		<p>Consultation with Brent Davis</p> <p>The facility is in Nuneaton Town Centre. The Council is in very early discussions with Warwick (CAVA) Community and Voluntary Action, who will hopefully run services from this building.</p> <p>There is a Dance School, Gurkha Support Group and a Stroke Support Group these groups would stay in residence if Warwick CAVA took the building on. Council would be looking at a long term lease.</p> <p>It would be better if this building was used as a community engagement facility.</p> <p>Would like to see more physical activity type activities taking place in the building.</p> <p>There is an ambition to redevelop the part of the town centre where the current building is if this was to occur then the Council would be looking for a new building providing multi-functional community services and activities.</p>
<p>Nuneaton Physical Activity Centre</p>	<p>nuneatonhealthandactivitycentre@hotmail.com – Durinder Baden</p>	<p><u>Unable to contact. Emailed NBBC for new contact details.</u></p>

Space for junior pitch but not developed. Large multi use hall, 2 meeting rooms - currently started and developing walking and blind football. Dance academy, Caribbean group use for exercise class, children’s groups, and commercial boot camp.</p> <p>The community centre is home to the Bermuda Sports and Social Club - Bermuda Phoenix Football club, Athletic Sparta, Crown FC & Nuneaton Griff Junior Football Club. Since December 2014 Rise Dance Academy & ACES Cheerleaders joined the facility. The lower bowls green is the home of the resident Bowling Club, The Phoenix Foxes. <p>Bounce Cricket Centre BOUNCE, Hemdale Industrial Estate, Nuneaton, CV11 6GY</p>	<p>Heath Parnell heath@konig-uk.co.uk 024 7635 0284</p>	<p><u>Tele conversation – 10.09.15</u> Bounce has charitable status and is operated by trustees. This is a dedicated cricket facility, which is used by clubs for winter nets, booked by coaches to deliver sessions and hosts an indoor cricket league.</p> <p>Catchment covers the local area and as wide as Redditch, Birmingham and Leicester. The facility is open year round; October –March midweek evenings, weekends all day, April-Sept Sun am and Monday evenings. The facility does not open longer as Trustees all have other employment or businesses.</p> <p>There is no school usage, Hinckley College has booked nets in the past. Bounce considers that cost is an issue for schools.</p> <p>No other sports take place at the facility, although it would lend itself to other sports such as football, netball. However, there would be a likely clash with demand for cricket in the winter months.</p> <p>There are issues of sustainability. The facility requires new equipment and funding to continue.</p>
<p>Stockingford Community Centre Haunchwood Road Nuneaton CV10 8DY</p>	<p>02476 388 508</p>	<p><u>Site visit 19.8.15</u> Consultation Brent Davis</p> <p>Built with European funding – Council in partnership with a scout group and St Johns Ambulance – Scout group has since folded. There are football changing rooms in the building with pitches at the back of the building and a MUGA.</p> <p>There 2 halls, one larger than the other.</p> <p>The facilities currently offer space mainly to craft type groups, and coffee mornings.</p> <p>There is a management committee but they have not shown any inclination to take on the management of the lease. The management committee clash with the football club. The management committee would like to knock the football changing rooms into the rest of the building and provide porta cabin style changing rooms outside for football.</p>
