains cannot be worn outside the Borough without prior consent of the Mayor or the Chairman of the District or Borough concerned.

The Mayor will be responsible for custody of the Chains both before and after engagements.

When the Chains are not being worn, they should be locked within the specially designed case in order to avoid damage in transit.

When not in use, the Chains shall be kept in their secure location. The Chains shall not at any time be held overnight at another location.

Guidance on the care and maintenance of the Chains is provided by Thomas Fattorini Ltd, Birmingham. See Appendix D.

d) **Town Twinning**

All matters relating to Twinning arrangements are dealt with by the Portfolio Holder for Business & Regeneration and/or the Cabinet, in conjunction with the Mayor.

It should be noted that the difference in the powers of respective Mayors in France, Spain and Germany from those in this country is known and respected. So, whilst the focus on the Mayor is maintained in events as the host, figurehead or leading citizen, it is the political leadership rather than the Mayor who shall address policy and political matters.

9A.5 **Other**

a) **Mayor's Charity Appeal**

It is traditional for an incoming Mayor to nominate a Charity Appeal during their Year of Office. This is entirely voluntary and unrelated to the normal duties of being Mayor.

It is the Mayor's responsibility to establish a Fundraising Committee and appoint a Chair, Secretary and Treasurer. The Treasurer will be responsible for opening a bank or building society account into which all monies raised should be deposited. It is the Treasurer's responsibility to pay in all monies and keep accurate records of all monies raised. Guidance notes on setting up the Mayor's Charity Appeal are attached as Appendix E.

As it is not directly related to the duties of Mayor, the Council offers limited support to the Mayor's Appeal. The Council's support comprises of the costs and organisation of the Launch of the Mayor's Appeal, traditionally the day after the Annual Meeting of the Borough Council and Mayor Making Ceremony.

**Notes:**

Employee contributions in terms of time given to the Mayor's Appeal are given on an entirely voluntary basis and at no cost to the Council.

b) **Honouring Servicemen and Women of the Borough and other Dignitaries**

Sadly, in times of conflict there is a possibility that servicemen and women from the Borough will lose their lives in defence of our Country. Protocol for these circumstances are attached as Appendix F and Appendix G.

c) **Outside Bodies**

The Mayor, by virtue of the Office, may be asked to represent the Council on some community or charity organisations. This may include being asked to be President or Vice President for the Mayoral year.

It is preferable for the Mayor to accept such offices only of organisations where activities relate to the whole area of the Borough. Furthermore, it is advised that a Vice-Presidency should only be accepted where such Office is not inconsistent with the Mayor's standing in the Borough. The Assistant Director – Democracy & Governance will be happy to give advice prior to accepting an Office.

d) **Formalities**

It is, of course, important for the Mayor and Deputy Mayor to recognise the formal nature, dignity and responsibilities of that Office.

In the company of others, employees will be expected to be formal, in address and manner. 'Mr/Madam Mayor', 'Madam Mayoress/Consort' will be the normal form of address, or alternatively Sir or Madam.

Finally, remember that the Assistant Director – Democracy & Governance and his officers are there to help in any way they can. A list of Officers and their roles is attached as Appendix G. It is a considerable honour to be elected Mayor and Deputy Mayor, and these honours are to be enjoyed.

## PREPARATION FOR WEARING REGALIA

### ‘Getting Dressed’

Please use the gloves provided whenever handling the regalia as oils and residue on skin, even after washing, can cause a chemical reaction with the gold plate and the sterling silver link underneath. The effects of this reaction are very slow and difficult to detect until it is too late. Therefore the less the regalia is handled with ‘naked’ hands the longer it will look pristine.

- a) We recommend that an Assistant is always provided to aid the Official Wearer when putting on the regalia. Attempting to do this alone often results in accidental damage.
- b) Always remove the Chain from its case by holding it at either side (where the shoulder fittings are located) to protect the Official Wearer from swaying hooks or pins. This is the easiest way to put the Chain in the correct position for ‘dressing’.
- c) The Chain should be put on first, from the back and over the head, with the centre link (the one that holds the pendant) towards the front – centre.
- d) The Pendant should then be attached. The Official Wearer should take the majority of the pendant’s weight to enable the Assistant to easily observe where any retaining chain needs to be attached.
- e) Attach the retaining Chain behind the neck (approximately over the collar bone, i.e. forward from the shoulder seam on the jacket between 1 and 2 inches) to ensure the retaining Chain takes the weight of the Pendant. Finally, arrange the jacket collar so that it covers the retaining chain.

### After the Event and Storage Care

- a) When removing the regalia, detach the Pendant first. The retaining chain should then be disconnected before finally removing the official wearer’s Chain (from behind to protect them from being injured by the shoulder hooks or pins).
- b) It is important that the retainer is completely removed from the Chain after each occasion, as the position for fastening the retaining chain will change slightly each time, depending upon the official wearer’s clothing.
- c) Wherever possible we suggested that you store the retaining chain in a separate bag within the case. This will help to prevent any damage to enamelled areas.

## GUIDANCE NOTES ON SETTING UP MAYOR'S CHARITY APPEAL

### Background

It has been traditional for the incoming Mayor to nominate a Charity Appeal during the Year of Office.

There is no requirement to do this and it is not related to the official duties of a Mayor. It is, therefore, a choice for each Mayor to make. As it is not related to the official duties of the Mayor, public funds cannot be used to support the Appeal, either through employee or financial resources, except in a limited way, for example, helping with the launch and receipt of money which is handed direct to the Mayor rather than collected by the Organising Committee.

As it is the Mayor's sole decision on whether to have an Appeal, it needs very serious consideration at an early stage - preferably as soon as becoming Deputy Mayor.

### Important Principles

As the Appeal will be directly associated with the Mayor, as First Citizen of the Borough, it is vital that:-

- a) It is an appropriate charity which is supported. A local connection is always useful, e.g. Hospice, although national charities which would cover the needs of the Borough would also be appropriate, e.g. Guide Dogs for the Blind.
- b) There is an accountable fund raising group which reports to the Mayor and is independent of the Council. In the case of a national charity and some local charities, there may already be a properly constituted body who have audited financial arrangements. It may be possible for a volunteer group to act for the charity but all accounting and banking arrangements must be agreed with the charity.
- c) If the Mayor chooses a charity which does not have an existing accountable body, then one would have to be formed. The Mayor shall consider who would comprise the constituted body, how it could be formed, the financial arrangements, and ensure that all financial transactions are properly audited. The Mayor is advised to get separate, independent legal advice on this course of action.
- d) The fund raising body has the capacity and expertise to undertake the Appeal. For some small organisations this could be a daunting task. An alternative is to look for an organisation to carry out the Appeal on behalf of the specific nominated charity, e.g. Lions or Round Table.
- e) There may be initial set-up costs, e.g. to launch the Appeal or draw up a Constitution. An existing charity or organisation may be prepared to underwrite the set-up costs, the Council will help with the launch day.
- f) The Mayor and Fund Raising Committee need to give very careful consideration to setting a target - this puts additional pressure on the Mayor and Organising Committee, especially as the Press is likely to take an active interest.
- g) Care should also be taken in nominating a particular use for any money raised unless a full feasibility study has been undertaken. This is particularly the case of building projects, where costs may be difficult to predict and planning permission

and/or building regulations may be required. Consideration also needs to be given to whether a particular use will give rise to subsequent maintenance or running costs and that these can be sustained in the long term.

- h) If the Mayor does choose to nominate more than one charity, there must be an agreement between the charities and the Mayor that all functions are run for the benefit of all the charities, and they have equal share of time and resources. This should be decided prior to the launch of the Appeal.
- i) In organising a fund raising event, the risk of the income not covering costs must be carefully considered, and any costs incurred must be open to public scrutiny. Any losses will have to be borne by the fund raising group.

### **Detailed Financial Arrangements**

- a) Whether it is an established charity or a special fund raising body, it should set up a separate bank account for the Mayor's Appeal so that it can be audited separately at the end of the year.
- b) A Treasurer and Deputy Treasurer shall be nominated from the fund raising group if an existing charity organisation is not being used, who shall be responsible for maintaining account details - i.e. income and outgoings. The Bank will give advice on setting up a bank account. Accountants should be appointed at the beginning of the Appeal. Early advice from the accountants on the financial arrangements for the Appeal should be sought.
- c) As with other charities and organisations, it is a normal banking requirement to have two from four signatories for the signing of cheques.
- d) Two persons should count all cash income, a receipt for the amount counted should be returned to the event organiser, and a copy retained for audit purposes. Arrangements for banking of the cash should consider the security of the person taking the money to the bank - in cases of large sums of money, it might be advisable that two people go.
- e) The Mayor should be sent a monthly bank statement. The Mayor should also inspect the account records on a monthly basis.
- f) At the end of the Mayor's year, the accounts should be audited by independent (or charity) accountants and on completion of the audit the account should be closed and all remaining money sent to the nominated charity or charities.
- g) The costs of the audit are to be borne by the Mayor's Charity account. A copy of the final statement and the audited accounts should be sent to the Mayor and Audit & Governance Manager.
- h) If the Mayor is concerned with any aspect of the bank statement or accounts, he or she should ask the Treasurer to investigate, who will then advise the Mayor on appropriate action. If the Treasurer has any concerns or questions, these will be addressed direct to the Mayor.
- i) Any cheques directly received by the Mayor should be given to the Treasurer. Any cheques received by Council officers will first be receipted and shown to the Mayor and then given to the Treasurer with the receipt.
- j) Any cash received directly by the Mayor should be put in a sealed envelope or bag and handed to the Committee & Member Support Services Office at the first opportunity. The Committee & Member Support Services Office will arrange for the

money to be counted in accordance with the Council's cash handling procedures and given to the Mayor at the first opportunity. The Mayor will sign for the monies given. The Mayor shall then pass the monies to the Treasurer.

- k) No Council officer shall have any role in the financial arrangements of the charity above and beyond those activities described in this appendix.
- l) The Mayor and/or Organising Committee may wish to consider insurance cover against theft or loss before money is banked. All money received should be handled by nominated officers of the fund raising group or charity.

### **Other Aspects**

- a) The Mayor can seek the advice of the Assistant Director who is authorised to provide advice and assistance on the appropriateness of nominating a particular Charity.
- b) Employees may be prepared to give their time voluntarily to the charity but this must not affect their work commitments, and it should not be prejudicial to their job duties. No officer should use the Council's resources on Appeal work and this should not be expected of any officer.
- c) If any officer is prepared to help the Charity in their own time, they will not be acting in any capacity on behalf of the Council.
- d) If the Mayor is not happy with the arrangements put in place and feels they may reflect on his/her status as First Citizen and Chair of the Council, he/she should alert the Assistant Director immediately.

## APPENDIX E

### **SERVICEMEN AND WOMEN OF THE BOROUGH WHO HAVE LOST THEIR LIVES IN DEFENCE OF OUR COUNTRY**

Sadly, in times of conflict there is a possibility that servicemen and women from our Borough will lose their lives in the defence of our country. In these circumstances the protocol to be adopted is as follows:

b) **Family Correspondence**

As first citizen of the Borough, it is appropriate for the Mayor (or in the Mayor's absence the Deputy Mayor) to write to the bereaved family to express their condolences on behalf of the Borough for their loss. It is not thought appropriate that the family should receive additional formal letters from either officers of the Council or from Members.

c) **Books of Condolence**

A Book of Condolence shall be opened for the public at Nuneaton Town Hall and Bedworth Civic Hall. These shall remain open for a period of six weeks, after which time arrangements will be made for the Books to be received by the family.
