MWA12614	Imperial to Modern	Weddington Castle Park and gardens, Nuneaton	Park, pleasure grounds, terraces, kitchen garden. Castle demolished 1928. Part of grounds survive as public open space.
MWA20085	Imperial to Modern	Wapping Barn Bridge	Single span bridge
MWA6677	Modern	Site of Mineral railway west of Bermuda Road	Mineral Railway

Table 2: Non-Designated Heritage Assets within 500 m of Strategic Site HSG2

Reference	Period	Name	Summary
MWA6322	Palaeolithic	Findspot - Palaeolithic quartzite chopper core	Findspot - a Palaeolithic chopper core was found 100m north of North Wood.
MWA12758	Palaeolithic	Palaeolithic handaxe found in Stockingford, Nuneaton	Flint pointed handaxe found near Stockingford, nuneaton.
MWA12760	Palaeolithic	Palaeolithic handaxe found in Stockingford, Nuneaton	Quartzite pointed handaxe found in Stockingford, Nuneaton
MWA12783	Palaeolithic	Palaeolithic handaxe from Stockingford, Nuneaton	Quartzite pointed handaxe (unifacial) from Stockingford, Nuneaton
MWA12795	Palaeolithic	Palaeolithic roughout from Stockingford, Nuneaton	Quartzite roughout from Stockingford, Nuneaton
MWA12810	Palaeolithic	Palaeolithic core from Stockingford, Nuneaton	Quartzite unifacial chopper-core from Stockingford, Nuneaton
MWA12824	Palaeolithic	Palaeolithic chopper-core from Stockingford, Nuneaton	Quartzite unifacial chopper-core from Stockingford, Nuneaton
MWA12829	Palaeolithic	Palaeolithic flake from Stockingford, Nuneaton	Quartzite flake from Stockingford, Nuneaton
MWA12838	Palaeolithic	Palaeolithic core from Stockingford, Nuneaton	Quartzite core, split-cobble from Stockingford, Nuneaton
MWA9419	Early Neolithic to Late Neolithic	Broken stone axe from Stockingford, Nuneaton.	Findspot - a stone axe of Neolithic date was found in the Stockingford area.
MWA10140	Prehistoric	Find of a stone axe in Bermuda, Nuneaton	
MWA1843	Romano-British	Findspot - Roman pottery sherds	
MWA1654	Romano-British	Findspot - Roman coin hoard	Findspot - a coin hoard dating to the Roman period, its exact find location is unknown.
MWA1659	Romano-British	Site of Roman Tile Kilns 400m SE of Dennis Farm	The site of several Roman tile kilns which were excavated. They were situated 400m south east of Dennis Farm.
MWA1791	Romano-British	Roman pottery and tile scatter, Arbury.	The possible site of a Roman building indicated by a scatter of pottery, tile and building material. It is situated 100m north of The Rough.
MWA1844	Medieval	Findspot - Medieval pottery sherds	
MWA5047	Medieval	Medieval Features at 11 Bermuda Road	A Medieval ditch was excavated in the area of Bermuda Road, Chilvers Coton. Sherds of Medieval pottery were recovered from the ditch.
MWA5143	Medieval	Medieval Coin found during excavations at Arbury	
MWA1788	Medieval	Site of Medieval Pottery Kiln 100m E of Dennis Farm	The site of six Medieval kilns which were used for the manufacture of pottery and tile. The site lies 100m east of Dennis Farm.
MWA5048	Medieval	Site of Medieval Pottery Kiln W of 9 Tenlons Road	The site of a Medieval pottery kiln which was excavated. The site was located in the area of Tenlons Road, Chilvers Coton.

Reference	Period	Name	Summary
MWA5701	Medieval	Site of Medieval Building to E of Dennis Farm	
MWA1789	Medieval	Site of Med House 100m W of Lawn Cottage	The site of a Medieval house and various occupation features and finds. The site was excavated and was situated 100m west of Lawn Cottage.
MWA5046	Medieval	Site of Medieval Pottery Kilns at 10 Bermuda Road	The site of three Medieval pottery kilns which were excavated. The site was located in the area of Bermuda Road, Chilvers Coton.
MWA5147	Medieval	Site of Medieval Tile Kilns at 10 Bermuda Road	
MWA5148	Medieval	Site of Medieval Tile Kiln W of 9 Tenlons Road	
MWA4442	Medieval	Excavation of Medieval Settlement at Bermuda Road	
MWA5049	Medieval	Site of Medieval Pit N of 16 Redwood Croft	The site of a Medieval pit which was excavated. It contained a fragment of 13th century pottery, and was situated in the area of Redwood Croft, Chilvers Coton.
MWA5050	Medieval	Site of Med Pottery Kilns at 10 and 12 Radley Drive	
MWA5149	Medieval	Site of Medieval Tile Kiln at 10 and 12 Radley Drive	The site of two Medieval tile kilns which were excavated in the vicinity of Radley Drive, Chilvers Coton.
MWA5054	Medieval	Medieval Pit found at 13 Radley Drive	The site of a group of Medieval pits which were excavated. They were situated in the area of Radley Drive, Chilvers Coton.
MWA5700	Medieval	Site of Medieval Tile Kiln at 54 Bermuda Road	
MWA5055	Medieval	Site of Medieval Pottery Kiln at 54 Bermuda Road	The site of a Medieval pottery kiln which was excavated. It was situated in the area of Bermuda Road, Chilvers Coton.
MWA1792	Medieval	Site of Medieval Pottery Kilns at Chilvers Coton	The site of numerous Medieval pottery and tile kilns which were situated at Chilvers Coton.
MWA5039	Medieval	Site of Medieval Pottery Kilns at 4 Orkney Close	The site of six pottery kilns of Medieval date which were excavated. They were situated in the area of Orkney Close, Chilvers Coton.
MWA5040	Medieval	Site of Medieval Pottery Kilns, Orkney Close/Nairn Close	The site of eight Medieval pottery kilns which were excavated. They were situated in the area of Nairn Close, Chilvers Coton.
MWA5041	Medieval	Site of Medieval Pottery Kilns west of Nairn Close	The site of eight pottery kilns dating from the Medieval period. The location was in the area of Orkney Close, Chilvers Coton.
MWA5144	Medieval	Site of Med Tile Kilns at Nairn Close/Orkney Close	The site of six Medieval tile kilns which were excavated. They were located in the area of Nairn Close and Orkney Close, Chilvers Coton.
MWA5145	Medieval	Site of Tile Kilns W of Nairn Close	The site of eight tile kilns of Medieval date which were excavated. They were situated in the area of Nairn Close,

Reference	Period	Name	Summary
			Chilvers Coton.
MWA5042	Medieval	Site of Medieval Pottery Kilns at 155 Heath End Road	POTTERY KILN, KILN
MWA5146	Medieval	Site of Medieval Tile Kilns at 155 Heath End Road	The site of two Medieval tile kilns which were excavated in the area of Heath End Road, Chilvers Coton.
MWA5043	Medieval	Medieval Features at 252 Heath End Road	DITCH
MWA5051	Medieval	Site of Medieval Pottery Kiln at 23 Redwood Croft	The site of a Medieval pottery kiln which was excavated. It was situated in the area of Redwood Croft, Chilvers Coton.
MWA5151	Medieval	Site of Medieval Tile Kilns W of 11 Redwood Croft	TILE KILN, KILN
MWA5052	Medieval	Site of Medieval Pottery Kilns W of 11 Redwood Croft	The site of a Medieval pottery kiln which was excavated. It was situated in the area of Redwood Croft, Chilvers Coton.
MWA5053	Medieval	Site of Medieval Pottery Kiln at 7 Redwood Croft	The site of a Medieval pottery kiln which was excavated. It was situated in the area of Redwood Croft, Chilvers Coton.
MWA5150	Medieval	Site of Medieval Tile Kiln at 23 Redwood Croft	TILE KILN, KILN
MWA5045	Medieval medieval	-Post- Site of medieval and post-medieval pottery kiln at 252 Heath End Road, Chilvers Coton	
MWA5044	Medieval medieval	-Post- Post Medieval Features at 250 Heath End Road	A group of Post Medieval pits was excavated in the area of Heath End Road, Chilvers Coton, and some 17th century pottery was recovered.
MWA5152	Post-Medieval	Post Medieval Features found at 7 Redwood Croft	PIT
MWA5751	Imperial	Site of Griff Brick and Lime Works	The site of Griff Brick and Lime Works which were in use during the Imperial period. The site was located on the west side of Bermuda Road and is marked on the first edition Ordnance Survey map of 1887.
MWA5750	Imperial	Site of Mine Shaft at Heath End	
MWA5752	Imperial	Site of Tramway at Griff Brick Works	
MWA5754	Imperial	Site of Mine Shaft E of Bermuda Road	
MWA6676	Imperial	Site of Brickworks SW of Bermuda	The site of a brickworks where bricks were made during the Imperial period. The brickworks is marked on the Ordnance Survey map of 1902. It was situated 300m west of Bermuda.
MWA1879	Imperial	Colliery Village, Bermuda	A settlement or colliery village called Bermuda which was built during the Imperial period to house workers of the nearby colliery. It is situated 300m east of Harefield Lane.
MWA6726	Imperial	Site of Griff Branch Line	The site of Griff Branch Railway Line which dates to the Imperial period. It was situated 500m west of Stockingford, and is marked on the Ordnance Survey map of 1887.

Reference	Period	Name	Summary
MWA5753	Imperial	Site of Clay Pit at Griff Brickworks	CLAY PIT
MWA7855	Imperial	Site of Mine Shafts N of Heath End Road	MINE, MINE SHAFT
MWA4388	Imperial	Coventry Canal, Griff Arm Junction to S of Bermuda	A junction on the Coventry Canal, a waterway used for transporting goods. It dates from the Imperial period, and is in good condition if not navigable. It is situated 400m northwest of Burlington Road.
MWA6674	Imperial	Site of Griff Colliery Pumphouse	The site of Griff Colliery Pump House. It was used during the Imperial period to pump water to the colliery. The pump house is marked on the Ordnance Survey map of 1902. It was situated 100m west of Bermuda Road.
MWA9595	Industrial	Site of Lime Kilns	The site of old lime kilns identified from the Ordnance Survey map of 1888. The location is to the northwest of Burlington Road.

Table 3: Designated Heritage Assets within Arbury Hall Registered Park and Garden

Table 4: Non-Designated Heritage Assets within 500 m of Strategic Site HSG3

Reference	Period	Name	Summary
MWA12755	Palaeolithic	Palaeolithic handaxe found near Gypsy Lane, Nuneaton	Flint pointed handaxe found near Gypsy Lane, Nuneaton
MWA12763	Palaeolithic	Palaeolithic handaxe found in Wem Brook Field, Nuneaton	Quartzite pointed handaxe found in Wem Brook Field, Nuneaton
MWA12779	Palaeolithic	Palaeolithic handaxe found near Griff, Nuneaton	Flint 'dinky' subcordate handaxe found near Griff, Nuneaton
MWA12780	Palaeolithic	Palaeolithic handaxe found near Gypsy Lane, Nuneaton	Flint pointed handaxe found near Gypsy Lane, Nuneaton
MWA12781	Palaeolithic	Palaeolithic Pick found near Gypsy Lane, Nuneaton	Quartzite 'Giant' Pick (& percussor?) handaxe found near Gypsy Lane, Nuneaton
MWA12782	Palaeolithic	Palaeolithic handaxe from Marston Jabbet, Bedworth	Quartzite pointed handaxe from Marston Jabbet, Bedworth
MWA12791	Palaeolithic	Palaeolithic handaxe found in Wembrook Field	Quartzite subcordate handaxe (& percussor) found in Wembrook Field
MWA12800	Palaeolithic	Palaeolithic flake from Wembrook Field, Nuneaton	(mud?) stone flake from Wembrook, Nuneaton
MWA12801	Palaeolithic	Palaeolithic core from Wembrook Field, Nuneaton	Quartzite core, possibly prepared from Wembrook, Nuneaton
MWA12806	Palaeolithic	Palaeolithic cores from Wembrook, Nuneaton	Quartzite cores from Wembrook, Nuneaton
MWA12820	Palaeolithic	Palaeolithic scraper found in Wembrook Field	Quartzite scraper (or core, split-cobble) found in Wembrook Field
MWA12822	Palaeolithic	Palaeolithic tool from Griff Field, Nuneaton	Quartzite point from Griff Field, Nuneaton
MWA12823	Palaeolithic	Palaeolithic chopper-core from Marston Jabbet, Bedworth	Quartzite bifacial chopper-core from Marston Jabbet, Bedworth
MWA12832	Palaeolithic	Palaeolithic chopper-core from Griff Field, Nuneaton	Quartzite chopper-core from Griff Field, Nuneaton
MWA19194	Palaeolithic	Quartzite Blad Core, Griff Hollows, Field 5, near Griff Quarry	A prepared blade-core of possible proto-Levallois type of quartzite material was found by Mr Ron Waite in 2012.
MWA4443	Prehistoric	Findspot - Prehistoric Flint Arrowheads	
MWA4969	Bronze Age	Probable Round Barrow N of Griff Hill Granite Quarry	The site of a possible Bronze Age round barrow, a mound surrounded by a ditch, usually used to conceal a burial. The site lies 200m north of Griff Quarry.
MWA1652	Romano-British	Findspot - Roman coin hoard	Findspot - a hoard of Roman coins was found 150m north of The Beresteads.
MWA6254	Romano-British	Findspot - Roman pottery sherd	
MWA13390	Romano-British	Residual Romano-British pottery sherds south of Griff Brook, Gipsy Lane, Nuneaton	Two sherds of Romano-British pottery were found in a post-medieval boundary ditch south of Griff Brook, to the north of Gipsy Lane, Nuneaton. This residual pottery may indicate Romano-british activity nearby.

Reference	Period	Name	Summary
MWA6678	Imperial	Site of Tramway for Griff Granite Quarries	
MWA4388	Imperial	Coventry Canal, Griff Arm Junction to S of Bermuda	A junction on the Coventry Canal, a waterway used for transporting goods. It dates from the Imperial period, and is in good condition if not navigable. It is situated 400m northwest of Burlingtom Road.
MWA6679	Imperial	Site of Griff Granite Quarries	The site of Griff Granite Quarry which was in use during the Imperial period. The quarry is marked on the Ordnance Survey map of 1902. It was situated 500m south east of Bermuda.
MWA4373	Industrial	The Coventry Canal	The Coventry Canal, a waterway for transporting goods, was built during the Imperial period.
MWA20090	Modern	Sterling Metals	A single span concrete bridge

Table 5: Non-designated heritage assets within 500 m of Strategic Site HSG4

Reference	Period	Name	Summary
MWA9726	Medieval to Post-medieval	Site of medieval/post medieval house near Bedworth	
MWA12588	Post-medieval to Modern	Bedworth Rectory garden, Bedworth	Extensive grounds with lawns, pleasure grounds, stream and paddocks. No longer in existence.
MWA12588	Post-medieval to Modern	Bedworth Rectory garden, Bedworth	Extensive grounds with lawns, pleasure grounds, stream and paddocks. No longer in existence.
MWA6663	Imperial	Site of Brickworks W of Collycroft	
MWA6715	Imperial	Site of Newdigate Colliery E of Astley Hall Farm	The site of Newdigate Colliery where coal was mined from the Imperial period onwards. It was situated 400m north west of Market End.
MWA6717	Imperial	Site of Brickworks NW of Newdigate Colliery	
MWA6661	Imperial	Site of Bedworth Charity Colliery	The site of Bedworth Charity Colliery where coal was mined during the Imperial period. The colliery is marked on the Ordnance Survey map of 1886. It was situated 500m north of Mount Pleasant.
MWA6662	Imperial to Modern	Site of Mineral Railway at Bedworth	
MWA19921	Imperial to Modern	Heath Road River Bridge	2 span brick roads bridge
MWA10117	Modern	Causeway at 'The Nook', Bedworth	Modern causeway across pond/marshy area known as 'The Nook' just north of The Willows, Bedworth.
MWA4848	Undated	Undated cropmark enclosure	
MWA5060	Undated	Site of Kiln 300m NE of Charity Spinney	

Table 6: Non-Designated Heritage Assets within 500 m of Strategic Site HSG5

Reference	Period	Name	Summary
MWA12230	Prehistoric	Find of a flint object, Bedworth.	
MWA5103	Romano-British	Findspot - Roman small female bust	
MWA6979	Romano-British	Findspot - Roman coin	
MWA1671	Medieval	Site of Moat House Moat, Goodyers End	The site of a moat, a wide ditch surrounding a building, which was of Medieval date. It was situated 100m north east of Goodyers End, Nuneaton.
MWA507	Medieval	Possible Site of Smercote Parva Deserted Settlement	
MWA517	Medieval	Possible site of Smercote Magna deserted settlement	
MWA5061	Medieval	Findspot - Medieval tile	
MWA12657	Medieval to Post-medieval	Newlands Hall Park	Medieval and post-medieval park associated with Newlands Hall.

MWA7449	Post-medieval	Findspot - Post Medieval lead seal matrix	Findspot - a lead seal matrix of Post Medieval date was found 100m east of Royal Oak Lane, Ash Green.

Table 7: Non-designated Heritage Assets within 500 m of Strategic Site HSG6

Reference	Period	Name	Summary
MWA6984	Romano-British	Findspot - Roman coin	
MWA6985	Medieval	Medieval Token found E of Bell Drive, Exhall	
MWA1650	Medieval to Post-medieval	Moat House Moat, Wilsons Lane	A moat, a wide ditch surrounding a building. The moat is medieval in date and is visible as an earthwork. It is situated north of McDonnell Drive, Bedworth.
MWA1672	Medieval to Post-medieval	Exhall Hall Moat	Exhall Hall, a manor house originally built during the Medieval period with later additions. The manor house is surrounded by a Medieval moat, a wide ditch surrounding a building, and is situated on the east side of Bowling Green Lane at Exhall Hall Gree
MWA12598	Post-medieval to Modern	Exhall Hall garden, Exhall, Nuneaton	Moated site; orchard
MWA1668	Imperial	Site of Windmill 500m NE of Exhall Hall	The site of a windmill which was built during the Imperial period. It was situated 500m north east of Exhall Hall, but the area has now been built over.
MWA6642	Imperial	Site of Smithy at Wagon Overthrow	
MWA6643	Imperial	Site of Windmill on Heckley Playing Fields	
MWA4373	Industrial	The Coventry Canal	The Coventry Canal, a waterway for transporting goods, was built during the Imperial period.
MWA19922	Imperial to Modern	School Lane River Bridge	Brick bridge over the River Sowe
MWA12604	Modern to Unknown	Moat House Garden, Moat House, Bedworth	Pleasure grounds within moat and planting to N and E of moat.
MWA1669	Undated	Site of Mound 500m NE of Exhall Hall	

Table 8: Non-designated Heritage Assets within 500 m of Strategic Site HSG7

Reference	Period	Name	Summary
MWA13231	Early medieval	Site of possible old minster church, Bulkington	Site of possible old minster church, pre-Conquest, on or near the site of the church of St James, Bulkington
MWA9498	Medieval	Bulkington Medieval Settlement	
MWA1676	Medieval to Industrial	Church of St James, Bulkington	The Church of St James, Bulkington, which was built during the Medieval period. The church was later restored during the Post Medieval and Imperial periods. It is situated at the north end of Church Street, Bulkington.
MWA9743	Post-medieval	Ryton Settlement	The extent of the post medieval settlement at Ryton based on map evidence.
MWA12616	Post-medieval to Modern	Weston Hall gardens, Weston in Arden, Nuneaton	Formal gardens, mixed planting, pond, kitchen garden. Recommended for inclusion on the Local List by Lovie.
MWA2436	Imperial	Congregational Chapel, School Road, Bulkington	

Table 9: Non-Designated Heritage Assets within 500 m of Strategic Site HSG8

Reference	Period	Name	Summary
MWA9919	Late Iron Age	Find of an Iron Age terret ring near Bulkington	Find of an Iron Age terret ring, or chariot fitting, to the northwest of Weston in Arden
MWA13231	Early medieval	Site of possible old minster church, Bulkington	Site of possible old minster church, pre-Conquest, on or near the site of the church of St James, Bulkington
MWA1679	Medieval	Site of Chapel of the Blessed Virgin Mary at Weston	
MWA7445	Medieval	Poss. D.M.V. at Weston-in-Arden	
MWA9498	Medieval	Bulkington Medieval Settlement	
MWA1676	Medieval to Industrial	Church of St James, Bulkington	The Church of St James, Bulkington, which was built during the Medieval period. The church was later restored during the Post Medieval and Imperial periods. It is situated at the north end of Church Street, Bulkington.
MWA2436	Imperial	Congregational Chapel, School Road, Bulkington	
MWA6708	Imperial	Site of Bulkington Station	
MWA6709	Imperial	Site of Signal Box at Bulkington station	
MWA10354	Imperial	Weston in Avon Windmill	
MWA12616	Post-medieval Modern	to Weston Hall gardens, Weston in Arden, Nuneaton	Formal gardens, mixed planting, pond, kitchen garden. Recommended for inclusion on the Local List by Lovie.
MWA9646	Modern	Bedworth Anti Aircraft Artillery Site	

Table 10: Non-Designated Heritage Assets within 500 m of Strategic Site HSG9

Reference	Period	Name	Summary
MWA4430	Prehistoric	Prehistoric Flint Scatter near Attleborough	A flint scatter, large assemblage of flint artefacts, was found in the area to the east of Attleborough.
MWA12231	Prehistoric	Possible prehistoric site	
MWA12743	Palaeolithic	Palaeolithic hand axe from Attleborough Hill Farm	Quartzite subcordate biface handaxe. Attleborough Hill Farm, pebble-picked footpath.
MWA12744	Palaeolithic	Palaeolithic hand axe from Attleborough	'lopsided' pointed biface handaxe from Attleborough.
MWA12745	Palaeolithic	Pointed handaxe from Attleborough	Flint pointed handaxe from Attleborough.
MWA12746	Palaeolithic	Palaeolithic handaxe from Attleborough	Quartzite subcordate handaxe from Attleborough
MWA12747	Palaeolithic	Palaeolithic handaxe from Attleborough	Quartzite subcordate handaxe
MWA12769	Palaeolithic	Palaeolithic handaxe found near Attleborough	Quartzite pointed handaxe found near Attleborough
MWA12770	Palaeolithic	Palaeolithic tool or roughout found near Attleborough Hill Farm	Quartzite point or roughout found near Attleborough Hill Farm
MWA12792	Palaeolithic	Palaeolithic Flake tool from Attleborough, Nuneaton	Andesitic (Lava?) flake from Attleborough, Nuneaton
MWA12793	Palaeolithic	Palaeolithic handaxe from Attleborough, Nuneaton	Quartzite pointed handaxe from Attleborough, Nuneaton
MWA12836	Palaeolithic	Palaeolithic pick from Attleborough	Quartzite pick from Attleborough
MWA9416	Prehistoric	Stone axe found at Attleborough	Findspot - a prehistoric stone axe was found was found during a field walking survey. The axe was found at Attleborough.
MWA1663	Early Mesolithic to Late Bronze Age	Findspot - Prehistoric flint	Findspot - flint of Prehistoric date were found 300m north west of Paul's Ford.
MWA10070	Undated	Stone axe found at Attleborough	

Table 11: Non-Designated Heritage Assets within 500 m of Strategic Site HSG10

Reference	Period	Name	Summary
MWA4430	Prehistoric	Prehistoric Flint Scatter near Attleborough	A flint scatter, large assemblage of flint artefacts, was found in the area to the east of Attleborough.
MWA7498	Palaeolithic	Palaeolithic Finds from Attleborough	Findspot - artefacts dating to the Palaeolithic period were found 300m north east of Attleborough Fields Industrial Estate.
MWA12744	Palaeolithic	Palaeolithic hand axe from Attleborough	'lopsided' pointed biface handaxe from Attleborough.
MWA12745	Palaeolithic	Pointed handaxe from Attleborough	Flint pointed handaxe from Attleborough.
MWA12746	Palaeolithic	Palaeolithic handaxe from Attleborough	Quartzite subcordate handaxe from Attleborough
MWA12756	Palaeolithic	Palaeolithic handaxe found near Horeston Grange, Nuneaton	Possible quartzite subcordate handaxe found near Horeston Grange, Nuneaton
MWA12769	Palaeolithic	Palaeolithic handaxe found near Attleborough	Quartzite pointed handaxe found near Attleborough
MWA12792	Palaeolithic	Palaeolithic Flake tool from Attleborough, Nuneaton	Andesitic (Lava?) flake from Attleborough, Nuneaton
MWA12793	Palaeolithic	Palaeolithic handaxe from Attleborough, Nuneaton	Quartzite pointed handaxe from Attleborough, Nuneaton
MWA12828	Palaeolithic	Palaeolithic flake found near Horeston Grange, Nuneaton	Quartzite flake found near Horeston Grange, Nuneaton
MWA12841	Palaeolithic	Palaeolithic handaxe found near Horeston Grange, Nuneaton	Quartzite handaxe found near Horeston Grange, Nuneaton
MWA9416	Prehistoric	Stone axe found at Attleborough	Findspot - a prehistoric stone axe was found during a field walking survey. The axe was found at Attleborough.
MWA7384	Palaeolithic	Palaeolithic handaxe found near Attleborough.	Findspot - a Palaeolithic handaxe found near Attleborough Fields Farm.
MWA1663	Early Mesolithic to Late Bronze Age	Findspot - Prehistoric flint	Findspot - flint of Prehistoric date were found 300m north west of Paul's Ford.
MWA5142	Medieval	Site of Horeston Grange, Nuneaton.	The site of Horeston Grange, a farm associated with Nuneaton Priory during the Medieval period. It was situated 500m north of Attleborough Fields Industrial Estate.
MWA1691	Medieval	Horeston Grange Moat, Nuneaton.	Horeston Grange Moat, a wide ditch that usually surrounded a building, dating to the Medieval period. The moat is visible as an earthwork and is situated 500m north of Attleborough Fields Industrial Estate, Nuneaton.
MWA6260	Post-medieval to Imperial	Site of Post Med or later House at Horeston Grange, Nuneaton,	The site of Post Medieval or later house at Horeston Grange, 500m north of Attleborough Fields Industrial Estate.
MWA5808	Imperial	Site of Signal Box at Nuneaton Midland Junction	The site of a signal box at Midland Junction, Nuneaton, which was in use during the Imperial period. It is marked on the first

Reference	Period	Name	Summary
			edition Ordnance Survey map of 1887.
MWA10070	Undated	Stone axe found at Attleborough	

Table 12: Non designated Heritage Assets within 500 m of Strategic Site HSG11

Reference	Period	Name	Summary
MWA12817	Palaeolithic	Palaeolithic chopper-core found near Weddington Canal Cottage, Nuneaton	Quartzite unifacial chopper-core found near Weddington Canal Cottage, Nuneaton
MWA12818	Palaeolithic	Palaeolithic core found near Weddington Canal Cottage, Nuneaton	Quartzite core, migrating platform, found near Weddington Canal Cottage, Nuneaton
MWA6318	Medieval	Medieval earthwork dam & mill pond	The possible site of a Medieval dam which survives as an earthwork. It was probably associated with a mill pond marked on Beighton's map of 1722-5. The site lies on the south side of Vernon's Lane, Nuneaton.
MWA6373	Medieval	Evaluation at Manor Court House/Nuneaton Priory 1991	Trial trenching and geophysical survey found evidence of Medieval buildings, possibly associated with St. Mary's Priory, on the west side of Manor Court Road.
MWA6314	Medieval	Prior's House at Nuneaton Priory	The possible site of the Medieval Prior's House associated with Nuneaton Priory. It would have stood on Manor Court Road, Nuneaton and the results of a geophysical survey suggest that some building ruins survive.
MWA1655	Medieval	Priory of St Mary, Nuneaton	The site of the Priory of St. Mary which was founded during the Medieval period. The site is located 50m west of Manor Court Road, Nuneaton.
MWA6311	Medieval	Nuneaton Priory Church	The site of the Medieval church at Nuneaton Priory, parts of which have been incorporated in to the later Church of St. Mary. The site lies on the east side of Manor Court Road, Nuneaton.
MWA6315	Medieval	Nuneaton Priory Cloisters and Conventual Buildings	The site of the Medieval cloister buildings and other conventual buildings associated with Nuneaton Priory. Only the foundations of these buildings remain and they are situated to the east of Manor Court Road, Nuneaton.
MWA8370	Medieval to Post-medieval	Medieval remains at Manor Court, Nuneaton	Findspot - various finds of Medieval date, including sherds of pottery, were found during archaeological work at Manor Court, Nuneaton.
MWA7254	Medieval to Post-medieval	Outer Court, St Mary's Priory, Nuneaton	The outer court, or precinct of the priory, suggested by the medieval topography of Nuneaton. Archaeological investigation within the area of the precinct has recorded various medieval deposits.
MWA9548	Medieval to Imperial	Nuneaton Medieval Settlement	The possible extent of the medieval settlement at Nuneaton based on the Ordnance Survey map of 1888 and known archaeological features.

Reference	Period	Name	Summary
MWA6316	Medieval to Imperial	Church of St Mary, Nuneaton	The Parish Church of St. Mary, built largely during the Imperial period but which incorporates the Medieval remains of the Priory Church. It is situated east of Manor Court Road, Nuneaton.
MWA4381	Imperial	Canal Cottage 600m N of Tuttle Hill, Nuneaton	Documentary evidence suggests that a canal cottage stood 600m north of Tuttle Hill, Nuneaton, during the Imperial period. It is marked on the Ordnance Survey map of 1888.
MWA4373	Industrial	The Coventry Canal	The Coventry Canal, a waterway for transporting goods, was built during the Imperial period.
MWA5733	Imperial	Site of Tuttle Hill Quarries (SE)	
MWA5777	Imperial	Site of Brickworks N of Tuttle Hill Road, Nuneaton	The site of a brickworks where bricks were manufactured during the Imperial period. It was located 100m north of Tuttle Hill Road, Nuneaton, and is marked on the first edition Ordnance Survey map of 1887.
MWA5776	Imperial	Site of Iron Works on Tuttle Hill Road, Nuneaton	The site of an iron works where iron was smelted during the Imperial period. It was situated on Tuttle Hill Road, Nuneaton, and is marked on the Ordnance Survey map of 1902.
MWA5775	Industrial	Site of Midland Quarry S of Tuttle Hill Rd, Nuneaton	The site of Midland Quarry which was in use during the Imperial period. It was located 100m south of Tuttle Hill Road, Nuneaton, and is marked on the first edition Ordnance Survey map of 1887.
MWA4380	Imperial	Possible Wharf S of Tuttle Hill, Nuneaton	Documentary evidence suggests the possible site of a canal wharf, where vessels would have loaded and unloaded goods. It would have been in use during the Imperial period and may have been situated to the south east of Tuttle Hill, Nuneaton.
MWA5774	Imperial	Site of Abbey Station S of Abbey Junction, Nuneaton	The site of Abbey Railway Station, Nuneaton, which was in use during the Imperial period. It was located 100m south west of Abbey Junction and is marked on the first edition Ordnance Survey map of 1887.
MWA5773	Imperial	Site of Hat Factory on Abbey Green, Nuneaton	The site of a hat factory where hats were manufactured during the Imperial period. It was situated on Abbey Green, Nuneaton, and is marked on the first edition Ordnance Survey map of 1887.
MWA12614	Imperial to Modern	Weddington Castle Park and gardens, Nuneaton	Park, pleasure grounds, terraces, kitchen garden. Castle demolished 1928. Part of grounds survive as public open space.

Table 13: Non-Designated Heritage Assets within 500 m of Strategic Site EMP1

Reference	Period	Name	Summary
MWA12755	Palaeolithic	Palaeolithic handaxe found near Gypsy Lane, Nuneaton	Flint pointed handaxe found near Gypsy Lane, Nuneaton
MWA12763	Palaeolithic	Palaeolithic handaxe found in Wem Brook Field, Nuneaton	Quartzite pointed handaxe found in Wem Brook Field, Nuneaton
MWA12779	Palaeolithic	Palaeolithic handaxe found near Griff, Nuneaton	Flint 'dinky' subcordate handaxe found near Griff, Nuneaton
MWA12780	Palaeolithic	Palaeolithic handaxe found near Gypsy Lane, Nuneaton	Flint pointed handaxe found near Gypsy Lane, Nuneaton
MWA12781	Palaeolithic	Palaeolithic Pick found near Gypsy Lane, Nuneaton	Quartzite 'Giant' Pick (& percussor?) handaxe found near Gypsy Lane, Nuneaton
MWA12791	Palaeolithic	Palaeolithic handaxe found in Wembrook Field	Quartzite subcordate handaxe (& percussor) found in Wembrook Field
MWA12800	Palaeolithic	Palaeolithic flake from Wembrook Field, Nuneaton	(mud?) stone flake from Wembrook, Nuneaton
MWA12801	Palaeolithic	Palaeolithic core from Wembrook Field, Nuneaton	Quartzite core, possibly prepared from Wembrook, Nuneaton
MWA12806	Palaeolithic	Palaeolithic cores from Wembrook, Nuneaton	Quartzite cores from Wembrook, Nuneaton
MWA12820	Palaeolithic	Palaeolithic scraper found in Wembrook Field	Quartzite scraper (or core, split-cobble) found in Wembrook Field
MWA12822	Palaeolithic	Palaeolithic tool from Griff Field, Nuneaton	Quartzite point from Griff Field, Nuneaton
MWA12832	Palaeolithic	Palaeolithic chopper-core from Griff Field, Nuneaton	Quartzite chopper-core from Griff Field, Nuneaton
MWA19194	Palaeolithic	Quartzite Blad Core, Griff Hollows, Field 5, near Griff Quarry	A prepared blade-core of possible proto-Levallois type of quartzite material was found by Mr Ron Waite in 2012.
MWA4445	Neolithic	Findspot - Prehistoric arrowhead	
MWA5318	Early Mesolithic to Late Neolithic	Mesolithic or Neolithic flint scatter	
MWA4431	Early Neolithic to Early Iron Age	Neolithic or Bronze Age flint scatter	
MWA4969	Bronze Age	Probable Round Barrow N of Griff Hill Granite Quarry	The site of a possible Bronze Age round barrow, a mound surrounded by a ditch, usually used to conceal a burial. The site lies 200m north of Griff Quarry.
MWA6320	Prehistoric	Findspot - Prehistoric stone artefact	
MWA1652	Romano-British	Findspot - Roman coin hoard	Findspot - a hoard of Roman coins was found 150m north of The Beresteads.
MWA5319	Romano-British	Findspot - Roman pottery sherd	
MWA6254	Romano-British	Findspot - Roman pottery sherd	

Reference	Period	Name	Summary
MWA13390	Romano-British	Residual Romano-British pottery sherds south of Griff Brook, Gipsy Lane, Nuneaton	Two sherds of Romano-British pottery were found in a post-medieval boundary ditch south of Griff Brook, to the north of Gipsy Lane, Nuneaton. This residual pottery may indicate Romano-british activity nearby.
MWA7444	Medieval	Poss. D.M.V. at Coton	A possible Medieval deserted settlement of Chilvers Coton which is suggested by documentary evidence.
MWA1651	Medieval	Site of Sudeley Castle Moat	The site of Sudeley Castle Moat, a wide ditch usually surrounding a building. The moat dated to the Medieval period and was situated 300m north east of Griff Lane.
MWA5140	Medieval	Site of Sudeley Castle Manor House	The site of Sudeley Castle Manor House which dated to the Medieval period. The site was located 300m north east of Griff Lane.
MWA6253	Medieval	Site of a Chapel at Sudeley Castle	The site of a chapel dating to the Medieval period. The chapel was associated with Sudeley Castle, 300m north east of Griff Lane.
MWA6678	Imperial	Site of Tramway for Griff Granite Quarries	
MWA4388	Imperial	Coventry Canal, Griff Arm Junction to S of Bermuda	A junction on the Coventry Canal, a waterway used for transporting goods. It dates from the Imperial period, and is in good condition if not navigable. It is situated 400m northwest of Burlingtom Road.
MWA6679	Imperial	Site of Griff Granite Quarries	The site of Griff Granite Quarry which was in use during the Imperial period. The quarry is marked on the Ordnance Survey map of 1902. It was situated 500m south east of Bermuda.
MWA6685	Imperial	Site of Signal Box at Griff Junction	The site of a railway signal box which was in use during the Imperial period. It is marked on the Ordnance Survey map of 1902. The signal box was situated at Griff Junction.
MWA6726	Imperial	Site of Griff Branch Line	The site of Griff Branch Railway Line which dates to the Imperial period. It was situated 500m west of Stockingford, and is marked on the Ordnance Survey map of 1887.
MWA4373	Industrial	The Coventry Canal	The Coventry Canal, a waterway for transporting goods, was built during the Imperial period.
MWA12600	Post-medieval Modern	Griff House garden, Chilvers Coton, Nuneaton	Villa pleasure grounds with pool, paddock and summerhouse.
MWA1684	Undated	Undated enclosure	

Table 14: Non-designated Heritage Assets within 500m of Strategic Site EMP2

Reference	Period	Name	Summary
MWA6984	Romano-British	Findspot - Roman coin	
MWA6985	Medieval	Medieval Token found E of Bell Drive, Exhall	
MWA6974	Medieval	Medieval Coin found N of The Vicarage, Exhall	Findspot - a Medieval coin was found 100m north of Church Lane, Exhall.
MWA1682	Medieval to Imperial	Church of St Giles, Exhall, Nuneaton and Bedworth	The Church of St. Giles which was originally built during the Medieval period. It is situated on Church Lane, Exhall.
MWA1650	Medieval to Post-medieval	Moat House Moat, Wilsons Lane	A moat, a wide ditch surrounding a building. The moat is medieval in date and is visible as an earthwork. It is situated north of McDonnell Drive, Bedworth.
MWA1672	Medieval to Post-medieval	Exhall Hall Moat	Exhall Hall, a manor house originally built during the Medieval period with later additions. The manor house is surrounded by a Medieval moat, a wide ditch surrounding a building, and is situated on the east side of Bowling Green Lane at Exhall Hall Gree
MWA12598	Post-medieval to Modern	Exhall Hall garden, Exhall, Nuneaton	Moated site; orchard
MWA4348	Imperial	The Oxford Canal	The Oxford Canal, a waterway used for transporting goods. It was built during the Imperial period and is still in use.
MWA6713	Imperial	Site of Pound at Exhall	The site of a pound where livestock would have been penned during the Imperial period. It was situated on St. Giles Road, Exhall.
MWA19922	Imperial to Modern	School Lane River Bridge	Brick bridge over the River Sowe
MWA19923	Imperial to Modern	St. Giles Road Bridge	Concrete road bridge
MWA4373	Industrial	The Coventry Canal	The Coventry Canal, a waterway for transporting goods, was built during the Imperial period.
MWA12597	Modern to Unknown	Exhall Grange garden, Exhall, Nuneaton	Villa-type pleasure grounds. House demolished.
MWA12604	Modern to Unknown	Moat House Garden, Moat House, Bedworth	Pleasure grounds within moat and planting to N and E of moat.
MWA19229		War memorial obelisk Ash Green (Exhall) near Bedworth	War memorial in the form of an obelisk on a traffic island in Ash Green, Bedworth.
MCT15336	Medieval	Possible medieval pit W of Wilson's Lane, Longford	A possible medieval pit was excavated as part of an evaluation on the former Manor House Farm site west of Longford Road.
MCT722	Post-medieval	Site of Manor House Farm, Wilsons Lane, Longford	The site of Manor House Farm, a farmhouse and outbuildings. The house was built during the 17th century with 18th century additions and was demolished at some point between 1957 and 1970. Several of the outbuildings remain.
MCT13733	Post-Medieval	Nos 12, 14, 14a and 26 Wilson's Lane	Nos 12, 14, 14a and 26 Wilsons Lane are depicted within a small plot of land on the 1850 Exhall Tithe Map but they are not mentioned in the schedule, suggesting that they were not subject to tithes

Reference	Period	Name	Summary
MCT15368	Post-medieval	22-24 Wilson's Lane, Woodshires Green	Two of a terrace of three cottages which has been converted into a single property. The buildings appear on the Exhall Tithe map of 1850 but may date to the early 19th century or before. They are locally listed buildings.
MCT797	Post-medieval	16 WILSONS LANE; WOODSHIRES GREEN	A mid to late 19th century building that is locally listed.
MCT798	Post-medieval	BOUNDARY MARKER; ADJ 16 WILSONS LANE; WOODSHIRES GREEN	A 19th century boundary marker adjacent to 16 Wilsons Lane, Woodshires Green. The house, a brick-built cottage of circa 1829, and the boundary marker are locally listed.
MCT15988	Post-medieval	19th century trackway on W side of Wilsons Lane	A trackway that is depicted on the 1850 Exhall Tithe Map
MCT15978	Post-medieval	Site of building and homestead plot W of Wilson's Lane	A building and homestead plot are depicted on the 1850 Exhall Tithe Map but are not recorded in the schedule, suggesting that they were not subject to tithes.
MCT15984	Post-medieval	19th century trackway W side of Wilson's Lane	A trackway or lane that is depicted on the 1850 Exhall Tithe Map

Table 15: Non-designated Heritage Assets within 500 m of Strategic Site EMP2 (housing)

Reference	Period	Name	Summary
MWA1650	Medieval to Post-medieval	Moat House Moat, Wilsons Lane	A moat, a wide ditch surrounding a building. The moat is medieval in date and is visible as an earthwork. It is situated north of McDonnell Drive, Bedworth.
MWA12598	Post-medieval to Modern	Exhall Hall garden, Exhall, Nuneaton	Moated site; orchard
MWA12604	Modern to Unknown	Moat House Garden, Moat House, Bedworth	Pleasure grounds within moat and planting to N and E of moat.
MCT15336	Medieval	Possible medieval pit W of Wilson's Lane, Longford	A possible medieval pit was excavated as part of an evaluation on the former Manor House Farm site west of Longford Road.
MCT722	Post-medieval	Site of Manor House Farm, Wilsons Lane, Longford	The site of Manor House Farm, a farmhouse and outbuildings. The house was built during the 17th century with 18th century additions and was demolished at some point between 1957 and 1970. Several of the outbuildings remain.
MCT13733	Post-Medieval	Nos 12, 14, 14a and 26 Wilson's Lane	Nos 12, 14, 14a and 26 Wilsons Lane are depicted within a small plot of land on the 1850 Exhall Tithe Map but they are not mentioned in the schedule, suggesting that they were not subject to tithes
MCT15368	Post-medieval	22-24 Wilson's Lane, Woodshires Green	Two of a terrace of three cottages which has been converted into a single property. The buildings appear on the Exhall Tithe map of 1850 but may date to the early 19th century or before. They are locally listed buildings.

MCT15978	Post-medieval	Site of building and homestead plot W of Wilson's Lane	A building and homestead plot are depicted on the 1850 Exhall Tithe Map but are not recorded in the schedule, suggesting that they were not subject to tithes.
MCT15984	Post-medieval	19th century trackway W side of Wilson's Lane	A trackway or lane that is depicted on the 1850 Exhall Tithe Map

Table 16: Non-Designated Heritage Assets within 500 m of Strategic Site EMP3

Reference	Period	Name	Summary
MWA6978	Romano-British	Findspot - Roman coin	
MWA6977	Romano-British	Findspot - Roman coin	
MWA1673	Medieval to Post-medieval	Fishponds at Newland Hall Farm	The site of fishponds used for breeding and storing fish. They were of Medieval or Post Medieval date. The site lies 800m west of Ash Green.
MWA12657	Medieval to Post-medieval	Newlands Hall Park	Medieval and post-medieval park associated with Newlands Hall.
MWA8273	Imperial to Modern	Coventry Colliery	The site of Coventry Colliery, where coal was mined. It opened during the Imperial period and was situated 500m north west of Keresley United Reform Church.

Table 17: Non-Designated Heritage Assets within 500 m of Strategic Site EMP4

Reference	Period	Name	Summary
MWA12774	Palaeolithic	Palaeolithic handaxe from excavations at Bermuda	Quartzite 'dinky' pointed handaxe
MWA12804	Palaeolithic	Palaeolithic chopper-core from Bermuda, Nuneaton	Quartzite chopper-core from Bermuda, Nuneaton
MWA12832	Palaeolithic	Palaeolithic chopper-core from Griff Field, Nuneaton	Quartzite chopper-core from Griff Field, Nuneaton
MWA19194	Palaeolithic	Quartzite Blad Core, Griff Hollows, Field 5, near Griff Quarry	A prepared blade-core of possible proto-Levallois type of quartzite material was found by Mr Ron Waite in 2012.
MWA5318	Early Mesolithic to Late Neolithic	Mesolithic or Neolithic flint scatter	
MWA4431	Early Neolithic to Early Iron Age	Neolithic or Bronze Age flint scatter	
MWA4445	Neolithic	Findspot - Prehistoric arrowhead	
MWA4969	Bronze Age	Probable Round Barrow N of Griff Hill Granite Quarry	The site of a possible Bronze Age round barrow, a mound surrounded by a ditch, usually used to conceal a burial. The site lies 200m north of Griff Quarry.
MWA6320	Prehistoric	Findspot - Prehistoric stone artefact	
MWA1652	Romano-British	Findspot - Roman coin hoard	Findspot - a hoard of Roman coins was found 150m north of The Beresteads.
MWA5319	Romano-British	Findspot - Roman pottery sherd	
MWA6254	Romano-British	Findspot - Roman pottery sherd	
MWA7444	Medieval	Poss. D.M.V. at Coton	A possible Medieval deserted settlement of Chilvers Coton which is suggested by documentary evidence.
MWA1651	Medieval	Site of Sudeley Castle Moat	The site of Sudeley Castle Moat, a wide ditch usually surrounding a building. The moat dated to the Medieval period and was situated 300m north east of Griff Lane.
MWA5140	Medieval	Site of Sudeley Castle Manor House	The site of Sudeley Castle Manor House which dated to the Medieval period. The site was located 300m north east of Griff Lane.
MWA6253	Medieval	Site of a Chapel at Sudeley Castle	The site of a chapel dating to the Medieval period. The chapel was associated with Sudeley Castle, 300m north east of Griff Lane.
MWA9748	Medieval	Chilvers Coton Medieval Settlement	The probable extent of the medieval settlement based on the first edition Ordnance Survey map of 1888.
MWA7370	Medieval to Post-medieval	Medieval Pottery Industry, Chilvers Coton	The site of pottery kilns of Medieval origin which represent the pottery industry of Chilvers Coton, situated east of Stockingford.

Reference	Period	Name	Summary
MWA12600	Post-medieval to Modern	Griff House garden, Chilvers Coton, Nuneaton	Villa pleasure grounds with pool, paddock and summerhouse. Lovie recommended inclusion in Local List
MWA6678	Imperial	Site of Tramway for Griff Granite Quarries	
MWA5753	Imperial	Site of Clay Pit at Griff Brickworks
